

Annual DUKathon Race To Durham Set Today

The fourth annual DUKathon will be run today from the Chapel Hill post office to the Durham post office. The distance covered is 13.6 miles.

Over 60 entries have been received by Jim Menzel at the Delta Upsilon House for the event, including several of the pledges at the Kappa Delta Sorority. Last year there were 36 running and 26 finishing the grind.

Last year's race was won by Dick MacFadden, who set an all time record of one hour 14 minutes, 29.2 seconds. Complete co-operation is expected from local and state police to make the event as safe as possible.

The DUKathon Queen will ride in the pace car which will stick with

the leading runner throughout the afternoon. She will reward the first finisher with a kiss at the termination of the race.

The event is being sponsored by the Delta Upsilon fraternity, which will supply a handsome trophy to the winner and survivors medals to all those finishing the grind.

HI SCHOOL CROSS-COUNTRY

The North Carolina High School cross-country championships will be run here today at Finley Golf Course at 2 p.m.

Teams representing Asheville, Durham, East Mecklenburg, Myers Park, Asheboro, Jamestown, and New Bern will compete over a two-mile course.

My name is Cornell Jackson, private eye. Two days ago I was sitting in my office dictating, when suddenly a tall blonde passed my window. I knew she was tall because my office is on the tenth floor.

"Hello," she said, "I need help, Rutgers."

"The name's Cornell."

"Yes, I'm worried about my husband. Every night he stays out till six in the morning. He comes home with his hair mussed, lipstick all over his face. What's up?"

"The butler did it."

"Oh come, come, Yale."

"Cornell, dearie."

"Yes, I think my husband is unfaithful."

I exercised my think-tank.

"The butler did it," I blurted.

"Look, Oklahoma Aggies, tell me what to do?"

"Find out the secret of his success with the femmes—then proceed from there. What brand of shirts does he wear?"

"Van Heusen."

"What brand of underwear and pajamas?"

"Van Heusen."

I threw up my hands—and watched them loft lazily up to the ceiling. "Babe," I said, "you can't fight Van Heusen. There's only one thing you can do. Marry the butler!"

Moral? No ladies worth their salt can resist Van Heusen merchandise. If you want to be popular . . . if you want to walk down the street and have people say, "There goes Jim, he's had more girls on his lap than napkins," here's what to do. First change your name to Jim—then buy Van Heusen merchandise. You can't miss.

Dekes—Parties & Football

Football and parties took up the majority of the Dekes' time this weekend. On the social agenda after the Germans concert and dance was a party at the house Friday night. Then on Saturday thoughts turned to football as Dekes and their dates joined other students at Kenan to cheer for the Tar Heels.

Saturday night they celebrated with a party at the Chapel Hill Country Club. Football stepped back into the limelight Sunday when DKEs and their dates cheered for the DKE tag football team—who met the Delta Psi team from U. Va.—afterwards going over to the House for a party.

Chi Phi Partyland

A jukebox party at the Chi Phi House Friday night added to the weekend fun after the Germans concert and dance. Saturday was again a full day for Chi Phis and their dates. Following the game, a luncheon was held at the House, and that night the evening was enlivened with the music of "The Downbeats" from 9 p.m. to 1 a.m. and Doug Clark and "The Tops" from 1 to 5 a.m.

Sunday dinner at the House brought the weekend activities to an end. The Chi Phi pledge class stepped into the party spotlight Wednesday night when they entertained the ADPi pledges at Jack's in Durham.

ADPi Social Agenda

Big items on the ADPi's social calendar this week and next include the party the Chi Phi pledges gave for the pledges Wednesday night at Jack's plus another party at which the Sigma Nu's will entertain both actives and pledges at the Sigma Nu House Tuesday.

ADPi pledge class officers are Marion Hayes of Durham, president; Barbara Thomas of Asheboro, secretary; and Edna Faye Pugh of Asheboro, social chairman.

Sig Ep Fun

It was party, party for the Sig Eps this past weekend as they crammed their social calendar full. Following the Germans dance and concert, SPEs and their dates continued the fun with a party at the House. Saturday for the game the brothers and pledges presented their dates with corsages decorated with the SPE insignia.

That night they entertained again with a combo party at the House, ending the weekend Sunday with an informal get-together.

Phi Gam Parties

Friday night after the concert and dance the Phi Gams partied over at the House. And Saturday, to celebrate Carolina's victory, they feted their dates at a cabin party out at the "Schoolhouse." As a finale Sunday they joined the Kappa Sigs, KA's and Zetes on the Phi Gam patio for a party.

Kappa Sig Doings

A visit by Les Elgart and his band Friday night to the Kappa Sig House highlighted weekend activities for brothers, pledges and their dates. The musicians arrived shortly after playing for the Germans dance.

Saturday, following the game, the House took on a Dixieland atmosphere while the "Devils of Dixieland" presented music from 5 to 8 p.m. That evening Kappa Sigs and their dates continued the fun with a cabin party at Larry's with the "Downbeats" presenting music. Sunday they closed out the weekend partying with the Zetes, KA's and Phi Gams on the Phi Gam patio.

Four companies will be seeking chemistry majors for laboratory work and for technical research, and another company will be talking with math and physics majors.

Liberal arts students will be busy, too, the service said. Those with a desire to travel can talk to Delta Air Lines representative about requirements for stewardesses.

On Thursday and Friday the YWCA will be interviewing for teenage program directors, young adult program directors, health education directors and college YMCA assistant directors.

On Nov. 25, representatives from Girl Scouts National Headquarters will interview women in an effort to find executive ability and women with an interest in Scouting. These interviewees will be registered with headquarters for positions as district directors.

Empty Stocking Drive Starts Mon.

Monday officially starts the Empty Stocking Campaign of the Junior Service League of Chapel Hill. Some 450 families or 1,600 persons, are on file for adoption.

Mrs. Mark Hanna, Empty Stocking campaign chairman, made the following suggestions for food to be given:

Foods such as flour, sugar, dried beans or peas, canned fruit, rice or corn meal, oatmeal, lard, crackers or cookies, peanut butter, jelly, dried fruit, jello, evaporated milk for children, candy, marshmallows and cereal.

Extra foods which could be included if a group is fixing a box for a large family are canned meats, coffee, tea, soups and canned vegetables.

Mrs. Hanna asked that any item of a perishable nature not be included in gifts to the fund. The fund will furnish fresh fruits to the families at the time that they pick up their

boxes. In addition to food, fund officials have suggested including used toys or new ones, gift wrapped, if possible. They would also like each adult in the needy family to have one small or any other item of personal adornment.

Mrs. Hanna said, "Let us share out Christmas with those less fortunate. The wonderful part of Christmas is the oneness we feel

with all mankind. Christmas is to give."

Donations of money may be sent to the Empty Stocking Fund, Box 374, Chapel Hill or may be taken to the booth which will be on Franklin Street, Dec. 9-13. All checks should be made payable to the Empty Stocking Fund.

Further information may be obtained by contacting Mrs. Charles Dixon at 80955.

While here, the inspecting officers will interview detachment and cadet personnel, monitor air science classes, and inspect other features of the local cadet program.

Purpose of the federal inspection is to develop and exchange ideas to improve the AFROTC program.

OBJECTS "HOAX"

WASHINGTON, Nov. 15—(AP)—The Air Force said today it has looked into five recent reports of mysterious lights and strange objects from the sky—and there isn't a flying saucer in the lot.

The Air Force report gave the most severe description—"hoax"—to the most vivid of the stories that began circulating after Soviet satellites turned the attention of Americans skyward. This was a Kearney, Neb., man's account of being shown around the interior of a spaceship by its German-speaking crew.
