# Milton, Brigham Receive Outstanding Athlete Awards

## Swimming Co-Captain Gets Joseph F. Patterson Medal

by Biff Roberts

Cecil Milton, pre-med senior from Albemarle, is this year's recipient of the Joseph F. Patterson Outstanding Athlete medal, the highest athletic award a Carolina student can receive.

And the E. J. Evans Outstanding track squad, presented annually by the former Tar Heel track man and present mayor of Durham, goes to Gene Brigham, newly crowned Southern Conference 880 champion.

Milton, a letter-man on both the swimming and tennis teams,

### Pool Hours

Coach Dick Jamerson has released the following outdoor pool schedule: Saturday, May 24—12-5; Saturday, May 31—12-5; Sunday, May 25—2:15-5; Monday, June 2—12-4.

The pool will be closed from June 3-10, Jamerson announced. Pool hours will be 1-5 on all days except the forementioned—children allowed at the pool Saturday and Sunday only, until after June 10.

has compiled an outstanding record in his four years here. A self-help student, he co-captained this year's SC champion swimming team. He has twice won the Dick Jamerson award as the outstanding member of the team, first as a freshman and this year as a senior.

Milton won the 440 Southern Conference freshman title in 1949 and took the 220 and 440 in the regular conference meet in 1950.

### Tennis, Too

As a tennis player Milton has been just as proficient. He won five matches and lost one this past season while playing singles matches for the league's champions.

Brigham, who defeated defending titlist Al Buehler of Maryland last weekend at the SC meet here, is a graduating NROTC student from Miami, Fla. He will go into service immediately after graduation.

Formerly a 440 man, he hurt his ankle in the first meet of the season against Princeton, and was forced to drop back to the 880 which would be easier on his leg. His marked improvement during the year was culminated when he edged Buehler in the Conference finals. His time was 154.7, the fastest in 12 years for the event.

### McDonald Winner

The Patterson medal was first awarded in 1924 when Dr. A. M. (Monk) McDonald of Charlotte, one of Carolina's all-time greats was honored. Jim Thomas, All-America swimmer, was the winner last year.

The Evans trophy has been awarded the past four years. Weight-man Bob Seligman was the first winner; javelin thrower Bob Kirk in 1950; and Garrett Fitzgibbons last year.

The Patterson medal is award-

## John Kenfield And Tennis Team Finish Another Successful Season

by Vardy Buckalew

The busiest team in Carolina spring sports has wound up its season with one of the best records in its history. The tennis team, coached by venerable John F. Kenfield, ended its 25 match schedule with a 23-2 record. The team also added to its laurels considerably by sweeping the singles and doubles titles in the Southern Conference tournament.

One of the brightest spots in this year's season is the fact that the whole team will be back next year. Of the six regulars on the team, two are juniors and the remaining four are freshmen. With this past year of experience under their belts, next year should be even better than this.

The best individual records for the season were turned in by Bob Payne and Sam Handel, both freshmen, and playing third and fourth positions respectively. Their records were 22 wins apiece and three losses. It was this part of the lineup, the middle, which was the strongest on the team, as the record shows, and it was this part which pulled the team through in several important matches.

The next best record was held by Del Sylvia, number one man, and newly crowned singles champ of the Southern Conference. Sylvia, of course, was up against the toughest players in every match and his record of 20 wins and 5 losses is very credit-

### Sweater Winners

Sarge Kellar made a final plea yesterday for monogram and numeral winners to get their sweaters.

Those eligible for the freshman numerals should see him at once at Woolen Gym. Monogram winners should go by the Carolina Sports Shop as soon as possible to have measurements taken.

ed to the senior excelling the most in athletics, sportsmanship, leadership, and scholarship. Milton's average for his four years here is just a shade under 90.

able\* considering the caliber of the opposition.

Sylvia's five losses came at the hands of Stan Drobac of Michigan State, Alfredo Millette of Rollins, number one Davis Cup player for Mexico, Tom Boys of William and Mary, Ed Wesley of Amherst, and Dick Squires of Williams. Sylvia lost to Drobac in three sets and the match could have gone either way. Boys beat Sylvia in straight sets in the regular season but in the finals of the Southern Conference tournament Sylvia rallied to beat him in five sets. Sylvia beat Squires in their first match in Chapel Hill but lost to him in the return engagement in Williamsburg.

Other individual records were Herb Browne, 17-6, Bill Izlar, 19-5, and Ronnie Kerdasha, 12-12.

In the doubles, the top Carolina combination was that of Browne and Payne, the new champions of the Southern Conference, and incidently, the first

pair of freshmen ever to accomplish the feat. Their record was 20-2.

Sylvia and Izlar played together during the first part of the season and ran up an 8-0 record before Izlar was moved to the number three doubles to plug up a weak spot. Handel was moved up to play with Sylvia and they compiled a record of 11-2. They also went to the finals in the conference tournament where they lost to Browne and Payne.

The only team losses during the season were to Duke, by a 5-4 score and to Rollins, perhaps the best team in the country, by a 9-0 score. The afternoon of the Rollins match, Browne was out with a slight case of the measles, and so the team was not at full strength. It is doubtful if Rollins could have beaten with Browne in the lineup, but certainly the defeat wouldn't have been as bad.
