NEWS IN BRIEF

WCHL Asks Extension Of Broadcasting Hours

WASHINGTON, Oct. 19—(AP)—Radio station WCHL, Chapel Hill, N. C., asked the Communications Commission today for permission to operate from 6 a. m. to 7:30 p. m., local time. It now operates from 6 a. m. to local sunset.

ST. LOUIS—(AP)—An inquiry into police reports on the Bobby Greenlease kidnaping opened here yesterday but the policeman credited with solving the case was re-

ported to be too nervous to undergo questioning now. The St. Louis Police Board ordered the investigation following published reports that discrepancies had been found in the police account by the FBI, searching for the missing \$300,000 of the \$600,000 paid in ransom by the 6-year-old boy's wealthy father, Robert C. Greenlease of Kansas City.

AMES, IOWA—(AP)—Iowa State College students, over 4,000 strong, were finally brought under control here Sunday after a battle with police, state patrolmen, and sheriff's officers. The students, flushed with a 12 to 6 upset victory over Missouri, had marched on college President James Hilton's home demanding a day off to celebrate their homecoming football triumph. Most returned to classes, however, after tear gas

bombs ended their post game activities at 3 a. m.

BOSTON—(AP)—Capt. Thomas A. Ahroon of the aircraft carrier Leyte said yesterday that the atomizing of hydraulic fluid may have caused an explosion and fire which killed 36 men and hospitalized another 30 on his ship Friday. The captain gave his opinion before a Navy board of inquiry.

PANMUNJOM—(AP)—Polish and Czechoslovak Communist delegates angrily stalked out of a meeting of the Neutral Nations Repatriation Commission today and a breakdown in the questioning of anti-Red war prisoners was threatened. The Communists staged their walkout because the Commission

turned down Red demands for the immediate interviewing of 1,000 anti-Communist North Koreans who say they prefer to die rather than go home.

SAN DIEGO, Calif. — A man whom at least five witnesses have identified as Lavrenti Beria, purged head of the Russian secret police, is — or was — in southern Spain, the San Diego Union said yesterday in a copyrighted story. Union reporter Gene Fuson, who reportedly has been working for

more than a month as an undercover agent with Spanish secret police in Madrid, said that Beria's presence in Spain "has been established beyond a reasonable doubt."

TOKYO—(AP)—The Communists agreed yesterday to a U.N. proposal for a meeting at Panmunjom next Monday to make plans for the Korean peace conference but they insisted on the right to decide there what nations will take part.
