## NEWS IN BRIEF

NEW YORK — President-elect Dwight D. Eisenhower announced yesterday that he had picked three members of his cabinet—John Foster Dulles of New York, Charles E. Wilson of Detroit, and Gov. Douglas McKay of Oregon. Eisenhower announced that following his inauguration he would send to the Senate the nominations of Dulles as Secretary of State; Wilson as Secretary of Defense, and McKay as Secretary of the Interior.

WASHINGTON — President Truman said yesterday he is very happy over Gen. Dwight D. Eisenhower's views on the Korean prisoner of war issue, and declared "this country is a unified organization in its policy toward the rest of the world." In his first post-election news conference—his first in fact since Sept. 25—Truman laid emphasis on unity and on the effort to make the shift of power to President-elect Eisenhower as smooth as possible.

OXFORD, N. C. — A violent short-lived tornado struck the Oak Hill School community near here Wednesday night, destroying six buildings and causing \$400,000 damage. The 15-room consolidated Oak Hill School was wrecked by the violent wind. Oak Hill is in Granville County, about 15 miles north of Oxford. Striking before midnight, the tornado cut a swath of destruction about 600 yards long and 400 feet wide.

## One Race Holds Key To Control

By Louis Kraar  
The runoff election between Frank Plott (SP) and Gerry Wagger (UP) was the issue of importance among campus politicians yesterday as both parties sparred for a legislative majority.

The Student Party has 25 legislators, including two double endorsed and one independent candidate who lean toward SP, as a result of the election. The University Party has 24 legislators, counting five double endorsed candidates who are UP inclined.

The race between Plott and Wagger in Men's Dormitory District IV will hold the key to the battle. If Plott wins, SP will have a majority of two and if Wagger wins, UP will have the same number legislators as its opposition.

Both SP and UP leaders are putting their heads together to further the campaigns of their respective candidates. The runoff race is slated for Tuesday, according to Jerry Cook, chairman of the Elections Board. The decision will be up to the residents of Mangum, Manly, Emerson Stadium, Joyner, Grimes and Ruffin who make up the district.

Cook announced the following were elected because their opponents who would have been in a run-off with them did not submit requests for the runoff: Scott Hester, freshman seat on Men's Council, Herb Browne, sophomore seat on Men's Honor Council, and Bill Patterson, junior seat on Men's Honor Council.

Mary Bumpous, Carolyn Johnson, Mary Kit Myers, Nancy Shaw and Peggy Trotter will compete for two junior seats on the Women's Council on Tuesday.

## Morehead Financial Aid Is Available

The John M. Morehead Foundation yesterday invited graduates of North Carolina universities, colleges and junior colleges to apply for Morehead Graduate Scholarships for 1953.

Application papers may be secured from the University Scholarship Office, 302 South Building. The completed applications are due Dec. 15, 1952.

All nominees from UNC must be members of the current (1953) graduating class, Chancellor Robert B. House said. Only male students who have completed the requirements for a bachelor's degree from UNC, as a member of the class of 1953, will be considered, he said.

The bases of selection are scholastic ability and attainments; qualities of manhood, truthfulness, courage, devotion to duty, sympathy, kindness, unselfishness and fellowship; evidence of moral force of character and of capacities to lead and to take an interest in his schoolmates; and physical vigor, as shown by interest in competitive sports or in other ways.

The Nominating Committee of the University, appointed by Chancellor House, will make its nominations on Jan. 15, 1953. The Trustees of the John Motley Morehead Foundation will announce the 1953 Morehead Scholarship Awards early in 1953.

Nominating committee members for the University are Chancellor House, chairman; Prof. D. D. Carroll, vice chairman and Deans T. H. Carroll, Clifford Lyons and Guy B. Phillips.

The value of a Morehead Graduate Scholarship for each college year is \$1500. Undergraduate scholarships are valued at \$1250.

## Beat Dook Floats Roll Today Bid-By-Kiss Male Mart Is Set

### Pore Critturs Fleeing Sadie In Big Doins'

Every Coed Has Her Day, Ladies This May Be It

By John Jamison  
Dogpatch Editor

Now, you've done it, men. Just by getting out of bed this morning, you miserable, shivering, cow-eyed, turnip-eating bachelors have risked your cherished liberty.

For you see, men, sun-up today marked the beginning of Sadie Hawkins Day.

"I hereby declare and assert," declared and asserted President Ham Horton, "Friday the 21st of November, 1953, to be Sadie Hawkins Day, on which occasion it shall be legal and moral for each and every Chapel Hill coed to take, seize, capture, kidnap, attack and attach any male of the aforesaid town, and that this Sadie Hawkins Day shall begin at dawn and end at sunset the 21st. Hereunto have I set my hand and seal of office, this the 20th day of November, 1952. Ham."

All this legal talk means the following perpetrations are going to be perpetrated on Carolina men today:

After having sneaked around to their classes this morning, these unmarried wretches are going to watch the Dook Float Parade at 3 o'clock from any reasonably safe vantage point (e. g. hollow trees, garbage cans).

When the parade is over, eleven of these unhappy critturs are going to be rounded up in the Y Court and auctioned off to hundreds of screaming, clawing coeds. The medium of exchange for the auction will be human kisses.

Carolina men to be put on the block are Biff Roberts, Ham Horton, Bill Williamson, Sidney Hoots, Walt Dear, Lou Brown, Billy Evans, "Brother" Crawford, Fred Hutchins, Jones York and Ed Gross. Jim Wilkinson will be auctioneer.

The quadrangle behind South Building will be the scene of a three-legged race, a wheelbarrow race and a one-legged race.

Then comes the big foot race to determine how many of these whining males will lose their bachelorhood. A whole passel of unmarried women will be turned (See MEN, page 4)

## Coed Poisoned As Mock Trial Slated

By Tom Parramore  
Coed Sally Guerry's scream pitched second McIver into a temporary panic yesterday afternoon as she walked into her room and found her roommate Carman Nahn dead on the floor.

An autopsy conducted at the hospital late yesterday revealed that the popular coed had died of poisoning by potassium cyanide.

Miss Guerry's statement af-

ter she had been questioned was:

"I came home from lab to get my mail. I went upstairs and stopped in Barbara Reed's room. Then I got a phone call and went to my room to get ready for a date.

"I walked in the door and Carman was on the floor. I screamed and called Sue Ambler and Sue called the ambulance and got Mrs. Cook (house-mother)."

Thus, began the Law School's annual mock trial. Sponsored by Phi Alpha Delta, the law fraternity, the trial will be held in the law courtroom on Dec. 5.

Seems that Miss Nahn was helping the future lawyers to put one over on McIver residents so everything would seem as real as possible.

## Dog In Solitary After Biting Coed

"George", the campus collie, got run in by the Chapel Hill Police Department yesterday.

The Collie, who was treated at the veterinarian's office several weeks ago after being shot in the face, allegedly bit coed Harriet Hill. "George" will be confined for 14 days while he undergoes tests for the rabies. He is residing again at the veterinarian's.

The coed could not positively identify the dog as "the one called George." Investigating policemen, however, said the collie was "George."
