

Featured Germans Vocalist
The final Germans concert and dance of the year, to be held Saturday, will feature the striking recording star Paula George, shown above. She will team with Ray Eberle, long a prominent name in American popular music, in performing for the program.

IN FINAL GERMANS: Vocalists Eberle, George Are Featured Saturday

The vocal talents of Paula George and Ray Eberle, backed by Eberle's "Serenade in Blue" band, will perform for both the afternoon concert and dance to be given by the Germans' Club Saturday night.

The Eberle-George presentation will be this year's finale in the German's Club's annual program of three outstanding dance-concerts.

The German's Club is comprised of 13 of the University's outstanding social fraternities. The Club's fraternal representatives change occasionally, but the number of fraternities represented is kept at 13.

Fraternity membership is presently composed of: Zeta Psi, Beta Theta Pi, Phi Delta Theta, Sigma Alpha Epsilon, Pi Kappa Alpha, Phi Gamma Delta, Sigma Nu, Kappa Alpha, Delta Kappa Upsilon, St. Anthony's Hall, Alpha Tau Omega, and Sigma Chi.

Eberle has been a prominent name in American popular music since he became the featured vocalist with the late Glenn Miller and his band at the age of 18.

Since leaving Miller's organization after six successful years, Eberle has been featured in numerous films and starred in his own

radio program over the CBS network.

Personal and television appearances have rounded out his varied career. Four records and two albums featuring his vocalizations have sold over a million copies.

Miss George, a relatively new and very talented recording star, has a unique quality to her voice which has been likened to that of Julie London.

The throaty songbird is a petite and striking brunette whose singing is enhanced by a radiant and effervescent stage personality.

College audiences throughout the country have been enthralled by her ability to weave her lyrics into spellbinding melody.

WOMEN'S CLUB

The University Women's Club will sponsor a luncheon at 12:30 Thursday at the Carolina Inn. The speaker will be Chancellor Robert B. House. Reservations, which must be made by tomorrow noon, can be obtained from Mrs. C. P. Erickson, 601 Park Place, telephone 5131.

GM'S SLATE

The following activities are scheduled for Graham Memorial today:

Petite Dramatique, 8:00-11:30 p.m., main lounge; Young Friends, 9:45-11 a.m., Grill Room; Quakers, 11 a.m.-1 p.m., Grill Room; Presbyterian Church, 9:30-11 a.m., Roland Parker 2 and 3 and Rendezvous P.; Westminster Fellowship, 9:30-10:45 a.m., Roland Parker 1.

Large Grant Awarded To University For Study In State Urban Problems; Out-Of-State Tuition May Be Raised

news in brief

Postal Services
WASHINGTON — (AP) — Postmaster General Summerfield Saturday was threatened with a court fight if he goes through with his plan to slash mail service unless Congress grants him 47 million dollars extra.

The Associated Third Class Mail Users, a trade association, said that if Summerfield halts third class mail "we will move promptly for a restraining order in Federal courts."

"It is our firm conviction that the postmaster general has no legal authority to refuse to handle any category of mail," said Harry Maginnis, executive manager of the association.

Summerfield, saying he is running out of funds, has served notice he will start putting a series of cuts into effect April 13. They would include closing of all post offices on Saturdays and Sundays, the discontinuance of Saturday mail deliveries, except special delivery items, and the embargo on third class mail, which consists of small merchandise and advertising matter.

"Ike's Car"
WASHINGTON — (AP) — President Eisenhower, who likes to get around in a hurry, will have his now-celebrated helicopter in about a month, as soon as the Air Force gets through testing them.

But whether the President is also about to acquire an ultra-fancy, 20-foot long, hand-built limousine depends on whether you listen to the Italian or the Detroit version.

An Italian builder of automobile bodies said in Turin Saturday that his factory has finished "the world's biggest limousine" and that it is ready for shipment to Washington next week for Eisenhower's use. He called it "Ike's Car."

First Load Of Oil
EILAT, Israel — (AP) — A 16,000-ton American tanker sailed safely from the Red Sea up the Gulf of Aqaba Saturday and anchored at Eilat with the first cargo of crude oil ever shipped to this southern Israeli port. It was big news in Israel.

Israeli authorities declined to permit disclosure of the name of the tanker, at sea the last 12 days. Other tankers are to follow and the Israelis prefer to limit information to the Arab world.

Suez Conference
WASHINGTON — (AP) — State Department officials seized hopefully Saturday on Cairo rumors that Egypt would call a big international conference on operating the Suez Canal. They thought Egypt might be preparing to recognize some rights of user nations in the waterway.

The situation was quite unusual, because both the State Department and the Egyptian Embassy professed to be without any official information respecting a canal conference.

Topic Deadline Is Tomorrow
All persons interested in competing for the Willie P. Mangum oratory award must submit their subjects to Dean Ernest L. Mackie's office in 312 South Building by 4:30 p.m. tomorrow, according to an announcement.

Competition for the University's oldest award will be held at 8 p.m. Wednesday in the Dialectic Senate Hall.

All graduating seniors, including those graduating after summer school, are eligible to compete, said the announcement.

Friday Will Determine UNC's Position Mon.

Students from out of state attending the three units of the Consolidated University may have to pay an extra \$200 per year for tuition starting next fall.

State Representative L. H. Ross of Beaufort introduced a bill to the General Assembly this week calling for not less than \$700 from non-resident undergraduates. The rate is now \$500.

The measure has been referred to the assembly's Appropriations Committee. It is not known when the bill will come to the floor for a vote.

Consolidated University President William C. Friday said yesterday he would confer with the three chancellors of the Greater

Catlin Calls For Free Commonwealth

Prof. George Catlin tonight called for the formation of a "Commonwealth of Free Nations" as a force of world peace.

Prof. Catlin, delivering the third and last of the Weil lectures, said that he saw its formation "a scheme that recognizes a world government in the shaping, one which we will not reach overnight or by rushing it."

Termining the world government "a common aspiration," Prof. Catlin said it could result from a preceding united Europe with the United States and those countries linked with western countries.

Prof. Catlin said that "we are passing into a condition of forms and changes which will surpass the old sovereign state." The concept of "world sovereignty" is being considered more strongly by European nations, he said.

The hope of a European Commonwealth has become more prominent because of "a pooling of sovereignty in a community of values," said Prof. Catlin. The exam-

Orientation Meetings Postponed

Because of a conflict created by the special session of the student legislature Tuesday, a previously announced meeting of prospective Orientation Counselors has been postponed until Tuesday, April 16, program chairman Jerry Oppenheimer said yesterday.

The Counselor meeting is scheduled to be held as previously announced in 106 Carroll Hall at 7:30 p.m.

In a statement yesterday, Oppenheimer said:

"I wish to thank all of those men who have applied and I hope this postponement will not create any difficulties for them."

"We will also extend the deadline for applications until the 16th, and again I encourage all men to apply for one of the 120 positions open," he said.

"I am sure we will all agree that the selected counselors will hold one of the most important and self-satisfying positions on campus. A good counselor can instill in his group the true Carolina spirit and provide the impetus to start the new student on a productive college career."

"It is the counselor who has the responsibility of introducing the newcomer to such integral phases of University life as the

Honoraries' Performance Tomorrow

A large attendance is expected tomorrow evening in Memorial Hall for two annual events of great significance on the Carolina campus: the Golden Fleece tapping and the Valkyrie Sing.

The Golden Fleece, which is the highest honorary organization for men on campus, will hold its solemn and impressive ceremonies in which an undisclosed number of men will be tapped.

DARKENED HALL

Two hooded, black-robed Fleece members will stalk through the darkened hall in search of the men on this campus who merit recognition through their unselfish service, devotion to ideals, unquestionable character and high scholarship.

Those tapped may be either students, faculty members or others deserving recognition.

Since the doors are to be locked at 7 p.m. when the tapping begins, all persons wishing to attend the program have been urged to be seated before that hour.

Immediately following the Fleece tapping, various campus organizations will participate in the Valkyrie Sing, sponsored by the highest campus honorary for women.

QUALITIES

This group limits its membership to two percent of the coed enrollment and, in the selection of members, stresses the qualities of character, effective leadership, unselfish service, creativity and scholarship.

The Sing is designed to further a spirit of cooperation and unified activity among the different organizations on campus.

For the winner in each of the five divisions entered a cup will be awarded. Program officials have pointed out the mere competition should not overshadow the purpose of the Sing. Money from entry fees is used to defray the expenses of the Sing and to make possible the Valkyrie scholarship.

Judges for the event will be Miss Tita White, Gene Strasser and Orville Campbell. While the judges are selecting the winners, the UNC Glee Club will entertain the group with some musical selections.

DRESS REHEARSAL

Joy Earp, chairman of the Sing, said all participating groups will take part in a dress rehearsal Sunday afternoon in Memorial Hall.

Organizations participating are: Special Group Division: Delta Sigma Pi, Monogram Club, Men's Dormitory Division: Everette, Grimes, Mangum, Women's Dormitory Division: Carr, Nurses, Smith, Fraternity Division: St. Anthony Hall.

Sorority Division: Alpha Delta Pi, Chi Omega, Delta Delta Delta, Kappa Delta, Pi Beta Phi.

Friday Will Determine UNC's Position Mon.

University tomorrow afternoon to decide what position to take.

The three chancellors are Carey H. Bostian, N. C. State, W. W. Pierson, Woman's College and Robert H. House, UNC.

The bill, if passed, would direct the University's Board of Trustees to establish the proposed increase.

If the measure is passed, it will mark the second time within the last two years the out-of-state tuition has been increased.

In May, 1955, the General Assembly voted a \$140 increase for non-resident students of the University. The hike brought the rate to the present \$500.

Orientation Meetings Postponed

Because of a conflict created by the special session of the student legislature Tuesday, a previously announced meeting of prospective Orientation Counselors has been postponed until Tuesday, April 16, program chairman Jerry Oppenheimer said yesterday.

The Counselor meeting is scheduled to be held as previously announced in 106 Carroll Hall at 7:30 p.m.

In a statement yesterday, Oppenheimer said:

"I wish to thank all of those men who have applied and I hope this postponement will not create any difficulties for them."

"We will also extend the deadline for applications until the 16th, and again I encourage all men to apply for one of the 120 positions open," he said.

"I am sure we will all agree that the selected counselors will hold one of the most important and self-satisfying positions on campus. A good counselor can instill in his group the true Carolina spirit and provide the impetus to start the new student on a productive college career."

Ford Foundation's Gift Is \$88,000 Annually

The Ford Foundation has awarded a large grant to UNC for a highly important program of research and training in North Carolina urban problems.

Joint announcement of the grant was made here Saturday night by Chancellor Robert B. House and Dr. Gordon W. Blackwell, director of the Institute for Research in Social Science.

The award will be divided into annual grants of \$88,000 over a period of the next five to six years.

The project will seek to find new approaches "to the crucial growth and development problems which lie ahead for urban centers of North Carolina and the South in the next 20 years."

PROGRAMS

The grant, which stems from the three year work of an Urban Studies Committee exploring trends of urban development problems, will further the continuation of this and other research groups.

For story on another Ford Foundation grant, see page 3.

DR. WALDO BEACH
forum's main speaker

Spring Forum To Be Featured By Dr. Beach

Dr. Waldo Beach, professor of Christian Ethics at Duke Divinity School, will be featured as the main speaker of Campus Christian Council Spring Forum starting here next Sunday.

Widely known throughout the southeast for his interdenominational work, Beach will deliver the three man addresses of the forum on "The Christian Faith—Protest and Affirmation."

Beach is a graduate of Yale, getting both his D.D. and Ph.D. there. He is a noted speaker for student conferences throughout this area. Most widely read among his various writings is a book he did in collaboration with H. Richard Niebuhr, "Christian Ethics."

FIVE LEADERS

Five outstanding UNC faculty and administrative members will lead various discussion groups on campus following the main addresses. Professor David Basile of the Geography Dept. will lead a group discussing "The Christian Faith and the Honor Code" which will meet in 300 Carroll Hall.

Administration advisor for the conference, Director of Student Affairs Sam Magill, will lead student thinking along lines of "The Christian Faith and Campus Politics." This group will meet in Roland Parker Lounge No. 3.

Roy Rogers, a member of the UNC Sociology Dept. who is presently teaching several marriage courses, will lead the group discussing "The Christian Faith and Social Morality." The Library Assembly Room will be the meeting place for this group.

William Geer will direct the thinking along the lines of "The Christian Faith and Academic Morale" in 200 Carroll. Dr. Geer is a member of the UNC Social Science Dept.

Dr. George Taylor of the history dept. will lead a group discussing a local controversial subject, "The Christian Faith and Religious Apathy." This group will meet in the YMCA Library.

Rev. Maurice Kidder of the local Episcopal Church will round out the list of speakers for the forum. He will direct the worship services of the forum which are being held in Gerrard Hall at 1 p.m. Monday and Tuesday of next week.

STEP FORWARD

President William C. Friday said of the grant: "This research program can mean much to the development of North Carolina. It is a step forward in making vital the concept of the Governor's Research Triangle."

The research team has selected as a laboratory area the Piedmont Industrial Crescent. This is a string of cities tied together by a backbone of railroad and highway systems extending from Raleigh, down through Greensboro to Charlotte and southwest to Greenville, S. C.

Dr. Blackwell said the grant will also provide research assistantships for 10 or 12 graduate students each year. They will receive nine-month stipends of \$1500 each, he said.

WORK AREAS

In launching their research groups into the problems of urban development, the Ford Foundation-supported program will center around five major groups of work. The group will make studies of:

1. Urbanization trends in the South and the role of southern cities in national trends of urban growth.
2. Economic forces and industrial development underlying urbanization.
3. Public policies effecting urban growth.
4. Approaches for minimizing haphazard and uneconomic growth and development.
5. Community organization and civic leadership in urban development.

Deadline Is Tomorrow For Tri Delta Award

Deadline for the 1957 Tri Delta Scholarship Competition is tomorrow, according to Miss Betty Dale Pressly, service projects chairman. Applications must be submitted to the Dean of Women's Office.

The sorority's scholarship program is an international service irrespective of sorority affiliation. All women students of UNC are eligible to apply for the scholarships and application blanks may be obtained from the Dean of Women's office, a sorority spokesman said.
