U.S. Responsible In Middle East; Russia

LONDON—(AP)—Soviet Russia accused the United States last night of stirring up the Jordan crisis as a step under the Eisenhower Doctrine to dominate the Middle East.

It warned in a foreign ministry statement that the situation "demands the adoption of urgent measures to avert a dangerous development of events."

The situation can lead to "grave consequences," said the declaration broadcast by Moscow Radio.

The statement said "the Soviet Union cannot pass over events in this area." The broadcast did not indicate the next Kremlin move.

"The events in Jordan and the deliberate complication of the situation in the Near and Middle East is in fact the 'Dulles-Eisenhower' Doctrine in action."

The statement also charged that "military preparations are openly and demonstratively taking place on the frontiers of Jordan and that this time also Israel is playing a particularly unfortunate part."

The accusation that the United States was trying to oust Britain and France from the Middle East apparently is designed to stir up anti-American sentiment in Western Europe.

The charge of U.S. colonialism in the Middle East and protestations of Soviet friendship for the Arabs aim at solidifying pro-Soviet sentiment in the area.

The Soviet statement condemned the mission of President Eisenhower's personal envoy to the Middle East, James P. Richards.

Richards has been touring Middle East countries, and is now ready to explain the Eisenhower military-economic policy to any country that wants aid in resisting Communism.

Richards has not been formally invited to Jordan. But the Soviet statement charged his mission was aimed at depriving Jordan of its independence through promises of financial and other help.

Last Call Given For Interviews Of Counselors

Orientation Committee Chairman Jerry Oppenheimer indicated Monday that all applicants must be interviewed and have taken the required quiz before 5 p.m. tomorrow, or their names will be automatically dropped from consideration.

Oppenheimer said interviews are being conducted in the Woodhouse Conference Room in Graham Memorial. He said the interview will constitute a major portion of the Committee's consideration toward selection.

Another criterion for selection will be the orientation quiz which can be taken today or tomorrow from 1-5 p.m. in the Orientation Office of Graham Memorial, Oppenheimer said.

In a statement yesterday stressing the importance of attending the orientation interviews, Oppenheimer said:

"In the interest of choosing the best counselors for the 1957 orientation program, the Campus Orientation Committee has been, and will be interviewing all applicants. Those persons who have applied for the positions and as yet have not appeared for their interview must do so either between 7-9 p.m. today or 2-6 p.m. tomorrow.

To date, only about 50 per cent of the applicants have completed the necessary processing, the Committee chairman said. He expressed hopes that everyone wishing to enter the program and who has applied to date will complete processing before the deadline tomorrow.

Four Men Being Considered For GM Director's Position; Appointment Date Is Uncertain

Board Progress Slow In Interviews - - Young

By GRAHAM SNYDER

The Student Activities Office announced yesterday the names of the four men who have been interviewed by Graham Memorial Board of Directors for the position of Graham Memorial Director.

The four men who were interviewed are William Rion, University of Florida; James Burgoyne, University of Southern Illinois;

Chester A. Berry, University of Rhode Island; and Charlie Gibson, an entertainment manager from Winston-Salem.

The Student Activities Office said that, in all probability, one of the four men named would be appointed the new GM director.

Bob Young, Board of Directors Chairman, said that the work of interviewing the four men had been and was progressing slowly.

Young said that the Board of Directors had not as yet made any decision, but had only had informal talks with the four men.

As to the date of appointment, Young could give no definite time. He said he hoped that the appointment would come within a week, but that he could not be sure because of the careful consideration of the appointment.

Student Activities Director Sam Magill said that the final appointment will be made by Chancellor Robert House.

The appointment of a new GM Director will be the culmination of a two semester study by the GM Board of Directors in seeking a new GM head.

Miss Linda Mann, who has been GM Director since last year when former director Jim Wallace resigned the position, is expected to leave the position in June.

The new director's functions will entail supervising the maintenance of Graham Memorial and acting as an advisor to the Activities board.

The director will act as a consolidating figure in the GM program and a liaison between the Activities Board and the programming of outside events.

At 5:30 that afternoon, the senior barbecue will be held at the Patio. All seniors have been urged to attend.

Program spokesmen have indicated tickets for the drawing can be obtained only at the 10 a.m. organizational meeting in Memorial Hall. They urged everyone interested to attend.

In the event of rain, the barbecue will be held Thursday at the Patio during the hours already scheduled, Rosenstock said. He further urged all seniors to take part in a program which has required great effort to plan for their benefit.

Whitfield Announces Speech By Dr. Poteat

The announcement of an upcoming speech by Dr. William Poteat, and a planned social gathering, plus a listing of committee appointments and a short speech by Student Body President Sonny Evans, comprised the Student Party meeting last night in the Graham Memorial.

Combining party advisory board and program committee reports, party secretary Betty Carolyn Huffman announced tentative plans for a banquet to be held two weeks from last night at Watt's restaurant. The planned price for tickets was \$1.50.

Party chairman Whit Whitfield announced that resigning UNC philosophy professor Dr. William H. Poteat would address next Monday night's SP meeting. The meeting will be open to visitors, and its exact time will be announced later in this paper.

Whitfield also deferred action on a proposed revision of the party's by-laws until a later date, due to lack of attendance at the meeting last night.

In a short speech to the body Student Body President Sonny

Evans issued a reminder that all applications for student-government appointive positions must be turned in by Thursday, May 2nd.

Evans also commented on the recent solution of the Lenoir Hall problem, stating that it is his feeling that the solution arrived at was most satisfactory to the cafeteria's student workers, and complimenting SP members Al Alphin and C. White, and The Daily Tar Heel, for their roles in bringing the situation to the attention of the student body.

Evans also pointed out that any action on the appointment of a new director for the Graham Memorial will come from the GM's board of directors, not from the office of student affairs, as previously implied by this paper.

Chairman Whitfield also announced the following committee appointments: Finance Committee, P. Gerde, and Bob Herford; Social Committee, Rudy Edwards and Jim Johnson; Membership Committee, C. White, Mike Hayes, Leon Holt, and Martha Fortune; Program Committee, F. Schultz and David Matthews.
