## DELEGATE TO THE CABINET?

### Phi To Debate Place Of Power In Case Of President's Death

A bill providing for the assumption of Presidential duties by Cabinet members in case of incapacitation of the chief executive will be debated tonight by the Phi Assembly.

The meeting will be held at 8 p.m. in Phi Hall, on the top floor of New East.

The measure, entitled "A National Security Bill," provides that in circumstances of mental or physical incapacity of the President of the United States, various persons would take over and officially assume his duties.

### Dialectic Senate Plans To Debate Question Of Agricultural Supports

The question of Agricultural price supports will be debated by the Dialectic Senate at its weekly meeting tonight.

The bill for debate was written by Sen. David Mundy, who is now at Goettingen University in Germany, and will be introduced by his successor as President Protem, Sen. Steve Moss.

price supports resulting from the present price-support program. The bill's enemies are expected to contend that the present system is, on the whole, satisfactory, and to point to the endorsement given the price support program by the farmers themselves in several referendums.

The Dialectic Senate meets on the third floor of New West at 8. Visitors have been encouraged to attend and to participate in debate. Several visitors have attended the last two meetings, and the Di hopes they will return, according to a spokesman.

## Faculty Move Favoring Integration Revealed

By BERNIE WEISS

An informal movement by some 50 faculty members of the three divisions of the Consolidated University to support integration has apparently become bogged down in red tape.

In August, unofficial letters, advocating integration were dispatched to Governor Hodges (Chairman of the Board of Trustees), J. Harris Purks, acting president of the University, and the three Chancellors.

"The Phi is a central campus medium for free student self-expression," Speaker John Curtis said yesterday. "Every student will be welcomed at the Phi's assemblies and will have the opportunity to speak if he so desires," he continued.

Speaker Curtis also invited all interested persons on campus to apply for membership in the Phi.

faction was involved in the movement. The members included "southerners as well as carpetbaggers, engineers as well as artists," he explained. A sizeable group at N. C. State signed the letters along with the WC and UNC faculty members. He hastened to emphasize that the action was strictly unofficial.

## GM HOUR SLATED TONIGHT

The Graham Memorial Activities Board will hold a social hour tonight for all students interested in working with any phase of the board.

The meeting will be held at 7 o'clock in the Rendezvous Room of Graham Memorial. It will be the first general meeting of the entire Activities Board.

Entertainment will be provided by Jess Stribling on the accordion and songs by a group of male students. Jira Wallace, director of Graham Memorial, will welcome the group.

Officers of the Activities Board are Bob Young, president; Vic Sydnor, vice-president, and Miss Anne Wrenn, secretary.

Committee chairmen are Tex Burleson, Outings Committee; John Raper and Juan West, Student-Faculty Forum; Miss Pat McBane, Film Committee; Miss Bobbie Zwahlen and Bob Hicks, Dance Committee; John Ludwig, Music Committee;

Miss Anne Wrenn, Office Committee; Miss Anne Barwick, Calendar Committee; Miss Jo Sinclair and Bob Gedney, Public Relations Committee; Miss Sylvia Greene, Recreation Committee; Ken Lowery, Sound and Fury; Miss Laura Ervin, Polls Committee and Misses Jane Howie and Trissy Holt, Receptions Committee.

The Calendar Committee had charge of the GMAB calendars and post cards which came out last week. Monthly supplements to the semester calendar are planned.

The Receptions Committee handles all receptions held in GM throughout the year, such as the one for Sen. William F. Knowland last week.

The Film Committee is sponsoring a free movie series, which began Sept. 23, in addition to its regular series. The free series includes a movie every Friday night, with showings at 8 and 10 o'clock.

The Public Relations Committee plans to write to more people interested in working with the Activities Board.

The newly organized Outings Committee has three events scheduled for the fall. These are an indoor swim party, jazz session and picnic at Battle Park and a sports car show.

The Dance Committee hopes to have combos in the Rendezvous Room and serve refreshments. It is also planning a junior-senior ball and several dances in the Tin Can. The free dancing lessons held in the Rendezvous Room are arranged by this committee.

The Polls committee plans to (See GM HOUR, page 4.)

## Tickets Now Ready For Caravan Trip To Athens Saturday

Unless 300 Make Trip, Nobody Will

As far as most students are concerned, this week's game with the Georgia Bulldogs is the top game of the season.

The game is the annual "caravan" game, for which all classes will be suspended from Friday at 1 p. m. until 8 a. m. Monday morning. The suspension will permit students to attend the game. All unexcused absences on Friday and the day before and on Monday and the day after will be counted double.

According to Head Cheerleader Collie Collison, a special train will leave Durham Friday afternoon at 4 p. m. and will arrive in Gainesville, Ga., at midnight. Students will then board chartered buses and will arrive in Athens at 1 a. m. Saturday.

The buses will transport the students from the Georgian Hotel to the game on Saturday morning. After the game the students will again board the buses and will go to Atlanta for what some students say will be a victory celebration. They will stay at the Atlantan Hotel in Atlanta.

However, unless a minimum of 300 students makes reservations, the train will not make the trip and such trips in the future may not be arranged, said Collison.

Bargain rates for the caravan have been arranged and tickets may be bought for \$16 at the Athletic Assn. Office in Woollen Gymnasium.

Don Fowler, president of the student body, had this to say about the caravan:

"It is very important that a large number of students participate in the caravan trip to Georgia this weekend. If we do not take advantage of these planned events it is likely that the administration will discontinue such free holidays for football games in the future."

"From all reports which have reached me, this promises to be a wonderful trip. I certainly hope we will have a fine representation in Athens to see Carolina beat Georgia."

OFFICERS GRAVES, BURNS, CULBRETH & WARNER Shown with Chancellor House at the Old Well

## Three New Executives Named For Naval Unit

Three new navy officers have been assigned to the University's Naval ROTC unit, according to an announcement from Col. R. C. Burns, commanding officer.

They are Cmdr. John H. Graves Jr., Lt. Cmdr. Howard C. Culbreth and Lt. (jg) Brooks F. Warner.

Cmdr. Graves is married to the former Graciela Miranda of Havana, Cuba. They, with their son and three daughters, are making their home in Greenwood while in Chapel Hill.

Lt. Cmdr. Culbreth, aviation officer of the local ROTC unit and assistant professor of naval science, came here from the Naval War College, Newport, R. I., where he attended the Command and Staff Course.

A native of Greensboro, Culbreth entered the navy as an aviation cadet in 1942 after graduating from Elon College in that year with a B. A. degree in history. After attending preflight school at UNC in 1942 and flight training at Pensacola, he was designated a naval aviator in 1943. He is married to the former Miss Helen Florine Ray of Burlington.

They and their three sons are making their home at 9 Rogerson Dr. while in Chapel Hill.

Lt. Warner, engineering officer of the unit and assistant professor of naval science, reported here from the U.S.S. Sarasota where he was assistant first lieutenant.

He entered the navy through the Naval ROTC program, graduating from the University of South Carolina with a B.S. in civil engineering in 1950.

Just 10 days prior to reporting to Chapel Hill Lt. Warner was married to the former Miss June Simpson of Norfolk, Va. They are making their home at 42 Hamilton Rd.

## Student Arrested For Running Light

Clyde Walters Burleson, 21 was arrested Saturday by officers G. L. Creel and E. S. Robinson on a charge of running through a stop light.

His case will come up before Recorder's Court Oct. 10.

## WUNC's Making Name For Itself

By CURTIS GANS

In its three years of operation, WUNC, the University's radio station, operating on a frequency of 91.5 megacycles on the FM band, has made a name for itself among discriminating listeners in the area and as far away as Wilmington and Mt. Mitchell. Now beginning its fourth year, the station is hampered by lack of funds, but is currently operating on more power and longer hours than ever before.

### STUDENT-RUN

With the single exception of the manager, John Young, WUNC is entirely student-run, with Ronnie Thomas, Butch Culbreth, Phil Goodman, Tom Spain, David eStzer, Miss Donna Ashcraft, Don Patterson and Jim Wilkins doing much of the administrative and technical work.

The station attributes part of its success to its policy of "Informality with Dignity," and to the industry of its individual participants. The staff of the station is made up of some 35 students with varying degrees of professional experience. These students write, produce and direct their own shows.

Another policy of the station that has met with considerable favor in the area is to bring to the radio audience programs that would otherwise go unnoticed and unheard through other stations. Thus, WUNC broadcasts

all major speeches and concerts held on campus, and such programs as "Let's Listen to Opera" run sometimes continuously for three hours.

The station is sometimes open to the cry that programming is too serious. However, this station considers one of its main assets, and points with pride to a letter from an avid listener which said that WUNC is a "oasis in a cultural desert."

In the beginning of the summer, the station stepped up its power from 1,450 watts to 15,500 watts, but is handicapped by the fact its transmitting aerial is but 75 feet high.

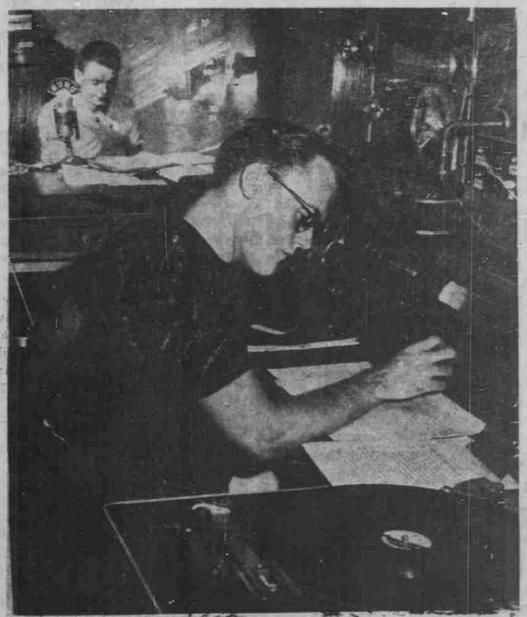

The station is now operating a half hour a day longer than in previous years. Programming begins at 6:30 p.m. and continues to 11:30 p.m. The station is in operation seven days a week, and is closed only for Christmas and summer recesses.

The main problem of the station is financial. In the beginning, the station was a relatively small operation, but since it has grown, it has exceeding difficulty in living within the budget set by the Dept. of Radio, Television and Motion Pictures. The station is hoping for an increase in allowance from either the state or the university; however, none is in sight at present, according to a spokesman.

Yet, even without a large budget the station can claim a uni-

que honor. This came in the form of a letter of praise to WUNC from a Duke graduate student, who said WUNC is so pleasing

that many of the Duke students (including the writer) are listening to WUNC rather than the Duke campus station.

ANNOUNCER GEORGE BRENHOLTZ & TECHNICIAN SAM DONNELL they and others at WUNC-FM. are daily on the air Henley Photo.

## Scales To Give Appeal Richmond

RICHMOND, Va., Oct. 3 (AP)—The appeal of Junius Irving Scales, 35, an admitted Communist, from a conviction and six-year sentence under the Smith Act, will be heard by a federal court here tomorrow.

It will be the first circuit court test of the act's membership clause under which the Greensboro, N. C., native and onetime student at the University of North Carolina was convicted.

Scales was convicted in District Court at Greensboro last April of being a member of an organization which he knew advocated the violent overthrow of the United States government.

Previously, alleged Communists were tried under Smith Act regulations forbidding groups from conspiring against the government. Scales is free under \$35,000 bond pending his appeal before the United States Circuit Court of Appeals for the Fourth Circuit.

He is expected to be represented by David Rein of Washington, D. C., his counsel in the district court trial. Appearing for the government will be U. S. Dist. Atty. Edwin M. Stanley of Greensboro, and William F. Tompkins, assistant U. S. attorney in charge of the Internal Security Division.

## State Dept. Employee To Talk Today

John R. Garnett, representative of the Dept. of State, will visit the University today.

Garnett will speak in connection with opportunities in the Foreign Service Officer Corps for young men and women. He will also discuss staff positions in the State Dept.

Garnett, deputy chief of the Employment Division, was appointed to the Dept. of State in 1951. He previously served in the Personnel Department of the Department of Agriculture and as an officer in the United States Navy.

Garnett will talk before classes in addition to a group meeting in Gardner Hall at 2 p.m. for all interested students.

## Dating, Courtship Talk Set Tonight

The YMCA Freshman Fellowship will meet at 8:30 tonight upstairs Courtship.

All freshmen in Lewis, Everett, at the Y to discuss "Dating and Stacy, Graham and Aycock Dormitories have been invited to attend and participate in the discussion. Mrs. Ethel M. Nash, instructor in sociology here and a recognized marriage counselor, will participate in the discussion.

An article by Mrs. Nash on dating, courtship and marriage was recently published in the Intercollegian.
