

GRANT . . . UNC Great Returns

# ACC Champs, Grant Play Here Saturday

Tennis enthusiasts will be in for a treat here Saturday afternoon when Bryan M. (Bitsy) Grant tangles with the top Atlantic Coast Conference tennis players on the Varsity courts.

Grant, former U. S. Davis Cup star, eleven-time winner of Southern championships, one of the top ranking U. S. players for several years, and the greatest collegiate player in UNC history, will meet ACC champ Tommy Bradford at 2:30, and following that will team with ACC runner-up Herbe Browne against Pete Green and Bobby Payne, ACC doubles runner-up team. Browne and Bradford won the ACC doubles title.

Grant, now 45, is still continuing his tennis feats. Only three years ago at Memphis he copped his eleventh Southern title, amazing the tennis world by whipping players twenty years his junior in 100-plus degree heat.

He came to UNC with the ama-

zing "tennis class" of 1929, and played under present coach John Kenfield. Kenfield, in picking an all-time Carolina tennis team, ranked Grant ahead of now-famous Vic Seixas as a collegiate player.

The exhibition here is being sponsored by the North Carolina State Tennis Assn.

ed the representation on the Forum.

"I feel I have been done an injustice," Holmes said. "Why was a partisan issue made of this?" he went on to say.

The SP objected to Holmes' refusal because, it insisted, a bad "precedent" was being set; and the UP was interfering with presidential powers.

# Gravitte, Zachary Top UNC Hitting

Connie Gravitte, now a New York Yankee farm hand, won the official batting title for Carolina Tar Heels this season with a .356 average, according to final statistics released today.

Gravitte, senior centerfielder, banged 31 hits in 87 times at bat, and led the team in home runs with seven and doubles with six. Afield, he handled 72 chances with only one error, a bobble of a ground single in the final game against Duke.

Tom Zachary, whose late season hitting splurge sparked the Tar Heels to eight wins in their last nine starts, ended the season with a .380 medial, but was only at bat fifty times, twelve short of the number required to win the official batting title. Zachary broke into the starting line-up with four hits in five trips midway in the season and continued his hefty hitting the rest of the way. He played in the outfield in his first few games, then was switched to first base. At the season's end he was hitting in clean-up spot for the Tar Heels.

Punch-line to the year's hottest power story—

# Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR\* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chev-

rolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your foot!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!
