W. Va. Integration

MATOAKA, W. Va. (AP)—Four of Matoaka High School's 10 Negro students returned to classes without incident today. The anti-integration outbursts of the two previous days appeared to be all but over.

The four arrived in a special school bus and were escorted to the door by state troopers. There were no loitering of white students to cause a commotion on the street, for police herded students into the building as soon as they arrived in the area.

Faubus Accused

ANNAPOLIS, Md. (AP)—Gov. Theodore R. McKeldin of Maryland today accused Gov. Orval Faubus of Arkansas as "double-crossing" the four Southern governors who met yesterday with President Eisenhower to discuss the withdrawal of Federal troops from Little Rock.

McKeldin, one of the four who met with Eisenhower, said Faubus "has elected to pile infamy on the heap of disgrace which he has inflicted on the great state of Arkansas" and said he was the only Republican on the Governors' committee.

West Blamed

UNITED NATIONS, N. Y. (AP)—Saudi Arabia today blamed western nations for Middle East tension and called for a U.N. "hands off" policy toward Syria.

Ahmad Shukri, minister of state for Saudi Arabia, told the 18-nation general assembly "it is the policy of the West that is destroying ties with the Arabs."

He proclaimed Saudi Arabia's full solidarity with Syria and asserted shipments of Communist arms to that country is no business of the United Nations.

Wilson Leaving

WASHINGTON (AP)—President Eisenhower, formally and with deep regret, accepted the resignation of Secretary of Defense William W. Wilson today.

No effective date was set. But the White House said Neil McElroy will take the oath as Wilson's successor at 8:15 a.m. (EDT) a week from today.

Wilson's letter of resignation, relayed at the White House along with Eisenhower's letter of acceptance, said he had remained in his post nearly five years and that was "much longer than I thought was possible or probable."

Confidential

NEW YORK (AP)—Confidential Magazine Publisher Robert Harrison said today the failure of jurors to reach a decision in the California criminal libel conspiracy case against the publication "certainly is proof that there was no basis for criminal prosecution."

In a statement issued here, Harrison said in part:

"The result of the California trial constitutes a vindication and reaffirmation by an American jury of our basic constitutional guarantees of freedom of speech and freedom of the press—not only the freedom of a publisher to publish, but equally, if not more important, the freedom of the public to read."

Gov. Hodges Still Making Efforts To Remove Troops At Little Rock

RALEIGH, Oct. 2—(AP)—Gov. Hodges said today he still hopes that the impasse between President Eisenhower and Arkansas Gov. Orval Faubus over removal of federal troops from Little Rock is "something in the way of a misunderstanding."

The governor said this as he revealed he was still making efforts to bring an agreement so that the troops may be removed.

He said that he had "made some contacts" during the day about the matter and that he expects to hear from Frank Bane, executive secretary of the Southern Governors' Conference, who has gone to Little Rock.

Hodges is chairman of a committee of southern governors created by the governors' conference. The committee conferred with President Eisenhower yesterday in an effort to work out an agreement for removal of the troops.

The governors thought their mission had met with success until President Eisenhower announced last night that he could not accept the wording of a statement

in which Gov. Faubus said he would not obstruct the enforcement of orders by the U. S. District Court in Little Rock which ordered integration of the city's Central High School.

Earlier today Hodges told reporters that words added to the statement by Faubus had "somewhat negated" the terms under which the president had agreed to removal of the federal troops and restoration of the Arkansas national guard to state control.

Meanwhile, Gov. Faubus told a news conference today that he was "standing pat" on his statement as it was issued.

Hodges said he did not care to comment on Faubus' news conference remarks but that he expected to make a statement tomorrow. Hodges has a news conference set for 10 a.m.

The governor said he "still feels the president's use of troops in the Little Rock was "a tragic mistake."

Hodges told reporters "at the moment" he saw no need of his going to Little Rock. Asked if another meeting of the Governors' Conference would be called, Hodges said "it's not imminent."

George Barclay To Speak At Pep Rally Friday Night

UNC's first All-American, George Barclay, will speak to Tar Heel fans at a torch lit pre-game pep rally here tomorrow night.

The speech by Barclay, All-American guard for the Tar Heels in 1955, will highlight the 6:15 p.m. event that precedes the Carolina-Navy game Saturday afternoon.

In addition, 100 torches will be distributed to fans by members of the University Club, the organization sponsoring the pep rally.

Rally-bound students will assemble at the Air Force entrance of Emerson Field, where they will meet the team. Then the group will proceed with the team to Woolleen Gym, where a large bonfire will be lit off.

Plans are also being made for each of the campus's sororities to have a "queen" who will accompany the procession from Emerson Field to the gym.

At game time Saturday 800 boxes of confetti and 200 noise makers will be distributed in the Carolina bleachers.

As executive secretary, Oppenheimer's duties are to aid and assist the chairman of the symposium.

"I think it is indeed fortunate that we are able to obtain a person of Jerry's caliber to assist us in the work at hand," Hallford said.

Interdormitory Council Opens Season With Banquet Tonight

The Interdormitory Council will open its 1957 year with a banquet at the Carolina Inn at 6:30 tonight according to Tom Walters, president of IDC.

Guest speaker at the banquet is J. E. Wadsworth, director of the housing office at UNC. Wadsworth will discuss the importance of individual dorm government, using everyday problems to illustrate his talk.

"I feel that Wadsworth is a wise choice for speaker; he is a man close to the university and the dormitories, and he knows the subject first hand," Walters stated.

All IDC representatives and dorm presidents who make up the IDC body will be present at the banquet. New IDC officers are to be sworn in during the meeting.

Consolidated University President William Friday and UNC Chancellor William Aycock have been invited to attend the banquet.

"I am very pleased with the way the IDC is working out this year. All in all I am expecting a very big year for the IDC," Walters commented.

He announced that one of the big plans for this year is an emphasis on the IDC honorary society. "We hope to work out some means to make money and eventually set up an honor society scholarship."

Officers of the IDC this year are: Bob Carter, vice president; Neil Bender, secretary; Mike Hayes, treasurer; Frank Brown, ID court chairman; Pat Leonard, clerk of ID court.
