

Tar Heel Nine Leaves For Clemson

by Ed Starnes

The Carolina baseball team will leave today for a two-game trip into South Carolina. Both games will be Southern Conference contests.

The Tar Heels broke out of a prolonged batting slump Tuesday and pounded N. C. State's Lunsford Lewis for 10 safeties, two of them doubles. The revamped lineup found Bob Henning at first base, Bruce Holt at third, Connie Gravitte in left field, and John Stowe in right. These four men collected five of Carolina's hits.

Meet Clemson

Coaches Walt Rabb and Bunn Hearn will send their team against Clemson on Friday afternoon in Clemson, S. C. The Tigers are presently in sixth place in the

Southern Division of the conference. Carolina's victory over State put the Tar Heels and the Wolfpack in a tie for fourth place.

On Saturday Carolina will play Furman in Greenville, S. C. The Paladins rest in seventh place with a 3-6 record for the season. Victories in both games would give Carolina a very representable 13-7 overall record for the season, and a 6-4 mark in the Southern Conference.

Pazdan, Lore Ready

The big three of the Tar Heel pitching staff will be ready on the trip. Joe Pazdan and Bill Lore haven't pitched since the Duke game last Saturday, and Chal Port pitched Tuesday but will have had four days rest for the Furman game Saturday.

Carolina is moving down the final stretch of the season. The last game is on May 12 with Wake Forest at Chapel Hill. The Tar Heel nine has six Big Four games left: three with Wake Forest, two with Duke, and one with State. There are also games with South Carolina here, Davidson there, and McCrary Hosiery in Ashboro. The McCrary game is a night contest.

Bill Werber Tops Big Four Batters

Bill Werber, Duke first baseman who was selected as the most valuable player in North Carolina's fast Big Four League

last year, is the top loop batter through the first two complete weeks of action.

The Blue Devil star is hitting .375 in four games. Dick Denny catcher for Duke who has gone to bat only half as many times as Werber, is credited with the same average.

Next in line is N.C. State sophomore Jack Turney, with a .355 mark, followed by Dick Johnson of Duke, with a .353 average.

Duke leads in team average with an impressive .309, while State trails with a .252 mark. Duke leads the league with a 4-0 record and State is second with a 3-3 slate.

Johnson and Dick Groat of Duke are the top run scorers with eight, while Benny Cavaliere of Duke is second with

seven. Roland Brinson of State had the most hits, nine, and (See WEBER, page 7)

A Big Weekend

The Blue-White game always provides one of the best weekends of the spring quarter. Whether you look at it football-wise or party-wise it all leads up to a lot of entertainment and one of the most entertaining aspects of the whole weekend is the annual carnival the University Club puts on every Friday night before the big game.

The University Club is one of the many unsung organizations, which, regardless of the lack of publicity, continue to do an outstanding job here on campus. This annual carnival is the club's night to howl and in addition to make a little money to keep going through the busy fall quarter.

Most people take for granted the little athletic services rendered here on campus. They don't stop to think who arranges the pep rallies in the fall, or who sponsors the big Homecoming weekend during the football season, or who gets up the football caravan trips which have always been so expressive of Carolina spirit. These jobs and a lot of others are just a part of what the University Club does on campus.

One Of The South's First

The club can be right proud of its record in the past, too, for it was one of the first pep clubs in the South, coming onto the campus back in 1933. Since that time it has done a great job to boost Carolina spirit and Carolina in general. It has done such a good job that it has often served as a leader to many other schools in the South who were organizing a pep club. At the annual Southern Intercollegiate Pep conference club members are often asked, "What did you do at Carolina?"

In addition to the services mentioned above which make up the more glamorous side of the club, the University calls on it to aid in a lot of other things. When there is a shortage of ushers at basketball games, or say the Southern Conference Indoor Games, the University Club has always been ready to supply them. The club also takes care of visiting teams, seeing that they are well entertained.

One of the biggest and best undertakings of the club is the annual High School Day which it co-sponsors with the Monogram Club. This year's day was held last Saturday and the present president, Duffield Smith, still shows signs of weariness. The High School Day has proved to be a big public relations boost to the University and is welcomed yearly by the many high school students who attend it.

Carnival Tomorrow Night

But let's get back to the Carnival which will be held tomorrow night from 7:00-11:00. Like I say, it's always a lot of fun and financially beneficial to the participating organizations, too. The Club gives a permanent trophy to the organization having the most cleverly displayed entry and the competition for the trophy is usually pretty keep.

The Club sets aside a portion of Navy Field for the activities and by nightfall you usually can't tell the array of tents and booths from a professional carnival. The Ugliest Man on Campus is crowned at the carnival as an added attraction to the events.

All in all it gives the annual Blue-White weekend a good start and this year should be no exception. It's the University Club's way of carrying on a solid program from year to year and in addition is a lot of entertainment for a night.

teams except for Chi Phi will have teams in the 440 and 880-yard relays.

The field events will also start at 4:00 with action in the high jump, broad jump, pole vault, and the shot put beginning at that time. They will be run simultaneously with the track events.

The relay 880-yard will wind up the meet at 5:45 if everything goes according to schedule.

Langley Goes To 3rd Round Of Tourney

Special to THE DAILY TAR HEEL

PINEHURST, April 23—Jimmy Langley, sole surviving member of UNC's four-man entry in the North and South amateur golf tournament, advanced to third round competition here this morning. The High Point sophomore took the measure of Randall Ahern of Detroit, 1-up.

In this afternoon's third round Langley runs into the highly touted Billy Joe Patton of Morganton. Patton recently crashed the sports headlines by tying South African Champion Bobby Locke in the Carolinas Open Tourney.

Langley, who holds down the number three spot on the Tar Heel golf squad, defeated Dick Pollard of New Orleans, 7 and 6, in the opening round yesterday.

The other Carolina participant in the tournament, Bob Black, Jim Feree, and Bill Williamson were all eliminated in the first round. Black, the squad's number one player, lost to Frank Strafacci of Flushing, Long Island, 5 and 4. Williamson was dropped by Thomas Sarafaci of Brooklyn, 5 and 4 and Feree lost his match to Arthur R. Hoff of LaGrange, Ill., 2 and 1.

The tournament has produced two major upsets so far. Dick Chapman and Jimmy McHale, both members of the U. S. Walker Cup team, dropped their opening round matches by 1-up scores.
