

NCAA Tennis Championship Played Here

Seedings In Singles, Doubles Are Listed

The seventy-first National Collegiate Tennis Championships of the United States, under the auspices of the National Collegiate Athletic Association, is being held on the UNC campus courts, June 20 through June 25.

One of the prime goals toward which the competing schools are striving is the Ackerman Bowl. "The Ackerman Bowl is being put into competition this year by the University of California at Los Angeles to honor Mr. William Ackerman, coach of tennis at that institution. Mr. Ackerman will come to Chapel Hill to personally present the bowl."

The singles seeding are as follows: 1. Sammy Giammalva, Texas; 2. Clifton Mayne, Cal.; 3. Jacque Grigry, So. Cal.; 4. Jack Frost, Stanford; 5. Bill Quillian, Wash.; 6. Dick Doss, UCLA; 7. Jose Aquero, Tulane; 8. Pancho Contreras, So. Cal.; and 8. Bill Cranston, Yale.

The doubles are as follows: 1. Jacque Grigry-Allen Cleveland, So. Cal.; 2. Dick Doss-Joe Blatchford, UCLA; 3. Pancho Contreras-Joaquin Reyes, So. Cal.; and 4. Sammy Giammalva-Johnny Hernandez, Texas.

Jim Beatty Runs Fast Two-Mile

Jim Beatty placed second in one of the fastest National Collegiate Athletic Association two-mile runs since its inception 35 years ago.

Beatty placed second with a time of 9:07.8 to Ken Reiser, who came in first with a 9:04.5.

In the race Jim started off rather quickly and maintained a 15-yard lead throughout most of the first half. After that the pack caught up with him and for the next few laps the field remained the same with Jimmy running sixth. At the start of the last lap, Reiser took the lead

which he maintained for the rest of the race. At the last curve Beatty started passing the pack, but was unable to recapture the lead.

According to Coach Dale Ranson, "Beatty's two-mile run is the best of any person in this part of the country (the ACC and Southeastern Conferences). In fact, his time, 9:07.8, would have won all but five of the tournaments."

Coach Ranson went on to say that, "Jimmy did a tremendous job, and he is confident that Jimmy will go in to 9 minutes next year." He concluded by saying that Jim is not only good, he is great.

Dr. Henderson Elected President, Shaw Society

Dr. Archibald Henderson, retired professor of mathematics of the University of North Carolina, has been reelected president of the Shaw Society of America.

Dr. Henderson is the official biographer of George Bernard Shaw, and has written a number of books on the famous man of letters.

The election was held at the Grolier Club at New York City. Other officers who were elected were Richard Aldrich, Felix Grendon, Leonard Lyons, Maxwell Steinhardt, and Gene Tunney, active vice-presidents; honorary vice-presidents were Katherine Cornell, Samuel Goldwyn, Sir Cedric Hardwicke, and Thomas Mann.

The society voted to hold celebration in New York City next year in honor of the centenary of Shaw, which is also the time that Dr. Henderson's new biography of Shaw will be published. The new biography is called "George Bernard Shaw, The Man of the Century."
