IN YOUR CHURCH

By Tom Neil, Jr.

Baptist

Dr. Preston Epps, Greek professor here, will teach Sunday School at the Baptist Church at 10 a.m. every Sunday.

The first in a series of programs on "The Origin of the Bible" is to be presented tonight at the BSU Auditorium and charts depicting the Supper Forum at 6 o'clock. Pictorials of the Bible will be shown.

Christian Science

"Life" is the subject of the lesson-sermon at the Christian Science organization this morning at the 11 o'clock service in New West.

Golden text is from Psalms: "The Lord is the portion of mine inheritance and of my cup: thou maintainest my lot . . . Thou wilt shew me the path of life."

Selections from the Bible and Christian Science textbook, which constitute the sermon include:

"And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. In the midst of the street of it, and one either side of the river, was there the tree of life . . . and the leaves of the tree were for the healing of the nations. Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city." (Rev. 22: 1-2, 14)

And from *Science and Health* by Mary Baker Eddy: "The leaves of the tree were for the healing of the nations." This tree is typical of man's divine Principles, which is equal to every emergency, offering full salvation from sin, sickness, and death." (p. 406: 12, 4-6)

Congregational Christian

This morning the United Student Fellowship will discuss various books bearing on the relationship of Christianity to man. These volumes are selected as to represent the beliefs of agnostics who later embraced the teachings of Christ Jesus.

Following the student supper at 6 o'clock, Dr. Preston Epps will speak to the group.

Presbyterian

Tonight the student group will discuss summer work, camps and service projects. Glenn Fisher, who directed camps for the American Friends Service Committee in Mexico for several years, will lead the discussion. He will be assisted by students who have taken part in projects the past two years.

A square dance is being held in the large Sunday School room at the church Saturday night from 8 o'clock to 11 o'clock. Learners are welcome.

Roman Catholic

Members of the Newman Club are asked to bring their Sunday evening trays to the second floor of Lenoir Hall. The supper meeting begins at 5:30.

Howl Begins Over Horton's NSA Plan

NEWS IN BRIEF

Reacting to President Ham Horton's suggestion to put NSA up to the student body for referendum for "its own final decision," Ken Barton, regional NSA chairman, had this to say:

"I was not aware that NSA was a 'political football' on the campus. It is unfortunate if it is so as Carolina is important to us in the region. I hope that President Horton will make his position clear and submit to me a full report on NSA status at Carolina."

Lew Southern (SP), an advocate of NSA, declared, "It is ob-

AKPsi Rated Second Among 78 Chapters

Alpha Kappa Psi here, national professional fraternity in business administration has been rated second in the nation for efficiency. It is one of 78 collegiate chapters in the nation.

The rating was released yesterday by the national office in Indianapolis.

The point ratings are based on activities in seven categories: professional business activities, scholarship, research projects, service to school, membership, finances and general administration. Florida State won first place honors.

Last year the University chapter was one of the six collegiate chapters to receive a perfect rating by the national office.

One of the fraternity's professional activities on the Carolina campus is the annual business fair which is to be held this year on March 2-3 in the new buildings of the School of Business Administration. The theme of this year's fair is "Personnel Key to Business Success," emphasizing Tar Heel jobs for Tar Heel graduates.

Staff Posts On Handbook To Be Filled

Applications for posts on the Carolina Handbook staff will be taken until Friday.

Main positions on the handbook, which is an illustrated guide to the University designed to give incoming freshmen a more personal look at the campus, are editor, business manager and writers.

Forms are available at the Y desk and applicants will be interviewed before final decisions are announced.

The business manager usually earns \$100 to \$150, which is 10 percent of the book's ad earnings.

Selections are made on the basis of experience and interest.

National Student Association supporters and Yack staffers were disturbed yesterday.

It was learned yesterday. All 14 persons aboard were believed to have perished. A U. S. Air Force spokesman at the base said all aboard the four-engine plane were believed to have been American military personnel.

NSA is a national student organization which, among other things, acts as a clearing house for ideas on student governments and expresses an official voice

for students in other groups.

Wood Smethurst, campus NSA chairman, could not be reached for comment.

Yackety-Yack Managing Editor Bob Colbert commented strongly on Horton's suggestion to forbid staffers to accept rebates from publishers for meeting dead-

lines. As in the case of any publication, deadlines are essential. I believe that the meeting of deadlines of the Yack has nothing to do with the quality of material in the publication," stated Colbert.

He said students were notified of times and dates of taking pictures. Since many students did not meet appointments, the methods of taking pictures have been criticized. Colbert suggested that a possible rearrangement of next year's Yack will give students an extended period in which to have their pictures taken.

Publications Board Chairman Walt Dear said the board would bring up Horton's proposal at the next meeting.

12 Appointed To Study TV For Education

Governor Umstead yesterday appointed a 12-member commission to study the possible use of eight television channels for educational purposes.

The Radio and Television Commission was created Wednesday by joint resolution of the Legislature.

Named were Chairman Irving E. Carlyle, Winston-Salem; Reuben B. Robertson, Canton; L. Y. Ballentine, Raleigh; John Harden, Greensboro, Dr. John R. Cunningham, Davidson; Mrs. J. W. Bunn, Raleigh; F. J. Blythe, Charlotte; C. McD. Davis, Wilmington; Knox Massey, Durham; James Clark, Elizabethtown; W. B. Rodman, Washington, and Dr. Charles F. Carroll, state superintendent of public instruction.

Commission members will receive no compensation except necessary expenses. They are to make their report to the governor at the earliest practical date. A favorable report on educational TV would go well for the University.

ST. JOHNS, Newfoundland—An American C-54 military transport crashed Friday night near Harmon Air Base at Stephenville, on Newfoundland's rocky west coast, it was learned yesterday. All 14 persons aboard were believed to have perished. A U. S. Air Force spokesman at the base said all aboard the four-engine plane were believed to have been American military personnel.

Dr. Zechariah Chafee Jr., outstanding law professor and outspoken defender of freedom of speech, will open the annual series of three Weil lectures on American citizenship Tuesday night at

Hill Hall.

Speaking on the general topic of "Freedom in Special Situations," the Harvard Law School University professor will talk on "The School House," Tuesday night, on

Nelson Speaks In Hill Tonight--8:30

"The Time of Your Life" will be Dr. J. Robert Nelson's topic tonight at 8:30 when he delivers the year's second University sermon in Hill Hall.

The Women's Glee Club under the direction of Joel Carter will present several selections at the Y sponsored program. Pat Aydlett is in charge of University Sermons programs for the year.

Dr. Nelson is a Methodist minister and study secretary of the United Student Christian Council. In June he will become the executive secretary of the Faith and Ardor Commission of the World Council of Churches with offices in Geneva, Switzerland.

Dr. Nelson has been director of the Wesley Foundation here and at the University of Illinois. He came to Chapel Hill in 1946 after serving in Japan, Guam and China as a chaplain with the Marine Corps.

Dr. Nelson has edited many religious works. Among them are "The Realm of Redemption," "The Christian Student and the Church," "The Christian Student and the University" and "The Christian Student and the World Struggle."

A graduate of DePauw University, Dr. Nelson was a member of Phi Beta and Beta Theta Pi, the varsity football squad and track team. He received his bachelor of divinity degree from Yale and his doctorate in theology from the University of Zurich where he graduated "magna cum laude."

Dr. Nelson was a delegate to

World University Service in Norway and the Ecumenical Methodist Conference in Oxford, England in 1951.

During the past year he has

been a consultant to the Third

World Conference on Faith and Order which met in Lund, Swe-

den.

Seven attend meet
Seven persons represented the University last weekend at a regional meeting of the National Association of College Unions in Athens, Georgia.

The meeting was for the purpose of discussing new trends in the administration of student affairs in six southern states. Attending from here were Dean of Students Fred Weaver, Student Union Director Bill Roth, Ken Penegar, Nancy Murray, Don Geiger, Dave Reid and Nancy Horn to the Student Union Activities Board.

PAY RAISE
If the budget recommendation goes through, it'll be a happier pay day for several Consolidated University officials.

Recommended for raises are President Gordon Gray, \$12,360 to \$15,000 (Gray was promised \$17,500 to become president); Controller W. D. Carmichael Jr., \$11,160 to \$13,500, and UNC Chancellor Robert House, \$10,320 to \$12,000.

Several other educational officials also got salary boosts.
