

Connor, Zetes Cop Mural Track Titles

By Biff Roberts

Connor Dorm and Zeta Psi fraternity came through as expected yesterday afternoon to walk away with the championships in the annual Intramural track meet. Connor piled up 50 points in the dormitory division to defeat second-place Aycock by 13 points. The Aycock team had 37 points while Stacy was third with 8 and Winston fourth in the four-team field with 7.

The Zetes grabbed 45½ points to top ATO in the fraternity division. The ATO's had 26 points to barely edge Beta with 24½. The rest of the fraternities were strung out pretty well behind.

Kappa Sig had 12 points for fourth place and then came Phi

Kappa Sig with nine, Lambda Chi with 8½, SAE with 7½, DKE with four, Theta Chi with 3, and Phi Delt with 2.

There was a sparse crowd to watch the meet, made up mostly of contestants watching friends compete in other events. The threat of rain and its eventual coming had a lot to do with the small attendance and had intramural officials worrying the whole afternoon.

Eddie Brown of Zeta Psi was the high point man in the fraternity division. He won the 60-yard and the 100-yard dashes and also ran on the Zetes 440 and 880-yard relay teams which finished second.

Two Betas pushed him for in-

dividual honors. Dick Patterson won the three-quarter mile run and placed third in the 300-yard run for a total of seven points and Tom Wooten took first in the broad jump and a third in the 100 for seven.

ATO got 10 of its points in the two relays, winning both the 440 and the 880.

Ellis of Connor Dorm was high point man in the dorm division with 10 point. He took the high jump and the broad jump with ease to get the individual honor. Carroll of Stacy proved to be a one man team and took first in the 70-yard low hurdles and second in the broad jump for eight points, all that Stacy got.

The ATO's were defending co-

champions in the meet but neither they nor the Betas could cope with the depth of the Zete team. The fraternity winners had 22 men to reach the finals while ATO had nine and the Betas 10.

Connor and Aycock went into the finals on a pretty even basis, Connor with 22 men and Aycock with 18. Aycock had a good lead midway through the meet but Connor overtook them and went on to win handily.

Intramural Track Summaries

FRATERNITIES

60 yard Dash—1. Brown (Zetes), 2. Kelso (ATO), 3. Carson (Phi Delt), 4. Hart (ATO).
 70 yard High Hurdles—1. Cheek (Kap Sig), 2. Williamson (Zetes), 3. Owen (Zetes), 4. Byrely (Beta).
 ¾ Mile Run—1. Patterson (Beta), 2. Hughes (DKE), 3. Lowthrope (Phi Kap Sig), 4. Haines (Zetes).
 100 yard Dash—1. Brown (Zetes), 2. Kelso (ATO), 3. Wooten (Beta), 4. Gess (Zetes).
 300 yard Run—1. Bunting (ATO), 2. Brawner (Zetes), 3. Patterson (Beta), 4. Kendrick (Lamb Chi).
 440 yard Relay—1. ATO, 2. Zetes, 3. Phi Kap Sig, 4. Kap Sig.
 70 yard Low Hurdles—1. Thompson (SAE), 2. Parrington (Zetes), 3. Byrely (Beta), 4. Watts (Lamb Chi).
 800 yard Relay—1. ATO, 2. Zetes, 3. Beta, 4. Kap Sig.
 Pole Vault—1. Goodin (Lamb Chi), 2. Tie between Hanes (SAE) and McCollam (Beta).
 High Jump—1. Joyner (Zetes), 2. Mason (ATO), 3. Tie between Boren (Zetes) and Eberle (Lamb Chi).
 Broad Jump—1. Wooten (Beta), 2. Gess (Zetes), 3. Woods (Phi Kap Sig), 4. Ernst (ATO).
 Discus—1. Beaver (Kap Sig), 2. Council (Beta), 3. Marcinko (Theta Chi), 4. Toledano (DKE).
 Shot Put—1. Wallace (Zetes), 2.

DORMITORY

60 yard Dash—1. Ramos (Aycock), 2. 70 yard High Hurdles—1. McCollum (Aycock), 2. Gehan (Connor).
 ¾ Mile Run—1. Ransdell (Aycock), 2. Richardson (Connor), 3. Geisser (Connor).
 100 yard Dash—1. Jewell (Winston), 2. Ransdell (Aycock), 3. Issen (Connor).
 300 yard Run—1. Jones (Aycock), 2. Pate (Aycock), 3. Hinkle (Connor), 4. Gainer (Connor).
 440 yard Relay—1. Connor, Aycock Dorm disqualified.
 70 yard Low Hurdles—1. Carroll (Stacy), 2. Gehan (Connor), 3. McCollum (Aycock), 4. Ramos (Aycock).
 800 yard Relay—1. Connor, 2. Aycock, 3. Pole Vault—1. Adams (Connor), 2. Turner (Winston).
 High Jump—1. Ellis (Connor), 2. Hamrick (Connor), 3. Tie between Watts (Winston) and Jewell (Winston).
 Broad Jump—1. Ellis (Connor), 2. Carroll (Stacy), 3. Watts (Winston), 4. Adams (Connor).
 Discus—1. Pachares (Connor), 2. Gibson (Connor), 3. Latham (Aycock).
 Shot Put—1. Gregory (Aycock), 2. Rody (Connor).
 Miketa (Phi Kap Sig), 3. Winston (Zetes), 4. Marcinko (Theta Chi).

Fisher, Worth Win As Chi Psi Beats TEP And PiKA Trounces Pi Lam's

Pitcher Nick Fisher led Pi Kappa Alpha to a 14-1 win over Pi Lambda Phi in an intramurals contest yesterday, holding the Pi Lambdas to three hits in seven innings.

In another fraternity ball game, the Chi Psi's romped over TEP, 15-1, with Walker Worth holding the TEP's to six hits. The Pi Lam run off Fisher and the TEP run off Worth were both unearned.

The Pi Lam's combined a hit, infield out, and a long fly ball

Pi Lamb	1	0	0	0	0	0	0
FKA	4	0	0	7	3	x	
Rosenthal, Rosen and Wainer, Rosenthal, Fisher and Neely.							
TEP	1	0	0	0	0	0	0
Chi Psi	0	3	10	1	0	1	x
Rose, Rabhan, and Schwartz. Worth and Rhyne.							

to score their run in the top of the first inning to go into the lead, 1-0. The PiKA's squelched the rally before it could start and grabbed four runs in their half of the first to take the lead for the rest of the game.

The PiKA's went scoreless in the second, but the Pi Lam's yanked Rosenthal for Rosen and PiKA exploded for seven runs in the fourth and three more in the fifth to end the scoring.

TEP jumped into the lead in its game with Chi Psi, scoring a run in the first on a single and a good deal of confusion. Chi Psi scored three runs in the bottom of the second to take a permanent lead, when Worth doubled with the bases loaded. Worth became

more effective on the mound as the game progressed, with TEP getting nothing but scratch hits. Carl (Lush) Hill led Chi Psi at bat and in the field.

Open Evenings

the mouth that'll never be kissed

Until Bell Laboratories scientists design an electric mouth that can pucker, the human model is here to stay. But we have built a machine that can imitate human vocal characteristics—from the slate-pencil squeal of a girls' cheering section to the basso rumble in a men's dining hall.

Sound being a basic raw material of the Bell System, we have pioneered in the science of speech. Measuring the properties of your voice leads to better and cheaper ways to transmit it.

Keeping the world's best telephone system growing for our country is a big and challenging job. There are opportunities for college men with the right qualifications not only with Bell's corps of research scientists, but also in engineering, operations, and administration, with the Bell Telephone Companies and Western Electric, the System's manufacturing and supply unit.

Your campus placement office will be glad to give you more information.
