

Mike Todd Buried While Wife Screams & Brothers Squabble

By JAMES BACON

CHICAGO, March 25. (B)-Mike Todd of film fame around the world was buried today as his beautiful widow, Elizabeth Taylor, screamed "No, No" and his cab driver brothers started a family argument.

The beautiful brunette movie star let out a piercing scream the first time she saw the cusket that held the body of her husico airplane crash.

As she cried hysterically, Todd's elder brother; Carl Goldbogen, created a ruckus that almost stopped the simple Jewish rites before they started.

Goldbogen, 61, a Long Beach. Calif., cab driver, had been estranged from Todd and some other members of the family for

"Get that Hanley out of here. He wouldn't let me in the house.' He was objecting to the pres-

ence of Dick Hanley, Todd's executive secretary. Then David tried to restrain Carl but the cabbie yelled:

"Throw me out. I dare you to throw me out. I will not be here while Hanley is here. I know I am only poor Carl."

Finally, brother Frank took over and appeased him. Carl said: "I'll do it for yon, Frank." And the service went on.

Brooks' Candidacy Still In Question Following Elections Board Decision **Veep Nominee Said** Professors Taylor, 'Ineligible' To Run **Radford Honored**

By DOUG EISELE

Indications were yesterday that John Brooks, Student Party nomince for vice president of the student body, will not be eligible to run in spring elections.

The Elections Board ruled Monday that Brooks, a junior from Greenville, is ineligible to participate in spring elections because he does not meet requirements set forth in election laws. The election laws say a candidate must have an aggregate of 27 hours in the two semesters prior to the semester in which he is nominated for office. Brooks has only 25 hours. After the Election Boards decision, the vice president nominee appealed to the Student Council but Council chairman Mac Patton said his body "definitely will not hear the case, as it stands now." A Student Party spokesman told The Daily Tar Heel that no candidate has yet been named to replace Brooks in the race for the vice presidency.
