BARBECUE MENU

The picnic's menu will consist of barbecue with hush puppies, to be served for 75 cents per person. Among the campus groups who have already canceled their supper meal on that night in order to attend the picnic are:

Phi Delta Theta, Kappa Sigma, Alpha Tau Omega, Phi Gamma Delta, Theta Chi, Zeta Beta Tau, Pi Kappa Phi and Chi Phi fraternities and Alpha Delta Pi, Delta Delta Delta, Pi Beta Phi, Chi Omega, Alpha Gamma Delta, and Kappa Delta sororities.

Tickets for Y-Nite will be on sale in the Y starting today. They will remain on sale through Monday at noon.

Committee members for the event are Chairmen Daryl Farrington and Graham Clayton; Misses Nancetta Hudson and H. G. Snipes, publicity; Richard Rhymes, arrangements; Bobby Lowe and Richard Strickland, tickets and Ed Crow, music and entertainment.

On Tuesday at 8 a.m. he will speak to Music Appreciation 41 in Hill Hall; and at 11 a.m. he will speak to Dr. Nash's Religion 30 class in 209 Gardner.

Monday afternoon at 1 p.m. Rev. Kershaw will again speak, this time at a luncheon in upstairs Lenoir Hall which is open to the public. His subject this time will be "Alone in the Crowd," a subject about which he has written a well-known booklet.

On Tuesday at 12:30 p.m. there will be a faculty and advisory luncheon in Lenoir Hall in his honor.

On Tuesday evening at 5:45 p.m. a banquet in honor of the new YMCA and YWCA officers will be held. Rev. Kershaw will speak on "Challenge to the New Officers." The public has been invited to both of these. Tickets for the banquet will be \$1.

Y-Teen Barbecue Feast Brings Profit Of \$450

The local Y-Teens realized a net profit of about \$450 from their barbecue supper Tuesday night in the University Tin Can. Mrs. B. L. Ward, over-all chairman for the event, said close to 1,000 people, including children, were present at the affair.

All profits will go to supplement the budget for the Y-Teens from the Community Chest.

Mrs. Ward wished to express her appreciation to everyone who worked on the supper for "their wonderful help and co-operation."

news in brief

Brief Gunfire

HELMSTEDT, Germany—(AP)—East and West German police exchanged gunfire briefly Thursday. Communist guards tried to stop with bullets two East German workmen dashing across the iron curtain border.

West German police said they fired "warning shots" because the East Germans fired in the direction of West German territory. The two refugees slipped through barbed wire marking the iron curtain and were not hit.

The two men asked West German authorities for political asylum.

Ministers Agree

BONN, Germany—(AP)—The 15 NATO foreign ministers agreed Thursday that the western allies must base their defense against potential communist attack on a balance between conventional and nuclear weapons.

Even such avowed advocates of atomic deterrent as Britain's Selwyn Lloyd stressed the need for both conventional and atomic weapons.

A summary of closed-door foreign minister council sessions was reported by NATO's briefing officer. He said there was no disagreement among the ministers on the need for a balanced defense.

U.S. Secretary of State Dulles assured the ministers the United States has no intention of backing down on its NATO commitments, including five full divisions in West Germany.

Five Kidnapped

RABAT, Morocco—(AP)—Five rich sons of the late Berber Chief, Thami El Glaoui, Pasha of Marrakech, were reported being held for ransom Thursday night by a Moroccan guerrilla army which stormed their Marrakech Palace.

Soldiers of the irregular army of national liberation were holding the vast palace and turning away representatives of the central government at Rabat.

Glaoui while he lived, was hated by Moroccan nationalists because he worked closely with the French when they ruled this country. The army of national liberation was officially supplanted by the royal Moroccan army last year when Sultan Mohammed V was restored to his throne. However, the liberation army has been operating freely in parts of Morocco.

in love with a good looking girl who takes journalism," he replied. From this beginning, the former sociology major soon found himself in the newspaper world.

Ruark began his career with a job on a Hamlet newspaper. The job came when the late O. J. Coffin, former head of the UNC School of Journalism, told Ruark that he had a job "so bad he didn't know anybody mean enough to take it."

Ruark, who has had about 750 magazine articles printed since 1937, told future writers that magazines are a "risky way of making a living. It depends too much on the editor's digestion and how he's getting along with his wife."

A new Ruark book is now in the offing, which explains one reason for the author's return to the Chapel Hill area. He plans to lay its setting in Chapel Hill, then move to New York and Europe, and finally return it to North Carolina.

NOW THE TIME FOR BOOK COLLECTORS

During the month of May each year, we buy in almost one third of our total year's supply of old and rare books. Shelves that were getting parched and empty blossom out again with tempting titles. Collectors from here and there throughout the State appear, like hawks over a chicken farm in Spring.

Now's the time when your particular gem is likely to show up. Now's the time when somebody else is likely to nick it off if you're napping. For instance, as this is written, our Recent Acquisitions shelf includes:

- A Small Library of Philosophy
- A Rare Book on Oriental Rugs
- A Small Clump of Histories
- A First Edition of Veblen
- A Collection of Prints, priced at a dime each.

What'll show up tomorrow we do not know. It's as much of an adventure for us as it is for you. Come join the fun!
