

# Sigma Nu Takes Grid Crown; Soccer Team Bows

## Winners Cop 12-8 Title Game

By Everett Parker  
The powerful and tricky Sigma Nu's, led by Gene Shaw and Billy Duke, turned on the steam in the last half of a close contest to defeat a determined Sigma Chi squad, 12-8, yesterday afternoon for the Fraternity tag football championship.

After a close first half which ended in a 6-6 deadlock, the winners scored on a pass from Gene Shaw to Bob Hewitt to go out in front to stay. Using an array of deceptive plays, the Sigma Nu's fooled the defensive secondary completely by sending Hewitt into the end zone while Billy Duke handed off to Bill Harrington who in turn passed short to Shaw. Shaw turned and passed to Hewitt in scoring territory.

Soon after the winners scored their last touchdown, the Sigma Chi's came back to score a safety and get back into the game. The safety was scored by Fred Dale who caught Duke in the end zone. With the score resting at 12-8, the

AN ALL-TIME RECORD of 18 inches of snow hit Knoxville last Saturday but it didn't stop the annual grudge battle between Tennessee and Kentucky. Giant Vol tackle Doug Atkins (91) is shown here crashing the Wildcat line to block a first-period Kentucky field goal try. The Wildcats staged a fourth-period rally to tie the favored Volunteers. 14-14.—NEA Telephoto.

Sigma Chi's could never get another rally going. The game started out as a battle against the strong defenses of both teams but the tide soon changed as the Sigma Nu's passing attack began to click. Duke passed to Hewitt for the game's first score and gave the winners a

short lived lead. Harrington missed the extra point. With the score 6-0 against them, the Sigma Chi's began to come to life. The tying score came late in the first half on a pass from Don Evans to Dale to tie the score only to miss a chance to go ahead when John Fountain

blocked the try for the extra point. Sigma Nu, receiving the second half kickoff from the Sigma Chi's, almost went all the way for a score but was pushed back by a strong defensive line. After this stand the losers scored their only touchdown.

## UNC Booters End Season In 5-1 Loss

By Paul Cheney  
The Carolina soccer team was overpowered by a surprisingly strong Cherry Point Marine eleven on Fetzter Field yesterday afternoon, losing to the Leathernecks, 5-1. This was the closing contest of the current season for the Tar Heels.

After a scoreless first period, the Marines poured through three goals in the second quarter to take a commanding lead in the game. Roy Taylor scored the first marker early in the period, with an assist from Perry Sentementes. Shortly after Taylor's marker Sentementes tallied, with Lou Zeither assisting. Taylor made his second score of the period just before halftime intermission.

Cherry Point continued to dominate the offensive play in the third period. Inside right forward Jim Cacciatore got the fourth Marine marker soon after the half. Sentementes ended the Leatherneck scoring in the fourth period, with his second tally of the contest.

Carolina averted a shutout midway through the final stanza when the team's high scorer, center forward Gerry Russell, racked up a marker. Russell received some nice assistance from Rennie Randolph.

Taylor and Sentementes were the outstanding performers offensively for the winners, with Cacciatore also contributing to the attack. Goalie Al Hauch was far and away the game's leading defensive performer. Dick Pfeiffer and Joe Wilson were also key men

The first season Carl Snavelly served as a head college football coach, 1927, at Bucknell, his team won six, lost three and tied one. The Carolina coach has a 145-71-16 lifetime record.

Jim Gill, Carolina line coach, played football at the University of Missouri.

in the rugged Cherry Point defense.

This was the first victory of the season for the Marines. They were shut out early in the season by the Tar Heels and later dropped a decision to Fort Bragg. The Leathernecks tied Virginia, who had previously lost to Carolina, last week.

Carolina closes its season with a record of five wins and six defeats. The Tar Heel booters lost to N. C. State, Penn State, Maryland, Duke twice, and Cherry Point.

The locals hold victories over N. C. State, Virginia, Washington and Lee, Roanoke College, and Cherry Point.

Yesterday's loss was the second worst defeat of the year for the booters, being surpassed on-

ly by Penn State. The Pennsylvanians handed the Tar Heels a 7-0 whitewashing.

## Down In Front

By Biff Roberts

### A Beating

CAROLINA'S LOSS TO DUKE Saturday wasn't the first for the Tar Heels—but it was by far the worst. We had dropped five other games before entering the game and had won but the lone one over South Carolina. But at least in those other five losses we had looked like a team. Saturday we just didn't have it. It's not hard to lose a game, and it's not too hard to take a losing season, but when your team isn't in the ball game from the first play to the last, it's a pretty tough blow to take—especially when that game comes against Duke.

It was the same picture as last year—only worse—with a Smith named Red trying to make a personal grudge of it. Last year at Durham it was his 40-odd-yard run that broke the game wide open. Saturday he scored three times and kicked four out of five extra points for a total of 22, pretty fair for somebody who was a doubtful starter.

### Trouble Aplenty

THAT THE DEVILS ran the game as they saw fit is pointed out by the fact that they scored the first four times they had their hands on the ball. Not once in the first half were they forced to punt. In fact they had to kick only twice in the ball game—and they added insult to injury by that, averaging 44 yards for the two boots. We didn't hit them for a loss until the final minutes of the first half when Albert Long fell on a Barger bobble that kicked around midfield.

Our main trouble—if one must be declared—was the complete inability to handle the option play. When either Worth Lutz or Jerry Barger took the ball down the line we usually had but one man to get in the way. A good block took him out and the quarterback either pitched out from there or ran it himself. For us it was just the opposite. When Marshall Newman or Charlie Motta tried the same play they had us all bottled up. Larry Parker got hit behind the line of scrimmage—through no fault of his own—so many times that he looked as though he were wearing a uniform of grass-stain blue. Duke, on the other hand, swept our ends with monotonous success.

### All This And...

OUR BRIGHT SPOTS were few. The brightest was the drive we made near the end of the third quarter, going from our own 15 to the Duke 10—against their first string line. But there, as has happened so many times before, we lost the handle on the ball and Billy Lea grabbed a Parker bobble and it was the same thing over again. Dick Lackey became the second man of the year to intercept a Lutz pass when he grabbed one on his own eight after the second half had started and ran it back to the 16. Only Georgia Tech had been able to snare one before that.

We had moments in the first quarter that looked as if we might get a drive going, but every time, after we had picked up a first down or two, something happened and we were forced to punt. The jump pass with one receiver down field, the play which had such success at South Carolina, got us one quick first down in the first period, but wasn't used after that. As far as first downs go we stayed close, with 13 to their 20, but while we were just making our first downs they were going for the long gains.

First downs don't win ball games—nor do they always indicate the score. The fact remains, we had the blood beat out of us. It was all Duke—and hell, too.

## Football Team Settles Down To Hard Work For Miami

The University of North Carolina football squad forgot its licking from Duke last Saturday and settled down to hard work yesterday in preparation for the season's closeout this Friday night at Miami.

Coach Carl Snavelly sent the team through a thorough workout, but kept the contact down to a minimum in order to give it time to fully recuperate from Saturday.

Trainer Fitz Lutz reports that all the players who were suited up for the Duke game will be ready Friday, plus the addition of Will Alexander, defensive guard who injured his ankle against South Carolina.

Jimmy Neville and Bull Davidson were both temporarily injured in the Duke game, but they will be in good shape by the end of the week. A number of Tar Heels, including halfback John Gaylord, were in light equipment in yesterday's practice.

Carolina will meet the Hurricanes in the famed Orange Bowl in Miami, under the lights at 8:15.

Miami's record this year is five won and four lost, while the Tar Heels will be looking for their second win of the season against six losses.

The Hurricanes have beaten V. M.I. and Richmond, Southern

Conference schools, Boston University, Marquette University and Stetson University. They have lost to Alabama, Kentucky, Vanderbilt, and Florida.

Both Carolina and Miami lost to long traditional rivals last Saturday. Miami was beaten, 43-6, by hated Florida in Gainesville, to set a new scoring record. Duke set a new record, too, surpassing its previous best scoring effort against Carolina by one point.

Carolina has played Miami once before, under different circumstances but in the same place. The 1946 Tar Heel team took an easy 21-0 victory over the Hurricanes.

### Track Meeting

There will be a meeting of the Carolina track squad this afternoon in 304 Woollen Gym at 4:00 to discuss plans for the coming indoor and outdoor track seasons coach Dale Ransom announced yesterday.

## Wisconsin Chosen To Play In Rose Bowl By Big Ten

NEW YORK, Nov. 24—Wisconsin was chosen today to represent the Big Ten conference in the Rose Bowl on New Year's Day by the athletic directors of the member schools. The regular season race ended in a tie between Wisconsin and Perdue.

Wisconsin had a chance to sew up the championship Saturday by beating Minnesota, a team which had been defeated three times

previously. However, the Badgers were held to a 21-21 tie which allowed Perdue to pull into a deadlock for the crown with a 21-16 win over Indiana.

Wisconsin was the favorite to get the invitation because they had a better overall record than Perdue and because Wisconsin had not won the league championship since 1912.

Tell the Frosh whom I advise  
That they will make the grade  
If they know Luckies taste so good  
Because they're better made!

## LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke? You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—cleaner, fresher, smoother taste... Be Happy—Go Lucky!

L.S./M.F.T.'s the code To keep in mind today— So for a cleaner, fresher smoke It's Luckies all the way.

Carol Osterweil  
University of Michigan

I'm always glad when Mom comes up— She brings the things I like— Not only food and candy, But good ol' Lucky Strike!

Sidney Fañan  
University of Connecticut

### COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
