

Bryant, Tice Are Awarded Scholarships

Two UNC students, James Kenneth Bryant, Jr. and John K. (Peggy) Tice have recently won scholarships here.

Bryant, from Elkin, has been named winner of the Chi Psi Fraternity scholarship.

Tice, from High Point, has been named winner of the St. Anthony Hall Foundation Scholarship.

The Chi Psi Fraternity scholarship is awarded to an outstanding Chi Psi member who has demonstrated "scholastic achievement, leadership in campus activities and in his fraternity, and who has need."

Bryant has been treasurer, vice-president and pledge master of his fraternity.

He is a member of the NROTC precision drill team in which he has held many leadership posts, is co-captain of the varsity track team and a member of the Monogram Club.

He also is active in the YMCA and the Baptist Student Union.

The St. Anthony Hall Foundation Scholarship is awarded each year to a member of St. Anthony Hall fraternity who intends to do graduate work and who has maintained a "commendable scholastic record" at UNC.

Tice is a graduate student in the Dept. of Philosophy here. He is a winner of a graduate fellowship from the Graham-Kenan and Carnegie Funds.

His plans next year are to continue his graduate studies at Yale University as a philosophy of religion major.

As an undergraduate student at UNC Tice was a varsity swimming team member and sophomore class treasurer.

He was also elected to Phi Beta Kappa scholastic fraternity.

Recently Tice appeared as one of the "lead" characters in the spring production by Sound and Fury, student musical comedy.

Photo Meeting Features Moss, McKnight

Cameramen and editors from nine southeastern states are expected to gather here April 25-27 for the eighth annual Southern Short Course in Press Photography.

The 1957 short course will include two topics of especial current interest: "Unnecessary Secrecy in Government," discussed by Rep. John E. Moss of California; and "Photo Coverage of Civil Violence."

The second topic will be discussed on Editor's Day, April 27, with C. A. (Pete) McKnight, editor of The Charlotte Observer, as panel moderator. McKnight formerly was director of the Southern Educational Reporting Service in Nashville, Tenn.

Annual photo competition will also be held, open to all persons registered and attending the short course. Judging will be held in these categories: general news, spot news, advertising and public relations, portraits and personalities, pictorial, feature story, spot news in movies, feature news in movies, sports and color transparencies.

The Carolinas Press Photographers Assn. sponsors the Southern Short Course, in cooperation with the National Press Photographers Assn., the N.C. Press Assn. and the UNC Extension Division.

Freshman Car Registration Is Down 200

Last year freshmen had 317 cars registered with the office of Student Affairs a check revealed yesterday.

This year handicapped freshmen have 107 cars. The sophomores have 650 cars registered this year while last year 581 were registered. Students in the college of Arts and Sciences registered 415 cars last year and 533 this year.

The number of cars registered by the full-time faculty and staff during the past year fell from about 1600 to 1,525. During the past year total number of cars registered by undergraduates rose from 1,793 to 1,862. All departments showed increases in registration.

The total number of automobiles registered by the graduates increased from 760 to 1,038. Students living in town registered 93 more automobiles this year for the greatest increase of any area.

Ray Jefferies, assistant to the dean of student affairs, said the rise in the number of registered cars was due largely to more strenuous efforts to have the students register the cars.

He said it would not be enough for a student just to register his car, but he must also display the sticker, according to trustee regulations.

NEWMAN CLUB
The Newman Club will meet Sunday at 6:30 p.m. in the New Catholic Chapel on Gimgoal Road. There will be a buffet speaker.

All members and Catholic students have been urged and invited to attend.

Interviews For GMAB 25th-26th

Interviews for positions on the Graham Memorial Activities Board for the academic year 1957-1958 will be held April 25 and 26, according to Board Chairman Tom Lambeth.

Applications can be secured for top officers, committee chairmanships and committee memberships at the information desk of GM, Lambeth said.

He urged all interested students to pick up the applications and return them to the information desk before the end of the week.

Positions currently open are in presidential and vice presidential positions. Included among these offices are:

Vice president in charge of entertainment whose capacity will entail supervising next year's GMAB programming in the field of Sound and Fury, sponsored plays, petite musicales and dramatics, concerts, etc.

Vice president of recreation who will handle supervision of weekend combos, Mardi Gras Weekend, ping-pong tournaments, etc.

Vice president in charge of special projects who will supervise special activities as polls and forums.

Other offices to be filled are those of the treasurer and secretary.

Committee membership and chairmanship is open in the music, dance, recreation, publicity, office, reception, polls, Forum Sound and Fury and film programs. Lambeth said.

The top six officers will be nominated by a selections board of the GM Board of Directors and elected by the Board.

Individual chairmanships will be decided by the newly elected president of GMAB when he assumes his duties at the start of next month, Lambeth said.

accorded the privilege of representing Egyptian universities in the University Leaders' Conference held in Argentina in 1955.

Following his activities in the University student movement, he was elected in a faculty competition, "The Ideal Student Competition." As an athlete Nasr won the 1956 tennis championship for all Egyptian universities.

UNC has been chosen as one of the American universities to participate in the Foreign Student Leadership Project.

In a letter informing Young of UNC's inclusion in the 1957-58 program, the Committee of Advisers stated it was "impressed with the enthusiasm which has been manifested, the likelihood of effective planning and programming, and the generous financial support which your institution has offered."

The report said, "The aim is to train the new student leaders of 1957-58 while at the same time trying to unify all sections of the student body." Campus officers from all types of student administration have been invited to attend.

The group plans to discuss parliamentary procedure and overall campus problems. The report also said "the retreat idea was used this year because in past years the training period was so short thereby limited in scope."

The cost will be \$3 per student, including the cost of chartered

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smoothness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!
