BOB WINDSOR
... YDC chief

Bob Windsor New President Of Local YDC

The University Young Democrat Club named Bob Windsor of Winston-Salem its new president in annual elections Wednesday night. Windsor succeeds retiring president Al House, of Hobgood.

Charlie Dean of Fuquay Springs was elected first vice-president and Charlie Kivett of Star was named second vice-president.

Anne Greene, Concord, was elected secretary, and Byron Ramsdell of Fuquay Springs, treasurer.

Students elected to the seven-member YDC executive committee were Bob Byrd of Morganton, Charles Hyatt of Waynesville, Richard James of Raleigh, Mike McLeod of Sanford, Jules Rousseau of North Wilkesboro, Bob Williams of Wilson, and Bill Zimbaum of Newton.

Windsor announced that committee appointments will not be made until next week in order that all students interested in serving on committees may have time to contact an officer of the club for that purpose.

In outlining the 1954-55 YDC program, Windsor emphasized the opportunity for full participation by undergraduates.

Following the policy established by the YDC Constitution, the University chapter extended honorary membership to the following men in recognition of their outstanding service to the Democratic Party: Sen. Alton Lennon, former Gov. Kerr Scott, Lt. Gov. Luther Hodges, State Treasurer Edwin Gill, State Rep. John Umstead, Capus Waynick, and Joshua S. James, former State Utilities Commissioner.

Florida Club To Be Formed

Students from Florida will organize a club on campus Monday night at 8 o'clock in Graham Memorial.

Don Geiger, acting as spokesman for the group, said, "A few Carolina students from Florida have been talking a long while about forming a Florida Club on campus. It is felt that there is much that a club of this sort can accomplish, such as giving socials and organizing travel pools."

"There are about 120 Florida students on campus. We are to contact freshmen from Florida who enter Carolina next year and get them in on the deal immediately. Our possibilities are unlimited, but it is up to us."

Community Drama Group Meets Tomorrow Night

The Community Drama Group of the Chapel Hill Community Church will meet again at 8 o'clock tomorrow evening in the Assembly-Exhibition room of the University Library.

Capp Says Joe's Blow To Kill Him

DURHAM—(AP)—Cartoonist Al Capp predicted at Duke University last night that Senator McCarthy "will talk himself right out of the Senate" with "McCommunism."

"McCommunism" is Capp's term for the Senator's approach to combating communism. "McCarthy fights the word communism but he is creating distrust of the Army and stifling free discussion and communication. I'm not certain the Army had a case against him when the hearings began. Now it looks as though everyone else can shut up and let him hang himself," Capp said.

"I have watched with greatest astonishment the fact that nobody has to do anything but watch him make enemies of everyone in the courtroom. So far, he has managed to denounce, accuse, and insult practically everyone in the courtroom. Apparently he wants to investigate the referee, the Army, the entire Senate—in fact, everybody except Cohn, Schine, and McCarthy."

Talking on "Al Capp's America," the cartoonist said there was nothing to worry about. (See CAPP, page 4)

Leo Wilkerson, Mebane, will present an organ recital in Hill Hall tomorrow night at 8 o'clock.

Organist at the Chapel of the Cross here, the junior University student is the son of Mrs. B. H. Wilkerson of Mebane. He is a business administration major. He studied organ with Mrs. T. C. Carter of Graham, and has been a student of Dr. Jan Schinhan since entering the University.

Violinist Fuchs Will Play Works Of Masters In Concert Monday

Violinist Joseph Fuchs' recital this Monday evening in Memorial Hall will be the final presentation of the school year by the Student Entertainment Committee.

Admission will be free to students upon presentation of their ID cards. The program starts at 8 p.m. and the doors will open at 7 o'clock.

Fuchs will devote his program to masterworks of Mozart and Bach, and the violin piano sonatas of Claude Debussy and Cesar Franck. Brooks Smith will assist him at the piano.

The principal violin recording artist of Decca Records, Fuchs has recorded a large repertoire of both classic and contemporary works. His recordings of the complete cycle of the Beethoven sonatas for violin and piano have just been released.

Fuchs was born in New York City and studied at the Institute of Musical Art (now the Juilliard School of Music) under Franz Kneisel. After his graduation at the age of 17, he was awarded the Morris Loeb Memorial Prize and toured Europe.

The violin used by Fuchs is the "Cadiz" Stradivarius, which dates from 1722 and is sometimes called the "Cannon."

Only 2 Frats Won't Sign

Kappa Sigma was added to the list of those fraternities which have signed the new "temporary" coed visiting agreement yesterday.

Kappa Alpha and St. Anthony Hall (Delta Psi) were still holding out, however. Billy (Wool) Howell, a spokesman for the KA's, said that "We didn't sign because we figured it would be easier to do without the girls than to keep the boys from drinking."

"We sent a letter to Dean Weaver," he explained, "saying that we weren't trying to be stubborn or bullheaded about it, and that we appreciated the effort exerted to give us a temporary agreement, but that the terms of the agreement would be impossible to enforce."

Doug Soo of St. Anthony Hall said that the St. A's "were not going to sign because we feel that it is a very unreasonable agreement."

Connor Dorm Painting Job Is Postponed

The painting of Connor Dormitory has been postponed again, the Housing Office announced yesterday.

This will make Connor open and available to graduate men for the summer term.

The change was made necessary by a prior commitment for the use of Joyner Dorm, J. E. Wadsworth, housing officer, said. The summer conference in collegiate mathematics will meet at the University for eight weeks and will be housed in Joyner.

"It is hoped that the residents of Connor will understand that we expect to paint and make any necessary repairs in Connor as soon as possible," Wadsworth said. "The next opportunity for painting might not be until the summer of 1955."

A party split was shown to be in evidence on the campus yesterday in the form of a challenge issued to the newly-formed Lennon for Senate Club.

Satchmo & Company Make Music Today

'SATCHMO'

... saints march in today

Louis "Satchmo" Armstrong, the King of Jazz, will be here today with his trumpet and orchestra for the 1954 spring Germans concert and dance.

Playing with the "Dixieland All Stars", Armstrong will swing into the likes of "Muskrat Ramble" and "Blueberry Hill" in a concert this afternoon in Memorial Hall from 4 to 6. He will play again tonight for the formal dance in Woolen Gym from 8 til midnight.

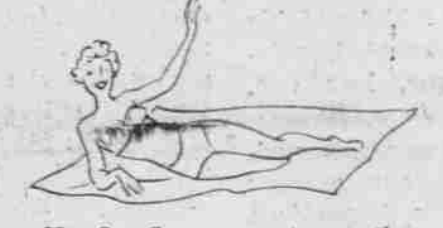

"Satchmo" is best recognized by the nation's jazz fans for his gravel-toned voice and his hot-and-sweet trumpet playing. His fame has also spread to Europe, where he has been touring with enthusiastic reception since 1932.

For the Germans Club, which is composed of 13 fraternities, this will be the last official gathering for the year. Johnny Long, Tommy Tucker, and Ralph Marterre have also been featured in Germans weekends this year.

Led by president Jim Schenck, DKE, the Club's officers include Jake Roundtree, PiKA, Vice President; Wallace Pridden, Sigma Nu, Treasurer; and Skip Roddey, Sigma Chi, Secretary.

WEATHER

A cool Atlantic Ocean was forecast yesterday for students planning a Germans weekend retreat to North Carolina beaches.

U. S. Government weathermen at the Raleigh-Durham Airport said they expected, along with the cool ocean water, general to moderate and mostly north westerly winds today and tomorrow for the coast, with expected highs of 60 and 70 in the north and south parts of the state, respectively.

Scattered showers, which have been dotting the state this week, are expected to gradually end on the coast and give way to sunlight.

But No Endorsement Implied

Spurned By Demos, Wingfield Gets GOP Invitation To Campus

Turned down this week by the Young Democrat Club here, Senatorial candidate Alvin Wingfield Jr. yesterday got an invitation to speak at the University under the auspices of the campus' Young Republican Club.

The club's secretary, David Mundy of Black Mountain, wrote Wingfield after the YRC voted Thursday night to extend such an invitation. Mundy's letter told Wingfield to "please in no way interpret this as an interference on our part in the affairs of your party (Wingfield is a Democrat) or as an endorsement of your candidacy."

Earlier, the campus Democrats refused to sponsor Wingfield as they had his opponents, Scott and Lennon—because of the lateness of his candidacy and his reported aversion to YDC's throughout the state. Wingfield answered Wednesday that if invited he would come.

The YRC president, Jerry A. Campbell of Taylorsville, disagreed with the action of his group. He said he considered it "highly irregular and disingenuous . . . Therefore, I wish it known that I disapprove of this action and disassociate myself from this move taken by a small

majority of those members present at the . . . meeting."

The club also elected new officers Thursday. They are President David Mundy, Vice-President Tommy Sumner, Secretary Jerry Campbell, Assistant Secretary Joe Dail, and Treasurer Jack Taylor.
