NEWS IN BRIEF

LONDON — The Soviet Union broke off diplomatic relations with Israel yesterday. Western diplomatic sources expressed no surprise and said the Russians were apparently stepping up their efforts to win Arab friendship in the Strategic Middle East. A sharp Soviet note blamed the rupture in relations on the bombing Monday of the Soviet Legation in Tel Aviv in which three Russians were injured. In Moscow, the eight adults and one child at the Israeli legation began packing at once.

NEW YORK — Convicted atom spies Julius and Ethel Rosenberg, their last-ditch appeal for clemency turned down by President Eisenhower, will learn next Monday the new date for their execution in Sing Sing Prison's Electric chair. Legal sources here said they believed Judge Irving R. Kaufman, who presided at the couple's 16-day trial in 1951, would set an early execution date, possibly during the first half of March. Emanuel H. Bloch, attorney for the Rosenbergs, said he would make every effort to save them.

WASHINGTON — The biggest Congressional Korean war investigation since the 1951 McArthur dismissal hearings shaped up yesterday with Gen. James A. Van Fleet as the war witness. Two Senate committees called on Van Fleet to spell out his ideas for cracking the Korean military deadlock by a new United Nations offensive. Van Fleet faced questioning on his statement that the 8th Army with its present manpower and material is capable of mounting a major offensive that could break the present military deadlock along the 155-mile fighting front.

SAN FRANCISCO — Generalissimo Chiang Kai-shek said in a wireless interview yesterday that his forces can invade Red China whenever they choose, without sanction of the United Nations and with no fear of Russian intervention. But he does not believe he is adequately prepared for such an invasion. Meanwhile, in Washington, informers indicated that deliveries of American F-84 jet fighter-bombers to Chinese Nationalist forces on Formosa should begin fairly soon. It was also believed that Chiang Kai-shek's air force will receive reconnaissance versions of the F-80 Shooting Star jet fighter.

Five Local Books Head University Press List

Five books from the campus head the list of publications from the University Press for the first half of 1953.

This is the largest group of titles to come from one source in many years.

Three of the books are being published posthumously. The late Dr. Henry McG. Wagstaff's memoirs of the Concord Community of Person County, which was his boyhood home, will be published as a series of sketches called "Wiley Buck and Other Stories."

In May "the Good Doctor and Other Writings" of Dr. William DeB. MacNider will come out. Dr. MacNider was a long time member of the faculty of the University of North Carolina Medical School.

The two volume "Documentary History of the University of North Carolina" 1776-1799, by the late Dr. R. D. W. Connor, will be published in June. This book was originally scheduled as part of the University's Sesquicentennial but was delayed by the author's death.

State Music Group Clinic Meets Today

The orchestra section of the North Carolina Music Educators Association will sponsor an all-state high school orchestra clinic here today and tomorrow.

Approximately 120 boys and girls from 15 high schools throughout the state will get together, under the direction of Paul Painter, University of Illinois music director, for two days of music-making. It will be climaxed by a concert of orchestral music tomorrow night in Hill Hall at 7:30.

This morning and afternoon will be spent in intensive rehearsals, both in separate instrumental sections and with the full ensemble. Tonight at 7:30 they will attend a concert of chamber music to be presented by members of the University music faculty. This concert, to be given in Hill Hall, will be open to the public. The program will include works by Mozart, Brahms and Dohnanyi.

Following the concert there will be a dance for the high school students in Graham Memorial. Tomorrow morning and part of the afternoon will be devoted to rehearsals, after which there will be recreation, including attendance at the current Morehead Planetarium show, "Birth and Death of the Earth."

Two Dances, Concert Mark Big Weekend

Ray Anthony and the Bunny Hop bounce onto campus tonight to open Mid-Winter Germans with a formal dance in Woolen Gym from 9 o'clock until 1 a.m.

Anthony, one of the nation's most popular dance orchestras, also will play a concert tomorrow afternoon and another dance tomorrow night.

Coeds have 2 a.m. permission tonight for the Ray Anthony dance, the Dean of Women's office and Women's Residence Council announced.

The concert will be held in Memorial Hall from 4 until 6 p.m. and the dance will be in Woolen from 8 p.m. until midnight. It also is formal.

Life magazine is scheduled to send a photographer for the weekend to take pictures to run with a feature story the weekly picture mag is preparing on Anthony.

Billed as the Young Man with a Horn, Anthony has planned his orchestra around a strong brass section and his selections have a snappy tempo. He plays novelties, jazz, swing and sweet ballads.

One of his more noted numbers is "When the Saints Go Marching In," which is accompanied by his orchestra parading through the audience. It was one of his most popular numbers when he played here several Winters ago.

Anthony sent advance word, as well as instruction sheets, encouraging those who plan to attend the dances to learn the "Bunny Hop," a simple number recently revived by his orchestra. A copy of the instructions were printed in yesterday's Daily Tar Heel.

The weatherman forecast cloudy and mild for today with a high of 50. It is expected to clear tomorrow.

3. Anyone giving the wrong name is automatically suspended indefinitely.

4. Anyone bringing intoxicating beverages on the dance floor is automatically suspended indefinitely.

The Dance Committee is empowered to suspend from all dances given under University auspices any student for misconduct. Length of suspension is up to the committee.

Retrial Nets Same Sentence For Offender

A student was retried Wednesday night by the Interdormitory Court for shooting firecrackers in a dormitory and the previous sentence of the court was upheld.

The student was convicted by the court in January on charges of shooting fireworks and was suspended from the dormitory for at least one quarter.

On Feb. 5 the Student Council remanded the case back to the lower court for re-trial. The case had been appealed on the grounds that two constitutional rights of the defendant were violated by the IDC court.

Another student, convicted for possession of an air rifle, shooting it in the dormitory and damaging University property, was suspended from the dormitory for at least one quarter. The sentence was changed to indefinite probation on the condition that he pay property damages.

Three other students were tried for shooting firearms and being involved in the shooting of an air rifle inside a dormitory. The court found one boy guilty of shooting the air rifle and he was suspended from the dormitory. The sentence was then changed to indefinite probation.

The other two boys were exonerated.
