Yoder, Kraar Get UP Endorsement

Mundy Tries For Endorsement: Fails

By ED MYERS

The University Party last night endorsed Louis Kraar and Ed Yoder for co-editors of the Daily Tar Heel by a margin of 28 to 17.

Dave Mundy was the sole opposition to Kraar and Yoder for the UP nomination.

Mundy said he was "alienated to the thoughts of running until this incorporation struck a discordant note within me."

Mundy said that he would not go on "wild crusades" as he said The Daily Tar Heel has done in the past.

"I shall leave out editorials which accomplish nothing but simply serve to stir up ill-feeling," he said.

Stanley Shaw, who nominated Mundy, said in speaking of the present editorials, "Most of the views are opposite to the rest of the state and are not the views of UNC."

Ed Yoder was the first of the UP-sponsored co-editors nominees to speak. "The first requirement of a newspaper should be covering interests which touch as many segments of the student body as possible. We also promise you more student writing; this is not to say, however, that the editorial page should be devoted entirely to student writing, but some national columns would be eliminated, with the wishes of the students."

Kraar promised "there will be a close liaison between the editorial and news staffs." He also disclosed that he and Yoder planned to visit 500 students to find out what they want and listen to their suggestions.

The ministers' statement said, "We are . . . considering a particular community problem and the moral issue concerned in it."

"The moral issue, as we see it, whether or not we as a community want to become in effect 'silent partners' in the distribution of a product which aggravates, possibly creates, serious personality disturbances in its patrons."

ED MCCURRY
UP nomination

By NEIL BASS

The University Party in five minutes ushered Ed McCurry in as its nominee for student body president last night by acclamation.

"Well, this is it," said Rollie Tillman at 8:56. He then placed McCurry's name in the boiling presidential candidacy pot. Tillman enumerated his candidate's qualifications by saying "No one else can fit the need" that the executive task imposes.

At 9:01 Rueben Leonard, acting chairman of the party, said "Ed McCurry is nominated." No dissent voice was raised against McCurry.

In accepting the nomination, McCurry said, "This is the greatest honor and privilege of my life." He proposed a campaign that would not be based on his efforts alone, "but the determination of the entire party."

At 9:03 Jim Martin was nominated for treasurer of the student body. Two minutes later he was also installed as the UP candidate by acclamation.

Other selections of the night were again by unanimous consent. Jerry Martin, Hugh Upton and Tom Davis were chosen to run for seats in dormitory men's district III; Lloyd Lohr and Pete Slager in dormitory men's IV, and Ned Meekins in dorm men's I.

Leonard announced the selection of Jim Exum as campaign coordinator in earlier action of the session. A campaign committee was also named.

In a legislative report given by Jack Stevens, floor leader, he brought out the fact that the UP was behind the Student Party in number of bills passed. Stevens explained this by saying that "While the SP has passed 26 bills to our eight, most of the stuff that they have passed has been like junk mail."

He went on to say that the "SP measures sounded good but were impossible to carry through."

McCurry, in accepting the unopposed victory, said, "I pledge myself to a positive, clean, vigorous campaign."

"I promise to the student body an active, representative and efficient administration if elected."

Kalogridis will use his scholarship at the University of London at King's College. He has applied for study in English common law, legal theory and Napoleonic code.

Kalogridis has been advised to go directly to London, England, in September where he will undergo a short program of orientation prior to beginning his year of study.

The Florida student has distinguished himself both here and at Davidson College, from which he graduated in 1952 with a B.S. in English constitutional history.

While at Carolina he has been a Morehead Scholar, has twice served as vice-president of his class and as a member of the Law School Legislature, and is presently editor-in-chief of the North Carolina Law Review, a quarterly publication of the School of Law.

At Davidson he was initiated into Phi Beta Kappa, Beta Theta Pi social fraternity and Omicron Delta Kappa, honorary leadership fraternity.

He is also listed in Who's Who in American Colleges and Universities.

State Of Campus Talk

Shaping Up, Says Webb

Plans for the second State of the University Conference are now in the shaping, reported Beverly Webb, co-chairman along with Susan Fink, yesterday.

The conference was set up by the student Legislature last year to combine faculty and student representatives for an informal discussion about the problems confronting faculty-student relationship.

According to Webb, the conference will be held toward the latter part of April. Topics for the discussion and participants will be announced later, he said.
