

# Carolina Beats W&L, 67-48, For Second Straight SC Win

**By Tom Peacock**  
 North Carolina's basketball team sluggishly dealt the Washington and Lee Generals a 67-48 loss last night in Woollen Gym to give the Tar Heels their second straight Southern Conference victory.

The Generals led Carolina during the first quarter, but Tar Heel Jarry Vayda tied the score at 14-14 with a long set shot just as the period ended. Co-Captain Jack Wallace put Carolina in the lead, 16-14, and Washington and

## Phi Gams Win Volley Title

The Phi Gams, functioning like a well-oiled machine, trounced the Law School, 15-4 and 15-6, to win the campus volleyball championship yesterday afternoon.

The winners, led by Landy Griffen, who played outstanding as setup, and Steve Jones, started off fast to win the first game 15-4 and then go on to take the second easily, using a strong offense all the way. An alert defense saved several points for the winners who were never behind.

Playing without the services of Louis Evans, the Phi Gams regained the campus title which they lost last year. The winners have now won the Fraternity division for 12 straight years since 1940. They were undefeated this year, defeating the Sigma Chi's in the finals of the Fraternity playoffs to go into the campus finals.

The Phi Gams, winners of seven games this year, were also paced by Billy Brewer, Bernie Burnstein, Bill Smith and Sid Wood. Facing the Lawyers, winners in the Dorm division, were John Culbertson at setup and Bob Byrd, spiker.

Lee never threatened again. Carolina enjoyed a 34-23 halftime lead.

Charlie Topp, a six-foot, two-inch sophomore from Wheeling, W. Va., paced both teams in scoring with a 20 point total for the losers. Topp made 12 out of 14 foul shot attempts, but scored only four times from the floor.

Vayda, a freshman who was

 have done graduate work relating to the specified areas;  
 d) Persons who are doing or have done graduate work in fields that have specific applications to the stated areas.

Application forms may be obtained from the Ford Foundation Board on Overseas Training and Research, 575 Madison Avenue, New York 22, N. Y. The deadline for filing applications is January 31, 1953. The awards will be announced on or about April 15, 1953.

# McCabe And Shores Pace Junior Varsity To 82-75 Victory Over Wake Forest

**By Melvin Long**  
 Carolina's junior varsity recovered from an erratic first half to finally get past a hard playing Wake Forest team, 82-75, in the preliminary contest to the varsity clash here last night.

Paced by the play of forwards Gerald McCabe and Tommy Shores and guard Jack Woods, the Tar Heel jayvees held on to a slim lead throughout most of the second half to take their first win of the season.

**Good Old Siwash is hogwash now**

**FOR A LONG TIME** we've suspected that today's college man would no longer "gladly die for dear old Siwash." Neither does he play ukuleles and sing "Alma Mater" at the drop of a beanie.

We believe, too, that when it comes to sportshirts the college man is no different from his older brother in town. He doesn't go for fads and screwball styles. But he does go for smartness, good workmanship... and above all, value.

That is why we believe you'll like the new selection of sportshirts by **Manhattan**. For they have all these qualities, plus a distinctive air that sets them above the ordinary shirt.

So ask for **Manhattan**... the college man's sportshirt.

Shirts, neckwear, underwear, pajamas, sportshirts, beachwear and handkerchiefs

# THEY SATISFY AND HOW!

"I always smoked Chesterfields in college just like my friends" says New York secretary, Elizabeth Lydon, "and here in New York it seems like almost everyone smokes them."

*Elizabeth Lydon* DUKE '51

**AND NOW—CHESTERFIELD FIRST TO GIVE YOU SCIENTIFIC FACTS IN SUPPORT OF SMOKING**

A responsible consulting organization reports a study by a competent medical specialist and staff on the effects of smoking Chesterfields. For six months a group of men and women smoked only Chesterfield—10 to 40 a day—their normal amount. 45 percent of the group have smoked Chesterfields from one to thirty years for an average of ten years each.

At the beginning and end of the six-months, each smoker was given a thorough examination including X-rays, and covering the sinuses, nose, ears and throat. After these examinations, the medical specialist stated...

"It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

Remember this report and buy Chesterfields... regular or king-size.
