Four Campus Problems To Be Discussed Today

Members of the Student Government Executive Council will meet Friday with members of the administration's Council on Student Affairs in the South Building to discuss four campus problems.

The problems, which were agreed upon at a meeting Wednesday by members of the council headed by Student Body President Bob Young, were as follows:

1. The parking situation, as it confronts members of the Inter-

fraternity Council.
2. The need for a student group to coordinate campus activities.
3. Compulsory physical education for veterans.
4. Allocation of men's dormitory vending machine profits.
The purpose of the joint meeting, according to President Young, "is to familiarize the student affairs council with what we feel are the problems which confront student government."

STICKLERS ARE TICKLERS and a mighty soft way to make money! Just write down a simple riddle and a two-word rhyming answer. For example: What's a ball player who gets a raise? (Answer: richer pitcher.) Note: both words must have the same number of syllables—bleak freak, jolly dolly, vinery finery. Send your Sticklers, with your name, address, college, and class, to Happy-Joe-Lucky, Box 67A, Mt. Vernon, N. Y. Don't do drawings! We'll pay \$25 for every Stickler we use in our advertising—and for hundreds that never see print. And remember—you're bound to Stickle better when you're enjoying a Lucky, because Luckies taste better. Luckies' mild, good-tasting tobacco is TOASTED to taste even better. Fact is, you'll say Luckies are the best-tasting cigarette you ever smoked!
