### Old East Edges Cobb In 6-0 Tilt

Of the three games scheduled yesterday in the Intra-Mural Football League only one was played. In that one, Old East defeated Cobb, 6-0.

The other two contests were forfeits: Manley over Winston, and Stacy over the Med School.

The lone score in the Cobb-Old East battle came early in the first half on a 20-yard aerial from Jack Jones to Jerry Mayo. Except for this score, neither team threatened seriously.

Dick Hargitt and Bradford Mills were outstanding on defense for Cobb.

### Gridders In Top Shape After Loss To Georgia

Although Coach George Barclay's Tar Heels lost to Georgia Saturday afternoon, 21-7, the Carolina gridders survived the contest without any serious injuries and should be in near-top condition for the Maryland encounter Saturday afternoon.

Jack Maulsby, the big Tar Heel tackle who was injured in the Tulane game may return to the line-up against the Terrapins. However, Coach Barclay is still not sure whether Maulsby will be ready. He could only say "I hope he'll be okay."

Barclay had little praise for his teams showing against Georgia. "We just made too many mistakes and gave them the ball too much," the Carolina mentor revealed. "I'm not planning any changes in the line-up right now though," he added.

Yesterday the Tar Heels saw pictures of the Georgia game and then worked out briefly at Navy Field. The gridders ran through some plays and put special emphasis on passing.

"Maryland has a fine team," Barclay related. "I think they let down against Wake Forest. Maybe they just underestimated them (Wake Forest)."

The Carolina coach believes that the Terrapins will be plenty tough when they meet Carolina, especially since it is the homecoming game for the Maryland team. Barclay seemed pleased to find out that nearly a thousand tickets have been sold here for the game. "I think the student's spirit will help us a lot," he said.

Maryland fullback Dick Bielecki, end Billy Walker, center John Irvine, and quarterback Charlie Boxold drew praise from the Carolina coaching staff. Barclay also admitted that the Terps have a much bigger team than his Tar Heels.

### Bobo Olson Risks Title Against Joey Giardello

SAN FRANCISCO, Oct. 11 (AP)—Middleweight Champion Carl "Bob" Olson will risk his title for the third time since he won it in a fight with Britain's Randy Turpin by taking on the top-ranked contender Joey Giardello, of Philadelphia, in 15 rounds here Dec. 15.

Turpin was European Champion and Olson the American titleholder when they met.

The agreement announced today came as a surprise. Olson, who has been in light training the past two weeks, had indicated strongly he planned no further title action this year for income tax reasons.

Giardello was operated upon last Wednesday for removal of torn cartilage from a left knee injured in a car crash. He now is in St. Agnes Hospital at Philadelphia but his surgeons said Giardello should be able to start road work in a month.

The fight, to be nationally televised over the CBS Network, will be staged at San Francisco's huge Cow Palace where Olson defeated Rocky Castellani Aug. 22.

### Orange Bowl Committee Favors 3-Year Contract

MIAMI, Fla., Oct. 11 (AP)—The Orange Bowl committee voted today in favor of a three-year renewal of its contract with the Big Seven and Atlantic Coast Conferences to provide the football teams for its New Year's Day games.

Approval by the two conferences is believed certain.

The present two-year pact will expire after the game next Jan. 1. Last New Year's Day, the pact produced the country's top bowl game between Maryland, the No. 1 team of the nation, and Oklahoma, the No. 4 team.

James L. Knight, Orange Bowl president, said the tieup with the two conferences was "the best possible deal we can make."

If you drive for the sheer zest of it  
**you owe yourself this hour!**

Luxurious seating for driver and passenger in deep foam rubber (but cradled in the traditional security of bucket seats). Generous luggage room, the panoramic sweep of a deeply curved windshield, the flair of tomorrow's styling (but within the polo-pony compactness of a real road car). The Corvette blends all this and more. For it is a driver's car... a low-slung torpedo with a center of gravity only 18 inches above the concrete... with outrigger rear springs that make it hold to the road like a stripe of paint... with a 16 to 1 steering ratio that puts needle-threading accuracy at your finger tips.

Frankly, the Corvette is a "limited edition," made only in small numbers. It is intended only for the man or woman to whom driving is not just transportation but an exhilarating adventure, a sparkling challenge to skill and judgment. If you are one of these, then you owe yourself an hour with a Chevrolet Corvette.

Call us now and let us set up a demonstration run... for in a short 60 minutes you can discover that motoring has a whole new dimension of delight.
