COMMITTEE PLANS SERENADE

Members of the committee planning tonight's Moonlight Serenade Dance are pictured as they worked out last-minute details in conjunction with the event. From left to right they are Ann Inman, Andrea Stalvey, Nola Hatten, Caroline Brown and Randy Shelton. (Photo by Bill King)

Moonlight Serenade Dance Highlights Summer Activities

The tennis courts behind Cobb dormitory will undergo a transformation tonight, as moonlight, music and Japanese lanterns set the stage for the Moonlight Serenade Dance.

Sponsored by the Summer School Activities Council, the dance is the only big one during the summer school session. It will last from 8:30 until 11 p.m.

"The committee has worked very hard to make this dance possible and we hope that everyone will turn out for another event which has been planned by the Summer School Activities Council," said Nola Hatten, chairman of the Council.

"We would like to emphasize that it is for all the students and we invite all students, faculty members and guests to turn out

and enjoy the dancing and pretty music," Miss Hatten added.

Music will be furnished by the Jim Crisp Combo, which was also heard at the Welcome Party earlier in the summer.

Jim Crisp will play the piano; Skip Etheridge, drums; Ron Oldenburg, bass; Phil Sheddan, vibraphone. A saxophonist will also accompany the combo.

The dance is informal, excluding bermudas. Cokes will be sold, and the proceeds will help pay for expenses.

The Moonlight Serenade Dance committee includes Andrea Stalvey, chairman of decorations; Ann Inman, arrangements; Caroline Brown, publicity.

"Just come out, relax and enjoy yourself on the first evening of summertime," Miss Hatten said.

Three University Students, Marine Injured In Single-Car Accident On Pittsboro Road

By BOB HIGH

Three University summer students and a Marine Corps officer suffered serious injuries in a single-car accident on the Mann's Chapel Road, Friday night.

Susan McGee from Marshall, Texas, a summer transfer from Randolph-Macon, suffered the most painful injuries. Miss McGee had her nose, cheekbone and jawbone broken in facial injuries plus lacerations on the chin and bruises of the head. The Texas resident also had her right wrist, elbow and ankle broken. She is expected to remain in Memorial Hospital for 10-14 days.

The driver of the car, Lt. Stewart Pinkerton from near El Paso, Texas, stationed at Quantico, Va., was also injured seriously. Pinkerton suffered a fractured right thigh, lacerations of the chin and bruises of the chest. Pinkerton is expected to be moved to a military hospital the first of next week.

Another occupant of the ill-fated auto was Bob Young, a member of the NCAA championship basketball squad this past year and a resident of Richmond Hill, N. Y. Young received lacerations of the head and cuts and bruises over the body.

Ann Simon of Greenville, S. C.,

a graduate of Woman's College, was knocked out from the force of the blow on her head which caused a slight concussion. She also suffered slight cuts and bruises.

The accident occurred when Pinkerton was coming out of the Mann's Chapel Road five miles south of Chapel Hill onto the Pittsboro highway. The car failed to stop for the stop sign and went across the Pittsboro highway and plowed into the embankment.

Young is still in the University Infirmary and Miss Simon has been released. Pinkerton and Miss McGee are in Memorial Hospital.

President Evans To Appoint Summer School Acting Prexy

Interviews Being Held For Position

President of the Student Government Sonny Evans announced Monday that since he would not be on campus for the second session of summer school, he is in search of a person to serve as acting president for that term.

Evans, who leaves July 6 on a Navy cruise, has already interviewed several interested students. However, he says, "The position is still open, and I am anxious to talk to any interested and qualified student."

The Student Constitution states that "In the event that the duly-elected President... shall not be enrolled in summer school, there shall be an acting president of the student body who shall be appointed by the president of the student body and confirmed by the Student Legislature".

Evans has been serving as president since he has been enrolled in summer school but has recently withdraw from classes for the rest of this session.

Consequently, Andrea Stalvey, now acting secretary-treasurer of the student body, will technically be head of the summer school activities. However, Evans will continue work on the overall student Government work for next year and will remain the actual head of the government.

The primary duties of the acting president of the student body are to appoint the chairman and members of temporary committees which operate during summer school, to call and preside as chairman of all meetings of the Summer Government Board, the board which serves as the supreme governing body during summer school.

He shall also represent the student body in all dealings with the students of other colleges or universities, the faculty, and the Board of Trustees.

LILY KELETI

Appearing Here Tuesday

Aldermen Put Skids Under UNC Plans

Chapel Hill Aldermen temporarily put the skids under a University request for a fraternity court at their regular monthly meeting last Monday night.

The Board approved a motion by Alderman Paul Wager that action on the request be deferred pending further study by the University. Wager said he understood that the University was changing its position in regard to concentrating fraternity housing.

The request by the University asked the Aldermen to rezone property on Chapel Hill's southwestern boundary in order to concentrate fraternities in that area. The proposal had been approved by the Board of Aldermen's Planning Board.

During the Monday night meeting, aldermen were read a petition signed by many of the residents of the Westwood-Chase Avenue area opposing the rezoning plan.

Concerning any change in the University's policy toward this proposal, Sam Magill, Director of Student Activities, said that he knew of no definite change in the University's attitude. "The only possibility that I can think of," he said, "is that the University has reassessed its need for classroom facilities and may be considering the area for that purpose."

Free Flicks

A short subject film will be shown at 7:30 p.m. each week before the Free Flick in Carroll Hall.

The administration has requested that no popcorn, cokes or other refreshments be taken into the auditorium. If the auditorium is littered with trash, the flicks will have to cease, they have pointed out.

Music Clinic To Feature Lily Keleti

By PATSY MILLER

The seventh annual clinic for piano teachers and students will be held in Hill Music Hall, Monday through Thursday, according to Dr. William S. Newman, conductor of the clinic.

"In conjunction with the clinic we have two major recitals," Dr. Newman said. On Monday four outstanding North Carolina students will present piano recitals, and on Tuesday Lily Keleti, Hungarian-born pianist, will appear.

The four-day clinic is now attracting people not only from our state, but also from 10 or 12 other states in the country, according to Dr. Newman. "We hope to have an attendance of about 100 teachers and students this year.

Because of an increasing number of young people attending the clinic, a special Junior Section has been formed this year for students in the age bracket of 11 to 16 years. A few tuition scholarships are being offered to outstanding students nominated for this honor by their teachers.

The highlight of the program will be the performance of Lily Keleti, internationally acclaimed pianist. "This woman is phenomenal. She is one of the finest pianists we have ever had in Chapel Hill," Dr. Newman said of Miss Keleti.

She has performed in all the capitals and great cities of

Humor Magazine Needs Staffers

Openings on the staff of the new campus humor magazine, the Ram-Ewe, were announced yesterday by Editor Bill Michael. All interested students who plan to be here next fall are requested to apply for these positions.

"I would like to invite those of you interested in writing, drawing, management or general work to come join our merry staff," Michael said.

Application forms can be obtained from the information desk in Graham Memorial.

The Ram-Ewe, to be published quarterly beginning next fall, will replace the long defunct Tarnation. It will operate under the auspices of the Publications Board.

A yearly subscription to the magazine will cost \$1.35 and may be obtained by writing Bill Michael, Ram-Ewe, Graham Memorial.

"There will be exposes of the little people who really run the campus," Michael promised.
