

Campus Carousel

By Deenie Schoeppe

In a supreme effort to pass History 49, your tired society editor is at last giving up the ghost and turning this column of pinning that never were, parties that never existed, and just general falsifications to the succeeding society editor. Please, let's keep the honor code in mind when she calls for news.

There'll be a general desertion of the campus in favor of Myrtle, Wrightsville and just any place that isn't Chapel Hill this weekend. Pika's will go to Wrightsville.

Guests of Mr. and Mrs. Gay Manor of Myrtle Beach will be the Chi Phi's.

ATO's will also be at Myrtle for their annual beach weekend.

The Phi Kappa Sigs are now letting the news out that they had a combo last Saturday till 4 a.m.

The pinning of Beta President Stan Sturm, Greensboro, and Grace Gordon, Chi O from Spray, is much big news this week.

Pi Phi's entertained all fraternities at a study break last night.

This study break seems to be the rage. The KD's will have one next Wednesday after chapter meeting.

The Lambda Chi's gave a party at Hogan's yesterday (if it didn't get completely rained out) for the ADP's.

Beer and baseball will be the main attraction at the SPE's annual hilarity, Charlie's Day, at Hogan's Saturday. Six chapters within the state will gather for the party which sounds like it ought to be great.

St. A's and neighbors across the street, the Tri Delt, will have a beer party Tuesday night.

Sigma Chi's aren't having parties—somebody else is. They're entertaining their candidates for Sigma Chi queen and court at many little social functions, the last at Hogan's the next at Watts'.

Pi Lams will honor their mothers on Mother's Day (reminder: a week from Sunday) with a party and lunch at the house. Corsages will be given to all mothers there.

Kappa Sigs have sort of formed a hiking for Hogan's Lake and will party out there again this week-

end. The Ugly Club was feted with a party at the Phi Gamma Delta house Sunday.

More pins being passed around. Joan Deutsch, Chi Omega from Louisville, Ky., surprised everyone by getting pinned to Deke, repeat, Deke, Bud Mulroy, Springfield, Mass.

The Monogram Club will entertain the Pi Phi's next Tuesday with a party at Hogan's.

KA's will probably go to Myrtle Beach.

The ATO's serenaded Chi O and Pi Phi pin-ups Tuesday night.

Alpha Gams will also entertain all fraternities at a study break next Wednesday.

Beta's say Tom Wooten of Fayetteville is pinned. Must be so. To Kay Lumbard.

Dean Thomas H. Carroll of the School of Business Administration was elected Secretary-Treasurer of the American Association of Collegiate Schools of Business at the 35th Annual Meeting of that organization at Louisiana University recently.

RELEASING CORPORATION

I was determined to be a great nightclub entertainer — at any cost.

I felt repulsion and attraction . . . Walter's violence stirred me strangely. . . .

They fought before me—the men I "loved" and "hated." Then I knew what I had to do.

"I am no good for you, Andre," I cried. "I must get out of your life forever."
