The Joint Appropriations and Joint Finance committees will resume hearings tomorrow afternoon on the state's budget for the next two fiscal years. ## Creasy Picks Pre-Medical Man To Job

Bert Veazey, a junior from Raleigh, has been appointed Chairman of the Orientation Committee for next year, according to Tom Creasy, president of the student body.

Veazey, who was selected for the position by Creasy, is a pre-med student. He is a member of ATO fraternity.

The new orientation chairman was a member of the student Legislature during the last quarter of his freshman year and all of his sophomore year. He was appointed to the Consolidated University Student Council last spring. Also during his sophomore year, Veazey was a member of the Interfraternity Council.

Veazey is a member of the IFC court this year and was chairman of last fall's Consolidated University Day. He is also now on the Student Audit Board.

Creasy, after announcing Veazey's appointment, said, "I think that Bert is one of the ablest men in student government, and I am very happy with his acceptance of the appointment."

"I am greatly honored to have received the appointment to this position," said Veazey. "My only hope," he continued, "is that I can approach the wonderful success which my predecessors have had with this duty. I realize the importance of student orientation to our University and shall do my utmost to present a good program for our incoming students next fall."
