

Letters Rally To Edge Amherst, 5-4

Carolina Resumes Big Four Schedule In Game With NCS

Carolina's baseball team resumes its Big Four baseball schedule Wednesday afternoon at N. C. State, so far the Big Four school that the Tar Heels have managed to beat. The powerful Duke clinched the Southern Division and the Big Four Championship yesterday by defeating Wake Forest, so Carolina's only chance into the Conference play-

offs at Raleigh is to beat out State and Wake Forest for second place in the Division. Right now Carolina is fourth in the Division behind State and the Deacons, and only the two top teams in each division go to the playoffs.

The Tar Heels have beaten State in two of their three meetings, and the Wolfpack will be out to even up the count. In the first game, Carolina pitcher Bill Lore beat State in 14 innings. The Tar Heels went back to Raleigh two days later and were beaten, but Carolina took the third game at Chapel Hill.

Duke and the second place Southern Division team will meet the first two Northern Division teams for the Conference Championships. George Washington U. is leading in the north with a 6-1 record, and Richmond U. is second with 4-1.

Doubles Win Give Victory To Tar Heels

Special to THE DAILY TAR HEEL. AMHERST, Mass., May 5—North Carolina's tennis team won all three doubles matches here this afternoon to turn what appeared to be the Tar Heels' third loss of the season into a 5-4 victory over Amherst College.

After dropping the singles matches 4-2 to Amherst, the boys from the Tar Heel State put on a terrific rally, which saw them sweep the doubles play even though all three matches went to the limit of three sets.

Amherst had made a surprising showing in the singles. Ed Wesley started things off by completely outclassing Del Sylvia, Carolina's top man, 6-1, 6-3.

Then Darry Schliecher upended Herb Browne, 6-4, 6-4 and it looked like Amherst was about to join Duke and Rollins as one of the three teams to beat Carolina this season.

Bob Payne and Sam Handel evened the score in the next two matches, however. Payne had to go three sets before stopping Vince Townsend, 4-6, 6-1, 6-2, but Handel took an easy 6-1, 6-0 victory from Dave Mesker.

Amherst went back into the lead in the last two singles matches when Pete Sherwood dropped Bill Izlar, 6-2, 6-2, and John Wheeler defeated Ronnie Kerdasha, 6-2, 6-1. Then came the Carolina rally.

Handel Looks Good

Handel, who has been playing some of his best tennis of the year on the Tar Heel's northern tour, and Sylvia gave Carolina its first ray of hope by beating Wesley and Mesker, 6-2, 5-7, 6-1.

Then the two freshmen stars, Payne and Browne, evened things up by outrunning Schliecher and Sherwood, 6-4, 3-6, 6-2.

The number three doubles team, which has been Coach John Kenfield's biggest worry all season, then made the rally complete and gave the Tar Heels their 5-4 victory. Izlar and Kerdasha, who have been in and out of that position most of the year, looked

to have a chance in defeating

Wheeler and Kerdasha, 6-1, 6-1.

The Carolina team travels to Williams College for a match tomorrow.

Singles: Ed Wesley (A) def. Del Sylvia, 6-1, 6-3; Darry Schliecher (A) def. Herb Browne, 6-4, 6-4; Bob Payne (UNC) def. Vince Townsend, 4-6, 6-1, 6-2; Sam Handel (UNC) def. Dave Mesker, 6-1, 6-0; Pete Sherwood (A) def. Bill Izlar, 6-2, 6-2; John Wheeler (A) def. Ronnie Kerdasha, 6-2, 6-1.

Doubles: Sylvia and Handel (UNC) def. Wesley and Mesker, 6-2, 5-7, 6-1; Browne and Payne (UNC) def. Schlie-

Tommy Langley Leads Golf Team At Tourney

Led by sophomore Tommy Langley, Carolina's golf team finished in a fifth-place tie in the Southern Intercollegiate Golf tournament which ended Saturday.

The Tar Heels averaged an even 600 for the four low men to

The golfers will meet Wake Forest tomorrow at 1:30 on the Finley course in a match that was originally scheduled for April 26 but was postponed because of the Blue-White game.

finish behind the winning team from North Texas State, Georgia, LSU, Wake Forest, and tied with Georgia Tech.

The team title was decided over the first two rounds of play on Thursday and Friday with the individual championship not being decided until the final 36 holes on Saturday.

Langley, had rounds of 73-75-73-74-295. Only three other Tar Heels qualified for the final 36 holes on Saturday which was left open for the low 50 shooters after the first 36 holes.

Bob Black was next low with 77-73-74-75-299 followed by Lew Brown with 80-74-79-74-307 and Bill Williamson at 308 with rounds of 76-72-82-78. Williamson's round of par 72 on Friday was the best individual score for any Carolina player.

The Carolina team might have

Water Ballet

Show Tomorrow

"Gala Performance" is the name of the annual water ballet to be presented tomorrow night at 8:30 in the Bowman Gray Memorial Pool.

The show, a demonstration in synchronized swimming, has a "perfume" theme with each number presenting a different type of perfume.

Numbers to be presented are "Pink Coral" with Nan Reese in

the lead, "White Shoulders",

Pepper Stetson; "Straw Hat", Grace Doar; "Tigress", a solo by Carman Nahm; "Tabu", a duet by Beth Lloyd and Sue Ambler;

"Heaven Scent", Linda McCarroll, Bish Fox and Peggy Sears; "Jalousie", Johnnie Bennett and Peggy Sears; and the finale, "Gala Performance", with Louise Marks and Ann Osborne in charge. All club members will take part in this last number.

finished better in the team race if the first round scores had been better. The top four Tar Heels cut 12 strokes off their first round average on the second day's round but they were too far out of it by then.

The surprise of the tourney was Wake Forest's finish in fourth position. The Deacons had been relegated to third place behind Carolina and Duke in Conference play but they finished ahead of both teams. Duke was in seventh place, 11 strokes behind Carolina while the Deacs came in four strokes ahead of the Tar Heels.

Dick Tiddy, of Wake Forest made the best individual showing for a Southern Conference golfer, finishing in a tie for fourth. He was one stroke under par with rounds of 70-73-72-72-287.

Betty Hurls A No-Hitter As Zetes Win

With Edgar Betty turning in his second consecutive no-hit pitching performance, the number one team of Zeta Psi defeated Delta Kappa Epsilon's number one crew 16-1 yesterday afternoon in the fraternity division of intramural softball.

The game required only four innings to complete.

Betty, who had previously spun another no-hitter last Tuesday, fanned seven batsmen while holding the DKE's hitless. His only weakness was a slight lack of control.

The Zeta batsmen clubbed out 15 hits, including four of the extra base variety. Tom Gregory was the leading hitter for the winners, with a double and a home run in four appearances at the plate.

Marsden deRossett pitched all the way for the DKE's and was tagged with the defeat. Erratic

pitching hampered deRossett's hurling performance.

Murals

Trials will be conducted this week for players wishing to compete in the Big Four Sports day to be held on May 13. Table tennis, volleyball, horseshoes,

EUGENIC STERILIZATION

WHY IS IT NEEDED?

The responsibility of parenthood requires a sound mind and a healthy body. Even though some children are born to mental defectives may possess normal minds, they are seldom given the training needed to produce well balanced adults who will be an asset to the community.

More than half the hospital beds in this country are occupied by mentally ill or mentally defective patients, and overcrowded institutions cannot begin to accommodate their increasing numbers. (In Connecticut 1500 mental patients produced 498 defective children while they were waiting admission to state institutions.)

A White House Conference on Child Health pointed out: "There should be no child in America that does not have the complete birthright of a sound mind in a sound body, and that has not been born under proper conditions."

Eugenic Sterilization can help to attain this goal.

WHEN SHOULD IT BE USED?

- Whenever lifelong protection from parenthood is needed;
- Whenever mothers need permanent protection from a pregnancy which would be fatal;
- When children must be shielded from being born to a heritage of insanity or feeble-mindedness;
- When defenseless children must be saved the suffering and unhappiness of being brought up by an insane or feeble-minded parent.

WHAT EFFECT DOES IT HAVE?

The person sterilized, whether man or woman, can detect no effect except that children are not born. The sexual characteristics remain unchanged. Sterilization permits many persons with mental deficiency to live outside the institutions, to enjoy a measure of independence, and to marry without the psychological and economic overload of parenthood and child care.

The effect on the community is far reaching: Sterilization reduces the number who must live in our overcrowded, understaffed institutions; it decreases the number of children who must be taken from insane or feeble-minded parents to be raised in foster homes at public expense; it protects the next generation from a needless and tragic heritage.

HOW IS IT PERFORMED?

Sterilization in both men and women is performed by tubectomy—the closing of the tiny tubes through which the life-producing cells must pass in order to unite. Nothing is removed from the body.

The male operation—vasectomy—is extremely simple and can be performed under local anesthetic in a doctor's office in ten minutes or less.

Sterilization in women—salpingectomy—requires an abdominal incision not more than two inches long.

The risk in either operation is slight, there is no mutilation and the individual's emotional life is in no way altered. There is no change in physical appearance nor in voice tone.

WHERE IS IT LEGAL?

Sterilization is legal in all states. Twenty-seven progressive states and Puerto Rico provide for the sterilization at state expense of persons suffering from insanity or feeble-mindedness which may be inherited by their children. These states are:

Arizona	Iowa	Nebraska	South Dakota
California	Kansas	New Hampshire	Utah
Connecticut	Maine	North Carolina	Vermont
Delaware	Michigan	North Dakota	Virginia
Georgia	Minnesota	Oklahoma	West Virginia
