

## Campus Carousel

By Deenie Schoeppe

While you's all madly learning the bunny hop, here are a few social notes from all over.

For their Germans weekend, the KA's are having a casual little gangster party at the old schoolhouse on the Greensboro Road tonight. Appropriate, huh? It's going to be in the real old fashioned speakeasy style. Tomorrow night they'll have cocktails at the house after the dance.

The Ranch House will be taken over by St. A's and dates Saturday night for dinner and dancing plus combo.

At the Rathskeller will be the Chi Psi's tomorrow afternoon. Somewhere along the way they'll have a "Roaring Twenties" party complete with roulette wheels, costumes and a combo.

Phi Delt Pat Samonds will now be seen in black face. That's what happens when you sit in a fire place.

Oh, that Chi Psi I said was pinned last week wasn't pinned at all. Life's like that. Sorry.

The SAE's, Deke's and Zete's are having one huge one tomorrow night at the Washington Duke.

Deke's are having a few other little functions too, like a breakfast at the house after the dance tonight and a party to the enchanting music of "Hoagy" Carmichael before the concert tomorrow. Forgot to mention a champagne party at Jack's Friday afternoon. Just an average weekend.

Pika's will go to Smith's Lake in Durham for a cabin party tonight.

Sigma Chi's will have a combo tonight after the dance and a Watts Grill party tomorrow and more combo at the house.

Time for a pinning or two. A Zete this time. First one this year I think. Ed Gause of Wilson pinned Anna Joan Boyn from WC.

Theta Chi Al Perry, Charlotte, is engaged to 52 grad Mike Green, Thomasville. Theta Chi's will do their weekend celebrating at the house with a couple of parties.

And the ZBT's will be hosts to Goucher girls this weekend. They will have a combo and party tonight.

The Wood Smethurst says the ATO's are partying at Turnage's tomorrow night.

Pi Kappa Phi's will party all weekend and serve cocktails tomorrow afternoon.

This is Pi Lam houseparty weekend and they'll have a pledge banquet at the Burlington Country Club, parties at the house all weekend with cocktails and pj. Another "just average" weekend.

Sigma Nu's will have a b.y.o. party at the Legion Hut tomorrow from 8 till Sunday. There. Not one mean thing did I say.

Mo' pinnings. Pi Lam Jerry Moff, Burlington, pinned Roberta Paley, Miami Beach.

Delta Sigma Pi Al Joe Braxton, Scotland Neck, pinned Evelyn Booth, a Meredith girl and also from Scotland Neck.

Delta Sigma Pi's will have their pledge banquet at the Inn tomorrow night, followed by party at the house.

Chi Phi's partying will also be done at the house Saturday night.

Beta's will be at Turnage's Saturday morning for a cocktail party and will have dinner and a party Saturday night.

Beta Jake Froelich is engaged to Mary Strickland. Both are from High Point.

Saddle Club—knew we couldn't miss that—Phi Delt's and dates will have dinner and a party there tomorrow night. Tonight Phi Delt's will have much big combo at the house from 1 to 4 a.m.

Phi Kaps and dates will have a breakfast or two and maybe a few parties in between.

There isn't one place within a 50 mile radius that isn't being taken over by Carolina this weekend. Kappa Sigs will head Crab Tree Creek-ward for a cabin party tomorrow night. By that time they ought to be jush fine cause they're having a champagne party at the house all afternoon.

Lambda Chi's will celebrate with a beer party at the house. They sho' do like their beer.

Seem to have kinda' left out the sorority news completely.

Tri Delt Calire Boone, new pin-up of Tommy Peacock, was serenaded by the Chi Phi's Wednesday night.

Chi O Anna Redding, Manhasett, L. I., is engaged to Howard Pitts, an SAE at Duke.

Happy bunny hopping.

CHERRY POINT — The Marine Corps has reported that one of its F9F Panther jet fighter planes was outrun by a mysterious object with red lights that zoomed across the North Carolina skies and disappeared near the coast. An official Marine Corps statement said the chase took place on Monday night after planes at the Edenton Auxiliary Air Station had been alerted to watch for the object.
