Petition Circulation Has Been Stopped

Number Of Signature Totals 'At Least 1500,' Says Leader

Circulation of the local petition for married students' housing has been stopped, Mrs. John Crittenden said Wednesday.

Mrs. Crittenden, leader of the petitioning group, said she felt sure "at least 1500 names were on the list."

She said the group was preparing to type up the names and home-owners of those who signed the petition. It will be circulated among members of the General Assembly very shortly, she said.

The petition, as it will be presented to the state legislature, will call for the General Assembly to approve legislation enabling the University to obtain funds for self-liquidating housing units.

It is hoped by the petitioning group that John Umstead of Chapel Hill will present the request.

The State Insurance Dept. in Raleigh recently recommended to the University all two-story housing units in Victory Villages but discontinued immediately due to the units' "hazardous nature."

UNC Chancellor Robert B. House announced shortly after this the twelve two-story units would be discontinued starting next fall.

The two-story units would be

safe for occupancy during the summer, House said, because of the lack of necessity for heat.

Summit Demands

CAIRO — The kings and presidents of the Arab summit conference demanded last night that Israeli forces withdraw at once from Egypt and Gaza.

Egypt's President Nasser, Arab King Saud, Jordan's King Hussein and Syria's President Shukri Kuwaty also declared Egypt must be paid for damage inflicted in the Israeli and British-French invasions of last October-November.

At the close of their two-day meeting here, the four chief of state signed a communique issued simultaneously in their capitals and listing six resolutions they approved.

1. A declaration that defense "should emanate from the Arab nation (the combined Arab countries) in the light of its real security and outside the sphere of foreign pact."

2. A pledge that the four governments will work for immediate and unconditional withdrawal of the Israelis behind the 1949 Armistice lines.

3. A pledge that the fuel rights of Palestinian Arabs and the sovereignty of Arabs over their lands and territorial waters will be upheld.

4. Statements that Egypt has a right to compensation from "aggressor states" for all damage and losses suffered as a result of aggression, and "all attempt to derogate Egyptian sovereignty and rights to the Suez Canal" will be rejected since the canal is an integral part of Egypt.

5. Denunciation of "British aggression" against Yemen.

6. A declaration of support for Algeria Arabs fighting against French rule in their struggle against "the forces of imperialism."

Debaters Off To Tournament In W. Virginia

The debate team will leave today at 1 p. m. for the University of West Virginia and the annual North-South Tournament.

Dr. R. P. Douthett will accompany the team to Morganton where 26 colleges and universities from 10 states will debate.

The subject of the tournament is: Resolved, that the United States should discontinue direct economic aid to foreign countries.

The tournament will cover two days. Activity will begin Friday afternoon at 1 p. m. and continue through 3 p. m. Saturday.

Representing the negative team will be Harold Stessel and Clay Simpson. The affirmative duo are David Evans and Phillip Guerdis. Stessel is also entering the after-dinner speaking contest.

Senate Thinks Israel Should Be Peaceful

The Dialectic Senate deadlocked over a bill calling for Israel's right to peaceful existence in the troubled mid-east, and her right to protect her sovereignty in the face of continued aggression by her Arab neighbors Tuesday night.

The meeting, at which four Egyptian students and Rabbi E. M. Rozenzweig of Chapel Hill were the society's guests, was highlighted by spirited debate in which almost all the members present participated.

Wisconsin Man Rejects Position Here As Director Of Graham Memorial

'Howard Henry's 'No' Not Definite - GM

Howard Henry of the University of Wisconsin has rejected UNC's offer for the position of permanent director of Graham Memorial.

Dr. William Potat received a telegram from Henry Tuesday night rejecting the GM post and stating that he plans to remain in Madison in his present position as assistant director of Wisconsin Union at the University of Wisconsin.

Dr. Potat said that Henry offered no explanation for his refusal in the telegram but had stated that a letter would follow. Henry's letter has not been received at the present time.

Henry was nominated for the position by the Graham Memorial Board of Directors. He was offered that job at a salary of \$8,000 a year.

The Wisconsin director was interviewed in the spring of 1956 and was offered the GM position beginning Sept. 1956. This offer was rejected by Henry for reasons of salary and other differences.

The hiring of Henry was given approval by the University administration on Feb. 12. Dr. Po-

test sent him the offer with the endorsement of Chancellor Robert House, Director of Student Activities.

Sam Magill and William D. Pezzy, chairman of the Division of Student Affairs.

Potat's offer stated, "I do not believe there is a more exciting place in America for someone to come in and build a new union program plant."

A Graham Memorial Board of Directors meeting will be held today. At this meeting plans will be made for future activity concerning the securing of a permanent director, according to Dr. Potat.

At the last Elections Board meeting, Chairman Cummings appointed Arthur Sobel, a junior from New York, to serve as vice-chairman of the board for the spring term.

John A. Wilkinson, practicing attorney in Washington, N. C., will address the Law School student body tonight at 8 in the Court Room of Manning Hall.

"Practicing Law in an Eastern North Carolina County Seat" will be the subject of Wilkinson's address, which is open to the public. The program is sponsored by the Law Student Assn. and was arranged by Jerry A. Campbell, chairman of its speakers committee.

Wilkinson, a native of Pantego in Beaufort County, was graduated from the University at Chapel Hill in 1932, and attended Law School here the following year.

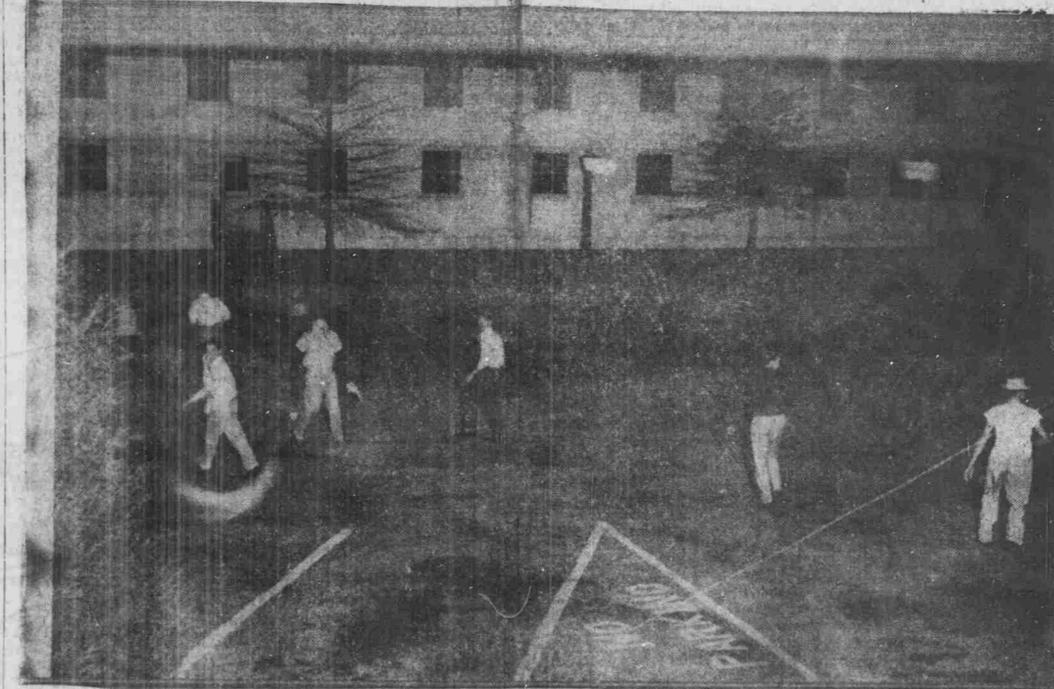

While at UNC he was active in the Phi Assembly, in campus politics and on the staffs of the Daily Tar Heel and the Carolina Magazine.

Since passing the Bar in 1933 he has practiced law in Washington, except for three year's service in the U. S. Army from 1942 through 1945. He has held office in district bar associations, and represented the State Bar Assn. on the radio series, "This is the Law."

A past president of the State Young Republicans, Wilkinson was his party's nominee for Congress from the First Congressional District, 1936-40, and Senate nominee in 1948.

Mrs. Fisher said that late Sunday evening, she heard Odd Ball's cries of pain, and went to see what had happened to him. Three students were grouped around the cat and it appeared they were hurting him. Mrs. Fisher had previously lost one cat in this manner, so she tried to get close enough to identify the students. The culprits saw her coming, and after throwing Odd Ball into a mud puddle, started to run. Sonny, the dog of the household and Odd Ball's protector, joined the chase.

Mrs. Fisher followed the students across Columbia St. where they split up. Two of the "jokers" went down the alley beside the Beta House, and the other in the direction of Big Fraternity Court. Mrs. Fisher asked several students if they had seen anyone just come in. As is usually the case, no one had; so the three students got away with out any punishment, reprimand, or censure.

Camera-Shy Panty-Raiders On The Run

When Daily Tar Heel Photographer Woody Sears came up on a group of 30 to 40 students calling for panties outside Carr Women's miscry, someone saw the camera and shouted the alarm. The

Tuesday night party was over then. This picture, shot from the fire escape on the west end of Caldwell Hall, shows some of the camera-shy raiders on the run.

Second Try After Game Unsuccessful

The panty raid attempt that took place shortly after the UNC-Wake Forest basketball game Tuesday night was followed by a second smaller attempt at approximately midnight.

The second demonstration was staged by 25-30 male students. Some of them wore handkerchiefs over their face to keep from being recognized.

One panty raider unsuccessfully banged on the rear door of Carr dormitory.

Two local policemen arrived on the scene shortly afterwards. After several minutes more, the group dispersed.

The first one started up at about 9:45 p. m. and broke up a half hour later. Both were reported to have been prompted by the basketball game and the unusually warm weather.

Legislature To Debate Elections Law Changes

The one item on the legislative docket for tonight is the newly proposed Elections Law.

But the 12-page law should evoke much deliberation and oration.

Student lawmakers meet at 7:30 on the fourth floor of New East Building.

Visitors are cordially invited to attend the session, according to Speaker Sonny Evans.

Major changes in the Elections Law, as proposed by the 15-member Election Board, Ralph Cummings, chairman, are:

(1) A provision which would eliminate run-off elections except in case of absolute ties for all elected student government posts except the four major campus-wide offices.

A successful candidate for either of the four major campus-wide offices must secure a majority vote.

This, in effect, institutes the plurality ballot system instead of the majority (over half the ballots cast) system which is now in

HOUSING OFFICE SAYS:

Three-Men Rooms To Apply Again Next Fall

Three-men rooms will predominate again in several men's dormitories this fall, according to the UNC Housing Office.

It will be necessary to house three persons per room in Lewis, Aycock, Graham, Everett, Stacy, Alexander, Steele, Battle-Vance-Pettigrew, Whitehead; the first three floors of Grimes, Mangum, Manly and Ruffin; and the south and middle sections of Old East and West.

Room rent for the fall semester must be paid by Sept. 1. The fall reservation fee is \$10, according to the Housing Office.

Students now assigned to dormitory rooms have the option of reserving space for the summer and fall sessions. A room reserved for

the summer only does not entitle to that space in the fall.

Room reservation deposits must be made with the University Cashier in South Building not later than April 25.

Summer housing for men will include double and single rooms. Double rooms will be available in Winston (first session only), Old West, Graham, Aycock, and Connor (for graduate men). Rent and reservation in these dorms is \$20 for each summer session.

All rooms in Steele, Lewis, Everette, and Stacy dorms will be assigned as single rooms for the summer. Rent and reservation fees are \$30.

Married couples will be housed

Playmakers To Hold Tryouts For New Play

Tryouts for parts in a new play will be held by the Playmakers Theatre, Monday at 4 and 7:30 p. m. The play, "Stranger in the Land," by a former UNC student, Christian Moe, will have its first production anywhere when the Playmakers present it March 27 through 31.

Directing the production will be Tommy Rezzuto, technical director of the Carolina Playmakers and instructor in Dramatic Art. According to Rezzuto, the play calls for about nineteen actors, mostly men. The story is set in Japan and revolves about American servicemen and the Japanese people shortly after the war.

Copies of the play will be on reserve this weekend in the Library and in the Dramatic Art office, 101 Saunders Hall, for those who wish to be familiar with the script before auditions, although this is not necessary. Tryouts are open to everyone.

John A. Wilkinson, practicing attorney in Washington, N. C., will address the Law School student body tonight at 8 in the Court Room of Manning Hall.

Forecast The Same—Rain!

Oy boy! More rain? The North Carolina weather forecast for the rest of the week is just about as usual: rain. This time it's scattered showers ending today about noon.

Friday will be no better. Increasing cloudiness and little change in the temperature is forecast for Friday.

Today, the high will be between 55 and 65.

Sitterson: Creative Spirit Here

The creative mind has tremendous opportunity to give service in our time," said Dr. Carlyle Sitterson, Dean of Arts and Sciences, speaking on "Creative Spirit in Chapel Hill" before the inaugural meeting of the Philanthropic Assembly Tuesday night.

"Creative Spirit is part of the air we breathe in Chapel Hill," continued Dr. Sitterson, recalling the past accomplishments of Thomas Wolfe, Paul Green and Friday Wilson as creative men inspired by the atmosphere of the University.

Warning the assembly that "truth is often displeasing to all-knowing, the unthinking and the
