### Here's How Voting Works

The voting procedure for today's fall elections consists primarily of presentation of ID cards and signing rosters.

The Election Laws for dorm voting procedure requires students to present their identification cards to be stamped and to sign the dorm roster before they can be given ballots.

Town voters must present and have their ID cards stamped and fill out an index card with their names, residence and class. The index cards will be filed by the poll tender.

### Voting On Two Referenda Part Of Election Today

Two referenda will be on the ballot when students vote in the election today.

The first proposition is a constitution for the graduate club, and the second is to abolish the campus-wide election of cheerleaders.

The graduate club constitution would embrace all graduate, professional, and special students and would provide for an annual election of Graduate Club officers coincident with the regular campus-wide elections in the spring.

The constitution provides for the election of a president, vice-president, secretary, and treasurer, and also a Graduate Council which would have all legislative power and the power of impeachment over executive officers.

The Graduate Council would be made up of representatives from each department and school of the University, by election by the graduate club membership in that department, selection by the department head, subject to the approval of the Graduate Club members in that department, or by selection by the department head without approval.

The constitution further provides for committees under the club including, budget, program, publicity, social, and graduate orientation committees.

The position of head cheerleader was deleted from the election law in the recent election law revision, but since it was also in the constitution it must be voted upon by the entire student body.

### Europe Tour Is Planned For Summer

By MARY BAHNSEN

Europe is getting closer every day.

A group of Carolina students think so. They are busy planning now for a summer abroad.

Every Wednesday the group meets in the library assembly room at 4:30 and every Wednesday the group gets larger.

Plans for the summer trip are still in the primitive stage. Two basic tours have been discussed. One is for extensive travel in Europe, then fly to Russia for 23 days and return to Europe for ten free days before coming home.

Another idea is to spend a month hitting the high spots of Europe, followed by 23 days in Russia and then return to Europe for a month of free time in which the students will travel on their own. There are many other possibilities in agenda.

Jim Carse, Y staff member and co-ordinator for the tour, said that they hope to make this a three month trip in order to give the students as much time abroad as possible.

The cost of the trip has been discussed. Spending a maximum of 90 days abroad, flying both ways and including visiting Russia, will cost a minimum of \$1500. This figure could be cut to \$1100 by omitting Russia.

The trip is not to be the normal run-of-the-mill European tour. The possibilities of attending seminars in a few of the larger cities, of living with native families, and of meeting important people such as the mayor of Paris are offered.

Definite plans will begin to be made at this week's meeting. All students interested in this tour are invited to attend the meeting tomorrow at 4:30 in the library assembly room.

### No Prediction Of Turnout Made By Election Board

Elections Board Chairman Bob Furtado said yesterday he could make no estimate of today's expected turnout.

He added that voting today will probably be lighter than in spring elections. The reason for this is the greater importance of the offices voted on in the spring, he said.

Fall elections last year drew 2,642 voters, or 34 per cent of the student body, to the polls.

The polls open at 9 a.m. and close at 6 p.m. for the annual fall election of class officers, Legislative members, representatives to the Men's and Women's Honor Councils and the Student Council and two constitutional amendments.

Graduate students will also be voting on a constitution for the Graduate Club.

Several changes were made earlier this school year pertaining to the various polling places and the Legislative districts.

Ballot boxes will be located in each dorm except Kenan and Conner. Kenan coeds will vote in McIver, and residents of Conner will be voting in Winston.

Students living in Emerson Stadium will vote in Ruffin Dorm. Residents of Memorial Hall and all other University-owned buildings except the dorms will vote in Old East.

For the Town Men's districts, the polling places are: Town Men's I at the Carolina Inn, Town Men's II at the Scuttlebutt, Town Men's III at Graham Memorial and Town Men's IV at Gerrard Hall.

Town Women will vote at Gerrard Hall.

According to reapportionment of Legislative districts, the following list includes the composition of each district: Dorm Men's I, Cobb Dorm; Dorm Men's II, Stacy, Graham, Aycock, Lewis and Everett; Dorm Men's III, Joyner, Alexander, Conner and Winston; Dorm Men's IV, Mangum, Manly, Grimes, Ruffin and Emerson Stadium; Dorm Men's V, Old East, Old West, Battle-Vance-Pettigrew, Memorial Hall and all other University-owned buildings; Dorm Men's VI, Avery, Parker, and Teague;

Dorm Women's I, McIver, Kenan, Alderman and Spencer; Dorm Women's II, Carr, Smith, Whitehead and Nurses;

Town Men's I, all men students residing in an area bounded by Columbia St. on the east, Cameron Ave. on the north and the city limits on the west and south;

Town Men's II, students residing in the area bounded by Cameron Ave. on the south, Columbia St. on the west, Franklin St. on the north and the city limits on the east, north and west;

Town Men's III, students residing in the area bounded by Franklin St. on the south and the city limits on the east, north and west;

Town Men's IV, students residing in the area bounded by Columbia St. on the west, Franklin St. on the north, the city limits on the east and south and all students living outside the city limits;

Town Women's, all coeds living in sorority houses and all women students not living in University-owned buildings.

### Paving Begins Today In Bell Tower Lot

Operations Director J. S. Bennett said yesterday that paving will begin this morning on the Bell Tower parking lot.

He urged all students to move their cars to the hospital side of the lot.

### Phi Society Schedules Reading Night

The Phi Society will hold a Reading Night instead of debating a bill tonight.

Members and guests will be free to read articles, selections from novels, poems or other matter in the formal meeting.

Reading nights in the past have proved successful and very lively. They provide students with an opportunity to present before the group any piece of writing which may be of interest.

Interested students and faculty are cordially invited to attend. The meeting will be held in Phi Hall on the fourth floor of New East at 8 p.m.

The bill scheduled next week is a debate on Gen. Charles DeGaulle as Man of the Year.

### Dorm Boiler Blows Off Excess Steam

Steam spurting from the basement of Parker Dorm brought police and firemen to the scene last night at 6:15 only to find that there was nothing they could do.

The steam came from the boiler which furnishes heat for Parker, Avery and Teague Dorms. According to a fireman too much pressure had built up and the boiler's safety valve was literally letting off steam. As long as it continued doing this, there was no danger of an explosion.

Firemen who had been in the basement reported that the temperature was approximately 200 degrees and the basement and lower floors were clouded with steam. Residents of the dorm said that the constant spurts of steam "sounded like an express train going through."

### INFIRMARY

Students in the Infirmary yesterday included: Florence Elizabeth McGowan, Mary Blackman Roberts, Helen Mallory McGurk, Louis Hirsch Kowitz, John Lee Matney, John Stuart Fletcher, Gordon Lee Baggett, William Nelson Anderson, Allan Magalhaes Costa, Hugh Alrian Foster, Charles Montgomery Hicks, Herman Edward Tickle, Julian Willis Bradley and Michael John Swain.

### Don Furtado Requests Aid From Cabinet

Says Faculty-Student Relations Are Low

Student Body President Don Furtado asked the Chancellor's Cabinet for its cooperation in bringing about better student-faculty relationships at yesterday's Chancellor's Cabinet meeting.

Furtado pointed out that the opportunity for contact between students and faculty was limited, and that increased contact might better the climate for learning on the campus.

Ralph Cummings, vice-president of the student body, and Paddy Wall, secretary, stated that the access to the faculty was limited at the present time and many appointments were not kept by faculty members.

Chairman of the Faculty William Wells said that this lack of unity was a product of the overall climate on this campus, he added that he would bring the matter up to the Faculty Council at its next meeting.

Chancellor Aycock suggested that an approach might be made through the orientation program, and one member of the Cabinet suggested that the Faculty Club might be a likely outlet.

### Big And Mean Rameses 'Protected' From Dukes

By JIM JONES

Rameses VIII, who hopes to cavort to the strains of a winning tempo this Saturday, is "well guarded" from any invasions by the Duke enemy this week.

Glen Hogan, who boards the Tar Heel mascot at his farm north of Carrboro, said today that "I'll deliver him in good shape" for the Duke-North Carolina game at Kenan Stadium.

"North Carolina State students tried twice to abscond with Rameses before this year's game," Hogan said. "But they discovered he is well guarded."

It probably wouldn't be too good an idea to fool with Rameses, anyway.

"This is the most aggressive ram I've handled," Mr. Hogan said. "In fact, he can be downright dangerous."

He said the UNC mascot is particularly angry when he hears the beat of a drum. Mr. Hogan turned the animal over to University of Maryland students during the Homecoming game here last month.

They got about halfway across the field when a drum sounded, and away he went.

Mr. Hogan remembers the time, several years ago, when he invited UNC cheerleaders out to help him protect the ram prior to a Duke game. About 50 persons showed up, about half of them from Duke.

"That ended that," he said.

Rameses is not only one of the most aggressive of UNC rams, but also one of the biggest. An eight-year-old, he tips the scales at 250 pounds.

Possibly to clear the air of any possible invasion ideas by the Dukes, Mr. Hogan concluded: "He's big and mean, and he loves me."

### String Quartet To Do Works Of 3 Composers

The Tuesday Evening Series sponsored by the UNC Music Dept. will present the University String Quartet tonight at 8 in Hill Hall.

The program, which is open to the public at no charge, will include string quartets by Boccherini, Beethoven and Debussy. The featured work will be Beethoven's Quartet in A minor, Op. 32, No. 4. Quartet members Dr. and Mrs. Alden, Jean Heard and Mary Gray Clarke are beginning their eighth season together.

Dr. Alden, first violinist, teaches violin, theory, and graduate courses in musicology in the UNC Music Department and is associate conductor of the University Symphony. Dr. Alden is a member of the N.C. Symphony and the Mozart Festival Orchestra, and has appeared as soloist with both of these orchestras.

Mrs. Alden, violinist and teacher of strings in Chapel Hill, has held first chair in the N. C. Symphony and the University Symphony. She has performed throughout North Carolina as soloist and in various chamber groups.

Mrs. Heard, second violinist, studied violin with the late Ottokar Cadtk of the University of Alabama and with Mischa Mischakoff at the Juilliard School of Music in New York. She is a member of the University Symphony.

Mrs. Clarke, first cellist, is a graduate assistant in the UNC Music Department. She holds a master's degree from the Manhattan School of Music, and has performed in concert in Germany as well as this country.

The String Quartet will also play at 1 p.m. at the Faculty Club luncheon today.

STRINGING ALONG WITH THE CLASSICS—Members of the University String Quartet prepare for tonight's concert. Left to right are Mrs. Dorothy Alden, Mrs. Jean Heard and Edgar Alden. Seated is Miss Mary Gray Clarke.
