

Charlie Krepp Wins Eighth ACC Swimming Championship

Grapplers Wind Up Season In Raleigh Monday Afternoon

By RON MILLIGAN

The Carolina wrestling team will visit the State Wolfpack grapplers for their last dual tilt of the season at State tomorrow at 4 p.m., hoping to return home with a win that will put them in a three-way tie for second place in the conference.

Three teams, Duke, Virginia and Carolina are all competing for second place in the Conference. All

three teams have been beaten by the first place winner, the Terps of Maryland.

Concerning the outcome of the match tomorrow, Coach Sam Barnes said: "We've got to get this one because if we tie for second place in the conference, our team this year will be the first winning team that Carolina has had in ten years."

Capt. Bob Wagner, a senior, will be fighting in his last dual match for the Tar Heels. Last Friday afternoon during practice, Bob was asked to comment on the coming State tilt. Catching his breath, Wagner commented: "I'm sorry that we've dropped four matches

straight in a row after starting off so well at the first of the season. I think it's about time we got back into our winning streak!"

Another senior and outstanding grappler, Charlie Boyette made this statement concerning the State match. He said: "I've thought all season only about winning, but I believe in thinking about the teams we meet one at a time as they come.—We meet State Monday afternoon at 4:00."

Although the starting lineup has not definitely been picked, Coach Barnes gave the following list of possibilities: 123 lb. Henry Rhyne or David Wall, 130 lb. Bob Wagner, 137 lb. Perrin Henderson or Bill Adecek, 147 lb. Charlie Boyette, 157 lb. Bill McGehee, 167 lb. Dave Atkinson, 177 lb. Jim Hutchins and heavyweight Larry Hayes.

The freshman wrestling team will also meet the young wolves at 3 p.m. tomorrow.

Four Seniors Repeat As Defending Champs

By STEWART BIRD

Four of the greatest swimmers in North Carolina and N. C. State history bowed out of conference competition as successful defending champions and recordholders to bring the annual ACC Swimming and Diving Championships to a close last night in Bowman Gray Pool.

Frank Naus, 200 pound speedster from the Wolfpack, won his third title of the current meet as he took the Bill Thompson Memorial trophy for the 440 freestyle in the time of 4:42.7, five-tenths of a second off his record set last year in these same championships. Naus began his reign as king of conference distance events in 1952

100 yard freestyle in a time of 50.2, two-tenths of a second off the record of 50.0, established by the Wolfpack speedster last Saturday. His constant challenger and likely successor to the head of the century rank, Walk Rose of Carolina, was second with a time of 51.8.

A pint-size, 145 pound bundle of muscles from Sumter, S. C., Dave McInnis, thrilled the crowd of 300 persons with an amazing performance of diving as he took the three meter crown with a total of 468.25, for his second title of the meet. Previously he had successfully defended his one meter title, to emerge as conference champion in both events for the past two years.

There were two records established in the evening's seven events. Bill Zickgraf, 175 pound junior from Franklin, N. C., swam 100 yards butterfly in 57.5, almost two seconds faster than his previous best to set an automatic standard the first time this event has been held.

Dick Fadgen, defending NCAA champion took his second 200 yard breaststroke title in as many years as he flashed the distance in 2:22.8. In the afternoon trials he shaved two-tenths of a second off his existing record, with a time of 2:21.7.

SUMMARY

100 butterfly—(1) Zickgraf (C), (2) Mahaffy (C), (3) Ackerman (C), (4) Turner (C), (5) Bell (Md.), (6) Doll (Va.). (New ACC record. Time :57.5).

100 freestyle — (1) McIntyre (S), (2) Rose (C), (3) Whitney (D), (4) Young (D), (5) Robertson (S), (6) Ascherfeld (Md.). Time: 50.2.

200 breaststroke — (1) Fadgen (S), (2) Morgan (D), (3) tie: Good and Mercer. (C), (5) Climo (S), (6) Phillips. (Va.). Time: 2:22.8.

100 backstroke—(1) Krepp, (C), (2) Lucey (Md.), (3) Nash (C), (4) Pace (D), (5) Poulnot (S.C.), (6) Veazy (C). Time: 57.0.

440 freestyle—(1) Naus (S), (2) Schiffman (C), (3) Hattler (D), (4) Langler (D), (5) Millard (C), (6) Atwater (C). Time: 4:42.7.

High diving—(1) McInnis (C), (2) Meekins (C), (3) Shields (Md.), (4) Parker (C), (5) Hodge (Va.). Points: 468.25.

400 medley relay—(1) Nash, Mahaffy, Zickgraf, Roth, (C), (2) Maryland, (3) Duke, (4) Virginia, (5) tie; South Carolina and Clemson: Time: 4:05.0.

CHARLIE KREPP

...wins eighth

when he became eligible under the then existing freshman rule. Since that time he has taken the 220, 440, and 1500 meter freestyles for four successive years, giving him a total of twelve individual championships. He left as a true champion, going all out the full 17 lap distance in a vain effort to once again lower his record.

Sure fire bet for All-American honors this year and team captain Charlie Krepp swam his last backstroke race for the Tar Heel cause as he took his eighth title in three years with a time of 57.0 for the 100 yard backstroke. His time missed his current conference standard of 56.6 by five tenths of a second. Krepp has firmly established himself as a prime contender for a national title when the National Collegiate Championships open here March 28. His conference record which he set earlier this year also tied the existing national collegiate mark.

A Campus-to-Career Case History

Al Morris (right) discusses a new amplifier system with Howard D. Thomas, one of his foremen.

"After training... it's up to you"

That's what Alfred E. Morris says about the Bell System. "And that's the way I like it," he adds. "Right now I'm in a job I didn't think I'd have for ten or fifteen years."

The job Al thought was more than a decade away is Plant Superintendent for the Hutchinson district in Kansas with Southwestern Bell. "You can sum up my work by saying I'm responsible for the installation and maintenance of all telephone equipment in a large part of central Kansas," Al says. "In times of emergency—a tornado, for instance—I have complete charge of maintaining and restoring service."

Here's how Al describes the steps that led up to his present job: "I started out

in Bell's management training program in 1951. This gave me an excellent opportunity to learn about all jobs in the company—not just the job I'd be doing. The program was well organized, and I got a lot out of it.

"My first assignment was to coordinate a dial conversion in La Crosse, Kansas, a quarter-million-dollar operation. My next assignments were in Abilene and Lawrence. Both carried increased responsibility.

"I knew I was moving along pretty fast—but I was really surprised when my present job came up. It bears out what my wife and I thought when I joined Bell—there would be great chances for advancement."

Al Morris graduated in 1951 from the University of Kansas with a B.S. in Industrial Management. He is typical of many young men who are finding interesting career opportunities in Bell Telephone Companies, Bell Telephone Laboratories, Western Electric and Sanyo Corporation. Your placement officer has more information about these companies.
