**ESSO RESEARCH works wonders with oil**

Let it spray! New plastics stay fresh and soft!

Around your tub, around your windows, plastic curtains stay colorful and fresh, drape better, look better longer. Around you, plastic rainwear stays comfortably soft and pliable. Contributing to these qualities in many plastics is an oil-based ingredient developed by Esso Research. Better house-keeping... better car-kaping... there's no end to the ways **ESSO RESEARCH** works wonders with oil.

"How can I be sure you've got some Camels?"

More buxom blondes with shipwrecked sailors insist on Camels than any other cigarette today. It stands to reason: the best tobacco makes the best smoke. The Camel blend of costly tobaccos has never been equalled for rich flavor and easygoing mildness. No wonder Camel is the No. 1 cigarette of all!

Leave the fads and fancy stuff to landlubbers...
