

'Coach Bob' Takes Over New Duties

Fetzer To Be Foundation Secretary

"Coach Bob" Fetzer, Director of Physical Education and athletics since 1923, began new duties yesterday as Executive secretary of the Morehead scholarship foundation. His physical education post was taken over by Oliver K. Cornwell and Charles P. Erickson. Cornwell will serve as chairman of the Department of Physical Education and Athletics and Erickson will take over as director of athletics.

Since coming here in 1921 as football coach, Coach Fetzer has directed the building of North Carolina's athletic and physical education program into one of the nation's finest and most respected.

Since his arrival, the University's program has increased to embrace 13 intercollegiate sports and the vast intramural program had more than 2,000 students taking part in its activities last year.

As track coach Fetzer saw his teams win 14 of 28 outdoor Southern Conference championships and 12 of 17 indoor titles. He founded the famed Southern Conference Indoor Games. He turned out 99 individual Southern Conference indoor track champions and many well known performers.

Fetzer was honored at an informal supper by the members of his staff four weeks ago and at a formal 25th anniversary celebration on June 7, 1947.

Coach Casey; Swimmers Go To Trials

Jim Deweese Is Gridiron Prospect

by Tom Parramore

Ed. Note: This is the third in a series of sketches on Carolina's prospective football candidates. Bear them in mind, for it may well be that among these will be the stars of the future.

Football prospect of the week is a husky freshman from Waynesville, N. C. James Deweese. This versatile star has just completed four years as the scourge of the Blue Ridge conference and now hopes to turn his attention and talents toward Southern conference competition.

As captain of Waynesville's football team last year, Deweese blazed out of his fullback position for twenty touchdowns in leading his team to the conference championship. It was the third time in four years that Waynesville had come out on top. Touchdown romps by Deweese averaged 36 yards. He also scored six extra points and tossed four touchdown passes. Later in Paper Bowl Waynesville ripped through a crack outfit from Newbury, S. C. by a score of 20-13.

Deweese was named to the Blue Ridge all-conference team in football for three consecutive years, and made the Western North Carolina all-star team for two years. He played in the Optimist Bowl and has accepted an invitation to play in the East-West game.

Between football seasons, Deweese kept in shape by playing baseball and track. He established a 50-yard meet record during High School field day at WCTC when he streaked the distance in .05:8 seconds. He holds other records in the 100-yard dash and 100-yard medley. He plans to try out for Carolina's track squad next spring.

Buddy Heins Praised For Exhibition

Sports scribes throughout the state are lauding Buddy Heins' brilliant display of talent last week in the 150-yard medley relay held in Kessing outdoor pool.

Swimming the anchor leg for the trio composed of All-America Jimmy Thomas and Southern Conference breaststroke champion Barry Wall, Heins, a young freestyler for the Tar Heel team, gave out with a strong sprint that insured the success of the trio in breaking the American record. The new mark is 1:20.9 as compared with the old mark of 1:21.1.

Heins from Sanford, continued the sizzling pace set by backstroke ace Thomas and Wall, and was largely responsible for the fine showing.

The crowd witnessing the exhibition meet received an additional thrill when Donnie Evans of Charlotte just missed breaking Johnny Weismuller's 200-yard freestyle American record of 2:01.2. Evan's mark was just two-tenths of a second shy.

Bob Brawner, Princeton breaststroke ace was four-tenths of a second short of breaking his own American record of 2:41.4 for the 220-yard breaststroke.

Thomas, Brawner, Evans, and Jack Edwards left Sunday for Flushing Meadow, N. Y. where they will compete in the Olympic swimming trials. The first three men in each event will automatically qualify for the Olympic team.
