

Annual Blue-White Football Contest Should Be Closely Contested Affair

Intrasquad Battle Scheduled For Next Saturday Afternoon

When the Blue and Whites line up in Kenan Stadium next Saturday at 2 p.m., in Carolina's annual intrasquad spring game, there should be a closely contested scrap and not a one-sided run-away.

Coach Jim Hickey said yesterday the opposing squads will be as evenly matched as possible and they should turn out a spirited battle which either side could win. There has not always been a division of this sort in the past.

The coaches will meet next week to select the squads

which will play a regulation game with all the trappings of a regularly scheduled fall number. The game is being sponsored by the Carolina Monogram Club. A small admission fee will be charged and the proceeds will go to the organization of lettermen.

Opposing Quarterbacks
Speculation has it that Ray Farris, the promising sophomore from Charlotte who received his varsity baptism last fall as relief for Jack Cummings and turned in an outstanding job, will be the top quarterback on one squad, opposed by Ward Marslander on the other.

Marslander, from Washington, N. C., also is a sophomore, but did not participate in games last fall, thus saving a year of eligibility. Ward showed in practice last fall he was good enough for varsity play and he is making a strong bid for the starting job next season. The competition between these two youngsters should be a highlight of the spring game.

Plagued By Weather

Because weather conditions have seriously retarded off-season practice, held indoors and outdoors, in the valleys and on parking lots, sometimes in the rain and mud, Coach Hickey and his staff have not yet been able to get a true line on what goes. Usually by this time the first three units could be fairly well determined with a fair indication of what they will be next fall.

Coach Hickey hopes that beginning Monday the squad will be able to get on their regular practice field and bear down in contact work. If weather favors, by Blue-White game time, coaches should have a much better knowledge of how to evaluate the players.

There are 21 lettermen on the squad, all of whom have been running most of the time on the first two teams.

This group consists of Jim Rice, Mike Greenday, Conrad Sloop, John Schroeder, ends; John Hegarty, Ben Gallagher, John Stunda, Jim LeCompte, Ralph Steele, tackles; Fred Mueller, Frank Riggs, guards; Rip Hawkins, Gary Truver, centers; Moyer Smith, Skip Clement, Gib Carson, Sonny Folkamer, Milan Wall, halfbacks; Ray Farris, quarterback; Bob Elliott, Joe Davies, fullbacks.

Among the non-lettermen holdovers and sophomores who have been showing up best are ends Ben McMillan and John Tunco, tackles Don Scott, Jim Shumate, Tony Hennessie, Sam Loffin and Tom Cabe, centers Bill Talley and Joe Craver, halfbacks Lenny Beck, Gene Shuford, Jimmy Addison, Robby Smith, and Dick McLamb, quarterbacks John Flournoy and Junior Edge, and fullbacks George Knox and Joe Robinson.

Twenty Teams Entered In Swimming Relays

20 teams have entered the Co-Rec swimming relays, to be held Tuesday night, an increase of 100% over last year's ten teams.

Pairings were announced yesterday by the Intramurals department. They are: KD-NROT, Town Girls-SAH, Alpha Gam I-Phi Delt, Alpha Gam II-Phi Kap Sig, Whitehead-Theta Chi, Spencer I-Cobb I, Spencer II-Ruffin, Spencer III-ATO;

Chi O I-DKE, Chi O II-Cobb II, Nurses III-Phi Kap Phi, Nurses IV-Sigma Nu, Tri Delt I-SAE, Tri Delt

ACC Baseball Action To Start This Week

By The Associated Press
Atlantic Coast Conference baseball teams, driven indoors by snows and freezes for their spring practices, open the 1960 season this week with five of the eight teams in action.

Clemson's Tigers, who won the 1959 championship after defeating Wake Forest and North Carolina following a three-way tie for first place in the regular season, lead the first week of activity with four games.

Tiger Lettermen
Clemson, which placed 17th in the nation in NCAA playoffs last year, has nine lettermen returning. These include Ty Cline, pitcher-outfielder who led the club in hitting with .326 as a sophomore and with a 5-1 pitching record, and Bailey Hendley, also a pitcher-outfielder who had a 5-1 mark on the mound and .309 in batting.

North Carolina has 17 lettermen back, including two star outfielders, John Burgwyn, who hit .224, and Gerald Griffin. Coach Walter Robb says the team has exceptional speed.

Five Pitchers Back
Coach Jack Stallings has 10 lettermen back at Wake Forest, including five pitchers. The squad has not been outdoors for practice since March 1.

The Deacons postponed their opener, against Colby, two days, in hopes that the field would recover from winter's beatings.

Maryland, which wound up in fourth place in 1959, has two all-conference men - third baseman Daon Santo who hit .294 and shortstop Frank Kopper who .371 among its nine returning lettermen.

Burton Shipley, starting his 37th season as coach of the Terrapins, faces a major problem in creating a pitching staff.

II, AD Pi, Carr, Alderman and Pi Beta Phi had not been paired yesterday afternoon.

The defending champions, Chi Phi and Kappa Delta, were not paired this year.

OPPOSING QUARTERBACKS — When the annual Blue-White game gets underway next Saturday afternoon it is expected that the quarterbacks directing the rival teams will be sophomores Ray Farris (above) and Ward Marslander (left).

Right down the alley

of America's second largest telephone system

Never before has America known such sustained growth and expansion. New industries, new plants, new additions to old plants — each day reveals dramatic changes on the industrial horizon.

And to help provide the new and greater communication systems for this building boom is our daily work at General Telephone.

You'll find a good example of what we mean in Muskegon, Michigan. Here Brunswick-Balke-Collender has just completed huge new facilities to keep up with the demand for its world-famous automatic pinsetters. In the same area, foundries, oil refineries and three new chemical plants are going round the clock.

And as Muskegon grows and prospers, its communication requirements become more complex and compelling. That's why Gen Tel, in the past three years, has spent more than \$36 million in its Michigan operating areas alone — improving, increasing, expanding its telephone services.

This is a typical example of how we strive — not only to meet today's communication needs, but to answer the needs of tomorrow, too.
