

Chuck Simmons Wins Olympic Berth

Bill Albans Finishes 4th In Field Of 13

Floyd "Chuck" Simmons, former Carolina hurdles ace, who finished third to Bob Mathias in the decathlon in the 1948 Olympic games, collected 6,804 points in the recent olympic trials thereby gaining a berth on the U. S. Olympic decathlon team.

The veteran Simmons' fine showing gave him a third place finish behind champion Mathias, 7,825 points, and Milt Campbell, Plainfield, N. J. high school star with 7,055 points.

Bill Albans, all-around track star for the Tar Heels several years ago and now running mate of Simmons on the Los Angeles Athletic Club team, finished fourth in a field of 13 with 6,628 points.

Albans was almost assured of a berth until he injured his right wrist in the pole vault. The injury caused Albans to lose ground to Simmons in the javelin and to drop out entirely in the 1,500-run.

Mathias' total of 7,825 points set a new world record and won the outstanding athlete his fourth American championship, also unequalled. He won the U. S. title in 1948-49-50-52, and took top honors in the 1948 games at the age of 17.

The six-foot-two, 200 pounds star bettered his previous decathlon marks in all but the pole vault and the 1,500 run.

These are the marks established by Mathias in the two-day trials:

100 meters—0:10.8; Broad jump—23-5¼; shotput—49-10½; high jump—6-2¾; 400-meter run—0:50.8; 110-meter high hurdles—12-3¾; javelin—193-10¾; 1,500 meter run—4:55.3; discuss—157-11½.

Tar Heel Tennis Duo Shines At NCAA Meet

A couple of Carolina tennis players were the toasts of Evanston, Ill., for a couple of days two weeks ago when the national intercollegiate net championships were in progress.

Herbert Browne, Jr., and Bobby Payne, Tar Heel freshman aces, displayed unexpected power to reach to quarterfinals of the NCAA meet before being knocked from contention by the top seeded tandem of Bob Perry and Larry Huebner.

The Southern Conference champions climaxed a brilliant season in the big event. In dual meet competition Browne, a Columbia, S. C., lad, who was the 1950 national interscholastic champ, and Payne, a Richmond, Va., State champion, won 20 of 22 doubles matches. The freshmen played as the Tar Heels' number two team throughout the campaign. However, in the loop championship meet at Davidson they won the title, the first in Southern Conference history captured by freshmen, from teammates Sam Handel and Del Sylvia, who played a notch above them all season.

Following the Conference meet the yearlings played little tennis until a week before the NCAA meet. At Memphis they looked good in the Southern championships and both were particularly strong in singles action.

Browne and Payne were tough in the early rounds at Northwestern and surprised the experts by reaching the quarterfinals. But

their defeat by Perry and Huebner, 6-2, 6-1, was expected. Later the U. C. L. A. duo was upset by California's Cliff Mayne and Hugh Ditzler in the finals 7-5, 4-6, 7-5, 6-3, in an outstanding display of tennis artistry.

Earlier in the day Perry, seeded number two in singles play, lost to Southern California's Hugh Stewart in the finals of that bracket.

On the basis of this year's play, there's a good chance that the youngsters will go into next year's meet in a high ranking seeded position.

Poor Week For Tar Heel Graduates

Tar Heel graduates in the world of sports failed this past week to live up to expectations, as Vic Seixas, nationally-ranked no. 1 amateur tennis player and Jimmy Thomas, backstroke swimming ace, fell out of the money against tough competition.

Seixas, the former Carolina net captain and Southern Conference singles champion from Philadelphia, teamed with Eric Sturgess of South Africa in losing to Frank Sedgman and Ken McGregor of Australia in the doubles finals (See GRADUATES, page 4)
