

B.S.U. Members Party Tomorrow

The boys who wear the Blue and White Saturday afternoon in Kenan Stadium may not know it but their showing in the Texas tilt will have an important bearing on the Carolina Baptist Student Union. If the Tar Heels win, B. S. U. members, guests, and visitors will hold a victory party. If the Texans triumph, the affair will be one of consolation.

Win, lose, or draw, the social event will be held at 7 o'clock in the Baptist Church.

New faces, new sorority houses, new Tar Heel—and we've got lots that's new in this department too. Good to be back and get the word on all you people.

First of all, many congratulations and best wishes to Rolfe and Rosemary Neill who were married this July. Mrs. Neill is the former Rosemary Boney, a WC graduate from Clinton, N. C. and Rolfe, Tar Heel managing editor, is a Phi Delt from Columbus, Ga.

And many more join the ranks. From the Sigma Nu house, Bill Isler of Miami married KD Donna Hauck of Aberdeen, S. D. Chi O Joan Palmer, McKeesport, Pa. and Sigma Nu Al Donald of Ridgwood, N. J. will be married Oct. 18.

From the ATO's over at the Snake Farm (well that's what the sign on the front of the house says) we have a new idea—a hang-over room. It's said to be painted with stripes and hideous colors for people with hideous heads.

TEP's are wasting no time getting started on the parties. They had a get-acquainted beer party last nite for the Lambda Chi's, Theta Chi's, ATO's and AKP's. They're also planning a big 'un after the Texas game.

Wearing the SAE pin of Cart Carmichael, Durham, is Doris Morris, also of Durham. Congratulations to Mr. and Mrs. Chuck Haywood. She's the former Betty Bowles, Chi O. Both are from Statesville.

A wedding on schedule for this week is that of Beta Bill Rand, Carlisle Pa. who'll marry Betty Allison, Statesville. Seems like the Beta's have certainly had their share of these weddings. Few more were Bill McLinden, Greensboro, who married Ann Whittington, Charlotte, and Bill McKay who married Clara Howell. Both are from Fayetteville.

Another SAE got married—Scotty Cramer, Charlotte, and Nancy Arnott, New Haven, Conn.

Chi Omega's are mighty proud of that new house of theirs—and have a right to be. It's at 307 Franklin.

The Tri Delt's will be changing their location about December. They'll move to West Cameron. There's much news in that house too. Tri Delt Sally Trowbridge, Ft. Lauderdale will marry Phi Delt George Blackwelder, Hickory, in December. Pat George, Chapel Hill, is now Mrs. John Dortch. John's a Kappa Sig from Camaguay, Cuba. Also Carol Cantrell, Etouah, Tenn. married Jim Camp of Danville, Va. He's backfield coach of the UNC football team.

And flash from the Philosophical Society of 1779 (alias the "Ugly Club"). It will have its first meeting of the year Sunday, 1 o'clock at Hogan's Lake.

Another partying crew. The Chi Phi's will have a small party at the Saddle Club in Durham this aft. Tomorrow their alums are invited to a party at the house after the game.

Saint A's will have all grads over after the game for a party and the Kappa Psi's are entertaining with an open house after the game.

Kappa Psi Ralph Ashworth, Fuquay Springs, pinned Daphne Adams, WC, also of Fuquay Springs.

Deke Lee Wiley (you'll meet him, new coeds) will entertain the brothers and their dates at a cocktail party and dinner after the game tomorrow.

And here is news. A Deke got pinned. Jean Summers, a St. Mary's girl from Raleigh is wearing the pin of Tommy Stokes, also Raleigh.

ADPT's entertained the Chi Psi's with an informal get-together at the ADPI house.

Jenny Polk, Tri Delt of Atlanta is now Mrs. Dave Finch. Dave is a Phi Delt here and is from Zebulon.

Another after-the game party is scheduled by the Phi Delt's. They're expecting quite a few alumni to be there.

Sigma Nu's Stan Smith and Al Poppleton had the distinction of being the only boys to attend the YWCA tea Tuesday. In fact, they wrote name cards for all the new coeds!

Phi Gam Kenton Cruesser is engaged to Duke coed Jackie Brownlee of Atlanta.

More yet. Phi Kappa Sig Mike Hogan married Helen Malloy this summer. They're both from Philadelphia.

Lambda Chi alums will be entertained with a homecoming party after the game tomorrow.

Chi Phi Norman Hullyrde of Gastonia married Ann Bergh of Limestone this summer and Frank Kinard, Newberry, married Mary Mac Neese, Durham.

Well, this Sigma Chi list beats all. Bob Henning married Joan Davis and Arlin Harris married Lois Clark. These are only the Winston-Salem ones. Last year's UNC quarterback Skeet Hesmer married Mabel Taylor of Kinston, N. C.; and Rod McKnight married Betty Jean Lorange, Charlotte. Engaged are Buddy Pope, Mt. Olive and Connis Edwards, Snow Hill; Kemp Clendenin, Greensboro and Addie Belle Clemmons, also of Greensboro; and Junior Seawell, Ashboro and Patty Krutz.

The Sigma Chi's will have a pre-game party tomorrow a.m. at the Carolina Club.

Vice president of Theta Chi Neil Glenn is now married to Virginia Jones, Mt. Olive.

Phi Delta Chi's will have a farewell party this weekend for alum Bill Randall.

Zeta Beta Tau's will also party after the game and have a buffet supper. More news from that direction is the engagement of Joan Bierman, Miami, to ZBT Barry Colt of Maplewood, N. J., and new ginups Ted Frankel, Atlanta and Sedelle Simons of WC. Also pinned are Jim Buyer, East Orange, N. J., and Audrey Reheis, Newark, N. J. She's a student nurse.

Zeta Psi Jimmy Barnes is pinned to a St. Mary's girl, Katherine Whitford, New Bern.

Wearing diamonds at the Pi Phi house are Joyce Dickman, Arlington, Va. who's engaged to Jack Keller, ATO from Princess Anne, Md., Helen Gustafson who became engaged last week to Warren McChesney (both of St. Petersburg, Fla.) and Alice Hazlett, Chapel Hill, engaged to Jonas Kessing Chi Psi, also from The Hill.

Dean Of Law Is Speaker At Reception

Dean Henry P. Brandis of the University of North Carolina Law School was the principal speaker at the law association reception held last night in the law school courtroom.

The reception was held as a part of the law school's orientation program. All law students, their wives and guests were invited to attend.

Dean Brandis introduced the faculty and staff members.

Other speakers were Hershell Keener of Lenoir who discussed the Law Review, Bernard Crowell of Hendersonville who spoke on the legal fraternities, and Mrs. James R. Trotter of Chapel Hill who discussed the Law Wives Association.

Miss Alice Forsythe of Greensboro was in charge of arrangements for the reception.

Glee Club Tryouts To Be Next Week

Tryouts for the men and women's glee clubs will be held on Monday and Tuesday respectively at 5 o'clock.

There will be two meetings each week for both groups. The men will meet on Monday and Wednesday and the women will meet on Tuesday and Thursday.

This year's officers are Eddie Hickman of Enfield and Pat Adyette of Elizabeth City, the men's and women's presidents respectively. Sally Sente from Chapel Hill is the executive secretary for the combined clubs.

Many plans have been laid for the coming year. Some of the plans are the University Day Concert, a Christmas Concert, and a possible concert at State College. Also the Glee Clubs plan an extensive tour of eastern North Carolina during the winter quarter.

Mossadegh Gives Britain Ultimatum

LONDON—Premier Mohammed Mossadegh of Iran has given Great Britain a 10-day ultimatum to accept his terms for settling the Anglo-Iranian oil dispute, the Foreign Office said yesterday. Mossadegh did not say what action he would take if Britain did not comply.

While You Were Away

During the Summer your old pals at the Intimate Bookshop have continued their search for good reading at moderate prices. Here are a few we've nicked off for your temptation:

Incredible Tale—by Gerald W. Johnson. The story of the Average American in the first fifty tumultuous years of this century. Published at \$3.50. Our Special\$1.00

Doppelgangers, by H. F. Heerd. The author of "A Taste for Honey" has turned out a swell bit of psychological science-fiction. Published at \$2.75. Our Special\$1.25

Harvard Advocate Anthology Here's an encouraging collection including the undergraduate writings of Franklin D. Roosevelt, John Reed, Conrad Aiken, T. S. Elliot, Norman Mailer and a host of others who once sweated out the same sort of exams you'll be facing in a month or so. Published at \$5.00. Our Special\$1.89

Dictionary of Word Origins, by Joseph T. Shipley. An authoritative guide to the better use, understanding, history and background of the English language. Published at \$5.00. Our Special\$2.49

Benjamin Franklin's Autobiographical Writings, selected and edited by Carl Van Doren. The famous Autobiography amplified and carried forward to the time of Franklin's death by the use of letters and other autobiographical writings. Published at \$6.00. Our Special\$1.25

Four Portraits, studies of the Eighteenth Century by Peter Quennell. Portraits of James Boswell, Edward Gibbon, Laurence Sterne and John Wilkes. An outstanding English import. Our Special\$1.25

That Old-Time Religion by Archie Robertson. From the Button Baptists to Father Divine this book follows the development of personal religion, with sympathy but not without humor. Was \$3.00. Our Special\$1.25

The Promise by Mildred Cram. Here is a tender, slightly sentimental story. It's so short you can read it in a half-hour's browse, but to read it is to want it always! Published at \$1.50. Our Special75c

MODERN TRIANGLE

A BOY...A GIRL...TV

Let's face it. Living rooms are still in style. But a third party is inching its way in to form a crowd.

And no wonder. Few can resist this miracle that has brought the world and set it down in front of you. Living history, flowing past your eyes. Politics. U. N. sessions. Sports. Spot news. Personalities.

We in the Bell System help to put you in this front-row seat on history. Bell Laboratories research contributed to TV development. Now our radio-relay systems and coaxial cables carry the images between cities and across the country.

Our part in TV transmission is only one among dozens of activities that keep us in the front line of modern communications. They are all reasons, we believe, why college people should find out what the Bell System has to offer in the way of opportunities.

Why don't you ask your college placement office about it?
