

Tri Delt Pledge Dance Tonight Will Feature 'Winter Wonderland' Theme; 34 To Be Presented

"Winter Wonderland" will be the theme of the annual pledge dance of Alpha Sigma chapter of Delta Delta Delta sorority to be held at the Carolina Inn Ballroom tonight, 9 to 12 o'clock.

Herb Gupton and his orchestra will furnish music for the dance and the sorority's 34 pledges will be presented in the figure at 10:15.

Pledges will wear white and carry red flowers. Escorted by their dates, they will step through a blue doorway into the dance-floor and form a triangle. Ty Boyd, Statesville, will serve as master of ceremonies and announce each pledge as she enters the room. Each pledge will then be presented with a gift from her "big sister".

CONFERENCE IN THE CLOUDS

Among the undergraduates on any college campus, you'll find the talk reaching up to the clouds. And once in a while—in a classroom, around a study table, or even in a bull session—a really big idea is born.

Big ideas come, too, from the men and women in laboratories, business offices, shops. But often these professionals are exploring a path first glimpsed in college.

How do we know? Because of the many college people who have come into the Bell System, where big ideas and a lot of dreams have taken their place in progress. The human voice, carried along a wire, first across a town, then a state, a nation, and now the world. Music and pictures and things happening delivered into cities and hamlets all across the land by radio and television networks.

We're always looking for the men and women who get big ideas—whether they're about people, or machines, or ways of doing things. Your Placement Officer can give you details about opportunities for employment in the Bell System.

LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke? You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—cleaner, fresher, smoother taste... Be Happy—Go Lucky!

An apple used to do the trick, But grades don't bother me — I give my prof this one sure tip That L.S./M.F.T.
