CHAPEL HILL, FRIDAY, JULY 27

NUMBER 7

Stardust Ball Slated Tomorrow Night

Libby McDowell: Miss Chapel Hill, 1956

The charming bit of femininity pictured above is Libby McDowell, the reigning Miss Chapel Hill and a top contender in the Miss North Carolina Beauty Pageant being held this week in Morehead City. Libby is a 21 year old Carolina coed from Wake Forest.

At Morehead City . . .

UNC Girl Seeks Miss North Carolina Crown

Libby McDowell, UNC coed from Wake Forest who now holds the title Miss Chapel Hill, is in Morehead City this week attempting to become the first local girl ever to win the Miss North Carolina Beauty Pageant.

The gala show designed to select North Carolina's loveliest lassie got under way Wednesday with the final round and the crowning of the Queen set for tomorrow night.

2433 Students Are Enrolled 2nd Session

According to figures released from the Director of Admissions' office, summer school enrollment for the second session is down by 671 from the first session total.

A total of 3104 students were regularly enrolled during the first session, and this session there are only 2433 students registered. This is a jump of nearly 200 students over last summer's second session. The largest summer school enrollment ever was in 1948 when 4493 students were registered.

As is usually the case, boys heavily outnumber the girls. 1817 boys are enrolled, while only 616 girls are registered.

Linda Mann Named As GM Director

By GILBERT ROTHSTEIN

Linda Mann, a 1956 graduate of Carolina, has been chosen by the Personnel Committee of Graham Memorial to be the new GM Director.

Miss Mann, who lives in Hollywood, Florida, will replace Jim Wallace, who has resigned effective September 1. Miss Mann received an A.B. in Psychology at the end of the spring semester.

While at UNC, she was Vice-President of the Graham Memorial Activities Board. She will assume her new duties by August 15 and from then until September 1 she will work with Mr. Wallace, who will familiarize her with the position.

MISS MANN

When Miss Mann takes over she will have as her aide Dan Turner, who last week was named Assistant Director of Graham Memorial. Turner, a Production Management major, has been with GM for two years and will be able to help Miss Mann in her duties.

In a letter to Bob Young, President of the Student Body, Miss Mann said, "I would be most happy to accept the position if the Board of Directors sees fit to give me the responsibility."

"I enjoyed my work with the Activities Board, and I look forward to coming back to Chapel Hill."

Bob Young, speaking for the Personnel Board, said, "On the basis of Miss Mann's work with GMAB, and her promise to fulfill the duties of Director we wholeheartedly endorse her and recommend her approval."

"We feel that she will be most co-operative with students and administration connected with Graham Memorial, and will do a most satisfactory job during the coming year."

President Young also expressed regret that Mr. Wallace is leaving.

Bill Langley And His Stardreamers To Play

There will be dancing under the stars this Saturday night on the UNC campus.

"Stardust Ball," sponsored by the Summer Activities Council, will be held on the tennis courts tomorrow night. The music of Bill Langley and his Stardreamers will open the ball at 9 p.m., and the festivities will continue until midnight. There will be no admission charge and the gates will be open for all summer school students.

The Stardust Ball is the second such dance to be held on the tennis courts this summer. Co-chairmen Earl Dawkins and Edna Faye Pugh say that although the "Moonglow Ball" held first session was one of the most successful to be held on this campus during any summer session, "it has served as a challenge for us to make this dance even more en-

joyable for everyone on campus. We're having this dance early in the session so those attending may meet old and new friends in addition to enjoying a delightful evening of dancing. We hope no one will be kept from coming to the dance simply because they do not have a date."

Others who worked on the dance in addition to the co-chairmen were Marcia Warford, chairman of decorations; Norris Bell, Gordon Peacock, Joe Creech, Jeannie Margaret Neadow, Stewart Arnold, Dan Rankin, and Bill King.

Anyone who would like to help decorate the courts before the dance is asked to come to the asphalt tennis courts tomorrow afternoon at 4.

In case of rain the dance will be held in the basement of Cobb Dormitory.

Patterson To Head ROTC

When the Naval ROTC meets next fall, they will be under the leadership of Captain Alexander McLeod Patterson, USN.

Capt. Patterson will succeed Col. Robert Carter Burns, USMC, who has been commander of the Naval ROTC here for the past three years. Col. Burns has been transferred to Camp Lejeune, where he will be chief of staff of the Second Marine Division.

Captain Patterson, who was appointed to the U. S. Naval Academy in 1923, attained the rank of Captain in 1949. He has been on the USS Pennsylvania, USS Wright, the battleship USS Colorado, and the USS Oakland. While Damage Control Officer and later Executive Officer on the Oakland, he was awarded the Bronze Star Medal for "heroic achievement as Damage Control Officer and later as Executive officer of the cruiser USS Oakland, during operations against enemy Japanese forces in the Pacific War Area from November 15, 1943 to August 4, 1945."

In addition to the Bronze Star Medal with Combat "V", Captain Patterson has the American Defense Service Medal, Fleet Clasp; the American Campaign Medal; the Asiatic-Pacific Campaign Medal with one silver and four bronze stars (nine engagements); the World War II Victory Medal; the National Defense Service Medal; and the Philippine Liberation Ribbon with two bronze stars.

Classes Meet

Classes will be held in all departments tomorrow.

DR. FRANZ POLGAR

Franz Polgar To Be Here Thurs. Night

Dr. Franz Polgar, world renowned hypnotist and a frequent visitor to the Carolina campus, will present a show next Thursday night, August 2, at 8 p.m. in Memorial Hall. Admission will be free.

Dr. Polgar's show, sponsored by the Summer Activities Council, will feature a performance of telepathy, memory feats and hypnosis. Polgar, who last appeared on the University campus in the fall, claims he is able to hypnotize a group of ten or twenty volunteers from the audience at will.

He then makes them do anything he wishes. In the past, he claims, he has made them fall asleep at his command, shiver at his suggestion that it's suddenly gotten cold, and just as swiftly perspire when he tells them it is unbearably hot. He also asserts that he can walk down a line of
