## H'Coming Queen Will Be Elected In Voting Today

Students will vote today for Carolina's Homecoming Queen for the homecoming game to be played here this Saturday with Georgia. Fraternities and sororities will vote at their regular meetings tonight, and dormitory residents will vote by ballots to be passed out in the dormitories today.

The identity of the queen will not be revealed until she is presented at the game, according to University Club president, Joe Clapp.

Saturday's festivities will also include homecoming displays sponsored by dormitories, fraternities and sororities. Clapp urged all dorms, fraternities and sororities to enter a display in the competition.

A representative will be chosen in each of the sororities and women's dormitories. Organizations planning displays have been urged to send their \$2 entrance fee no later than tomorrow night to Joe Clapp, 122 Mallette St., or call him at 9-3251. Displays will be judged Saturday morning beginning at 10 o'clock.

## Public Health School Gets Large Grant

The UNC School of Public Health has received part of a million dollar grant awarded to schools and individuals by the U. S. Public Health Service.

The school received two grants totaling \$39,115. Six of the grants, totaling \$19,940, are being used for traineeship grants in the Department of Public Health Nursing of the UNC School of Public Health.

The remaining \$19,175 will cover five traineeship grants for other public health work within the UNC school.

This program was authorized by Congress on July 23. Since that time the Public Health Service has sent notice to the schools, received applications and notified recipients of awards in order that the program could get underway during the current semester.

## Farrell Concert Tonight

Eileen Farrell will be presented in a concert tonight at 8 p.m. in Memorial Hall.

Tickets for the concert will be available at the door and at GM Information Office at a cost of \$2.50. Season tickets may also be used.

## Billiards Exhibition Set Today

Charles Peterson, "Father of Inter-collegiate Billiards," will give a free exhibition tonight at eight o'clock in the basement of Graham Memorial.

Peterson has been appearing each afternoon this week from 1-5 p. m. in GM's basement. The billiards expert has been giving free instruction to both men and women students.

The instruction will continue through Friday afternoon. Friday night, "date night," there will be a short tournament held and three prizes will be awarded the winners.

Peterson has said he thinks that UNC has potential as far as organization of a billiards team for national competition is concerned.

## English Club To Meet In Library This Friday

Prof. Norman E. Eliason of the UNC faculty will be the featured speaker Friday at 7:30 p. m. when the English Club meets in the Assembly Room of Wilson Library Building.

Using as his topic the resurgence of interest among American scholars in the study of Old English and related languages, Dr. Eliason will answer questions from the audience after his remarks.

In his discussion of the resurgence, he will center his talk around the career of Prof. Kemp Malone, Old English scholar who recently retired from teaching at Johns Hopkins University, where Eliason was associated with him while completing his doctoral work.

## UP Chairman Says Parking Plan Needed

University Party Chairman Mike Weinman last night said "there is no reason in the world" for the two-hour parking restriction in front of Big Fraternity Court.

At the party's first meeting of the year held last night, he said "We're trying our best to get the parking areas back." He called upon party members to form a "little group" to do something about the matter.

The restriction, put into effect late last summer by the Chapel Hill Board of Aldermen, limits parking to two hours on Columbia St. between Cameron Ave. and Franklin St.

Weinman also spoke of the meeting Student body President Bob Young and Interfraternity Council President Ed Huggins had with the aldermen Monday night.

He said to get anything done "You've got to come through with a plan. Those people (Young and Huggins) didn't have any plan."

Young and Huggins had requested the aldermen to "temporarily remove" the restriction while a more satisfactory plan was being worked out.

The aldermen refused but Mayor O. K. Cornwell, who is chairman of the UNC Physical Education department, urged another meeting when all the parties—students, townspeople and merchants—could get together.

Weinman suggested using half of the lawn in front of McIver dormitory for parking cars. He said it would make a "nice parking lot" for about 100 cars.

Both Weinman and UP member Benny Thomas denied a report saying Thomas was about to leave the party because of differences with each other.

Daily Tar Heel reporter-columnist Neil Bass stated in a column in yesterday's paper that Thomas, "who has fought long both in the dorms and in the Legislature hall to keep the tag, 'Fraternity Man's Party,' off the UP is being rebuffed by Weinman."

Bass got his information, he said, "from reputable sources."

Thomas said he was a "dorm man" and would be "until he got out. But I am also a UP man, he said.

## Speakers List Problems In Education

Education leader Charles G. Rose Jr., in an address here yesterday afternoon before the regional School Board Work Conference, enumerated major problems faced by North Carolina "in moving forward toward continued progress and advancement in our public schools."

Speaking on "Preserving, Strengthening and Improving our Public Schools," The Fayetteville attorney said that "the enthusiastic vote for the Pearsall Plan amendment was also a resounding vote of confidence for public school officials throughout the state for the fine work they are doing."

## Dodgers Even Series On Robinson's Single

BROOKLYN (AP) — Jackie Robinson's single with two out and two on base in the tenth inning brought in Junior Gilliam with a run that gave the Brooklyn Dodgers a 1-0 victory over the New York Yankees yesterday and tied the World Series at three victories for each team.

The seventh and deciding game will be played at Ebbets Field today.

Robinson's hit broke up a brilliant pitching duel between Bob Turley of the Yanks and Clem Labine of the Dodgers. It was only the fourth hit off Turley, who was in occasional trouble because of wildness but struck out 11. Labine, touched for five hits in the first four innings, yielded only seven in all.

Walks to Gilliam and Duke Snider, the latter intentional, paved the way for Robinson's winning blow, which sailed over the head of left fielder Enos Slaughter and hit the left field wall.

A crowd of 33,224 thrilled as Labine and Turley battled through nine scoreless innings of brilliant pitching with hardly a scoring threat by either team. The Yanks got two men on base in the sixth inning and again in the eighth but failed to get a runner past second.

The Dodgers didn't get a man as far as second until the sixth inning, when they drew two walks. In the eighth Labine got a ground

## Six Students In BA School Win Grants

Six senior accounting students at Carolina have been awarded scholarships given for the 1956-57 year by the N. C. Association of Certified Public Accountants and four CPA firms in this state.

The winners, selected for their scholastic achievements, character, leadership and need, are: Thomas S. Brickhouse, Rocky Point; Ray E. Crouse, Winston-Salem; Fred G. Eidson, Elkin; Arthur R. Fried

L. P. WHEELER JR. wins \$500 grant

Marion; John M. Sewell, Murfreesboro; and Lucius P. Wheeler Jr., Washington.

Price and Wheeler were each awarded \$500 scholarships, given by the Strand, Skees, Jones and Company of Greensboro and Char lotte, and by the Haskins and Sells of Charlotte, respectively.

The four other awards, value at \$300 each, were given as follows: Peat, Marwick, Mitchell and Company scholarship to Brick house; Williams, Urquhart and Ficklin of Raleigh scholarship to Crouse; and two scholarships from the N. C. Association of Certified Public Accountants to Eidson and Sewell.

## Film Series Starts Thurs.

The first of the film series put on by the Film Committee of Graham Memorial Activities Board "E-bacco Road," will be presented Thursday.

To be shown in Carroll Hall, the film series will be seen on Thursdays at 8 p.m.

Selected short subjects will be shown with most of the films in the series.

Student running full blast into barbed wire fence near end of Stacy Dormitory.

Girls of McIver Dorm holding pep rally on roof on night of electricity breakdown.

## Chancellor Suggestion Committee Meets Today

The student committee appointed to help select a chancellor to succeed retiring Chancellor Robert House, will meet in the Council Room of Graham Memorial today and Thursday from 3 to 5 p. m.

With Sonny Evans as chairman, the group has as its purpose to air student views on the chancellorship.

Student Body President Bob Young and this committee will appear before the Trustee Committee Oct. 27 to present its report.

## Date Tickets Now On Sale At Half Price

The prices of date tickets to the conference games with Maryland and Wake Forest have been reduced to half-price.

The price of guest tickets will remain as before.

"Date tickets only will be reduced," announced Vernon Crook, UNC business manager of athletics. "Guest tickets will be available at the full price," he said.

The price of date tickets for the Maryland contest Oct. 20 will be two dollars. The full price for guest tickets is four dollars.

Date tickets for the Wake Forest game Oct. 27 will be \$1.75, while the price for guest tickets will remain \$3.50.

## Class Cut Group Mum On Meeting

The results of the Faculty-Student Committee meeting which discussed the class-cut policy system Monday afternoon probably will not be disclosed until the November meeting of the Faculty Council.

Dr. Hugh Holman of the English Dept., who is chairman of the faculty-student meeting, said that "any report issued now might be misleading."

Dr. Holman expressed the position of the faculty committee as being in "a state of experimentation and formulation of a report."

He said, "Our tentative date for submitting a report will be at the November meeting of the Faculty Council."

The atmosphere of the discussion was described by Dr. Hol-

man as being "pleasant and helpful, both to the faculty and the student members."

He explained further, "The students expressed their frank views on the subject of class regulations, and we (the faculty) advanced our ideas."

Emphasizing the relative positions of the committee, Dr. Holman said, "I wish to absolve Bob Young's Committee of any responsibility in regard to the report the faculty presents to the council. The student leaders whom Bob Young appointed acted in an advisory position, rather than in the strict capacity of a committee."

The members of the student committee which met with the faculty were Jim Hughes, Miss Susie Walker, Jerry Oppenheimer, Tom Lambeth and Bob Young.

## Davie Poplar Tells Of UNC Founding

Chapel Hill has a talking tree!

Under the proper circumstances the Davie Poplar will talk, and will tell all.

The ancient tree, the oldest of the natural landmarks of UNC University of North Carolina, not only can talk, but is garrulous to a fault.

The Poplar won't shut up once it gets started.

A tree surgeon, a professor of philosophy, a psychoanalyst, and a history professor were quietly singing 'Hark the Sound' while walking across the campus the other night, when there came a distinct sound of spoken words from the Davie Poplar. The voice had a rustling sound, combined with a sort of bark. The tone was resonant and deep timbred.

The tree said, "Say fellows, come over hear a minute."

The men were astonished, but stranger things than that have happened in Chapel Hill, so they walked over to the Davie Poplar and stood there respectfully, hats off, at attention, chests out, stomachs in.

"Do you know what next Friday is?" said the tree.

"October 12, the 163rd anniversary," said the tree. (See DAVIE, Page 3)

Poplar Tree Saw It All

This is the scene of General William Richard Davie stopping in the forest under a poplar tree, lunching there, and deciding to make it the site of the University of North Carolina.
