Who said it first?

A column of incidental intelligence by **Jockey brand**

"APPLE OF THE EYE"
For this overworked phrase, we must turn to the world's richest source of quotations—the Bible. Specifically, the Old Testament. Deuteronomy, XXXII, 10:
"He kept him as the apple of his eye."

"ALL IS NOT GOLD"
Seems like everybody had a crack at this piece of homely philosophy, but the originator seems to be Geoffrey Chaucer, in "The House of Fame". Book I:
"Hyl is not all gold that glareth"

"COUNT 10..."
Was there any limit to the talents of Thomas Jefferson? Statesman, scientist, architect—he also authored this admonition:
"When angry, count ten before you speak, if very angry, a hundred."

Jockey T-Shirts
The most respected, creative name in underwear is Jockey Brand. It stands to reason, then, that Jockey brand T-shirts are unmatched for quality as well as styling. You can choose from standard crew neck T-shirt, "paper-tee" shirt, sleeveless T-shirt, and V-neck T-shirt models. Every man needs a drawer full of T-shirts—and the label to look for is Jockey Brand. Let it guide you to the world's finest underwear.
