tornadoes and tidal waves  
expected by noon, with fair  
weather predicted for after-  
noon and evening. Thurs-  
day will have no weather.

# The Daily Tar Heel

68 years of dedicated service to a better University, a better state and a better nation by one of America's great college papers, whose motto states, "Freedom of expression is the backbone of an academic community."

VOLUME LXIX, No. 1 Complete (UPI) Wire Service CHAPEL HILL, NORTH CAROLINA, THURSDAY, SEPTEMBER 22, 1960 Offices in Graham Memorial Four Pages This Issue

## World News In Brief

### Eisenhower Wants Disarmament 'From Moscow To The Moon'

UNITED NATIONS, N. Y. (UPI)—President Eisenhower denounced Soviet meddling in Africa in a "state of the world" message to the United Nations Thursday and challenged Russia to a disarmament plan reaching from Moscow to the moon to prevent a possible "war by miscalculation."

Eisenhower, speaking to an audience that included Soviet Premier Nikita Khrushchev, offered to match the Russians in a plant-by-plant shutdown of installations manufacturing fissionable materials.

He called on the United Nations to declare the moon and other celestial bodies "off limits" for any warlike activities. Here on the earth, he said, the United States is prepared to earmark "substantial air and sea transport facilities on a stand-by basis," to help move United Nations forces in any future emergency.

### Cuba Bids For Negro Support

HAVANA (UPI)—Cuba made an all-out bid Thursday for American Negro support of the Fidel Castro revolutionary cause.

Plans for a "solidarity week with the Negro peoples of the United States" were cabled to Castro at his Harlem hotel in New York and the premier's sister-in-law denounced racial discrimination against the American Negro "imposed by U.S. financial oligarchies."

### 29 Die In Marine Plane Crash

SUBIC BASE, Philippines (UPI)—A U.S. Marine Corps DC6 airliner bound for the Philippines plunged into the sea 180 miles south of Okinawa Thursday, killing all 29 persons aboard.

Official Navy spokesman Dave Burckman told United Press International he had received word from authorities in Naha that there were "no survivors" among the 23 passengers and six crew members.

### Ambassador Defies Red Ban

BERLIN (UPI)—U.S. Ambassador Walter C. Dowling defied a Communist ban on the travel of Western diplomats through East Germany early today by riding a train through Red territory to West Berlin.

Dowling met only routine formalities at the Helmstedt crossing point. The Communist East Germans thus indicated that in the absence of Soviet support they are not ready to hinder Big Three travel.

## Danforth Foundation Invites Applications For '61 Fellowships

The Danforth Foundation is inviting applications for its 1961 fellowships from senior men and recent graduates who are planning to take up college teaching and enter graduate school in September, 1961, for their first year of graduate study.

The maximum annual grant for single Fellows amounts to \$1500 plus tuition and fees charged to all graduate students. For married Fellows the grant will total \$2000 plus the fees and tuition, and an additional stipend of \$500 will be given for each child.

All students regardless of financial need are invited to apply. A Danforth Fellow is allowed to carry other scholarship appointments which might run concurrently with his Danforth Fellowship.

The qualifications of the candidates as reported by the Foundation are: men of outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

The Foundation welcomes applications from the areas of Natural and Biological Sciences, Humanities and all fields of specialization.

J. Carlyle Sitterson, Dean of the College of Arts and Sciences, has named Associate Dean Frank M. Duffey as the Liaison Officer in charge of the nominations. The nominations are not to exceed three candidates for these 1961 fellowships.

## 'Mice & Men' Is Free Flick

Two widely acclaimed films—one the screen adaptation of a prize-winning John Steinbeck novel and the other a highly controversial expose of a television idol—will highlight this week-end's Free Flick program.

"Of Mice and Men," a vivid and tense presentation of Steinbeck's famous story of the strange, tragic friendship of two ranch hands, will be shown Friday night. Burgess Meredith, Lon Chaney Jr. and Betty Field star in the title roles.

Saturday night's flick will be "A Face in the Crowd" with Andy Griffith, Anthony Franciosa, Patricia Neal, and introducing Lee Remick in the role which brought her to screen stardom.

The story concerns an Arkan-

## —Three Southern Misses—

Jane Allen Jane Page Harriet Jackson

Three Southern beauties will represent UNC Saturday morning in the judging for Consolidated University Queen.

They are (l-r) Jane Allen, Chi Omega, a junior political science major from Lambert, Miss.; Jane Page, a junior education major from Richmond, Virginia, and Harriet Jackson, Phi Beta Phi, a senior English major from Cartersville, Ga.

## Pep Rally Set In Emerson

King Pigskin reigns Saturday in Kenan Stadium.

As the Tar Heels square off against the Wolfpack, the hopes of students, faculty, alumni and friends of the University ride on Hickey's eleven.

Actually the season gets its kickoff the night before with the first pep rally on Emerson Field, 6:30-8:45.

The Marching Tar Heels, the cheerleaders and of course Coach Hickey and his squad will be on hand.

But the most important ingredient of a pep rally is the students who attend, who yell and who show school spirit.

Head cheerleader Tim McCoy urged all students to attend the rally Friday night. "Student support is needed for school spirit and team morale," he said.

## Tryouts For Playmakers' 43rd Season Opener Set

Tryouts for "South Pacific," Carolina Playmakers' 43rd season opener, will be held Sunday at 3 p.m. and Monday at 4 and 7:30 p.m. in Memorial Hall.

Approximately fifty singers, dancers, and actors will be produced to produce the first of five plays to be presented by the group this year, director Thomas M. Patterson of the Dramatic Art Department announced yesterday.

The eight principal parts include three dramatic roles and five singer-actors. Two parts for children, a boy and a girl, will also be cast.

Students, faculty and Chapel Hill residents are eligible to tryout.

Singers are requested to bring their own music, not necessarily from the musical, for the tryout. "South Pacific" will run October 28, 29, and 30.

Other plays on the Playmakers' bill include "Under Milk Wood" by Dylan Thomas; "The Visit," named best foreign play of 1958; "Day of Glory" by Niels Locker; and "The Great Diamond Robbery," a melodrama by E. M. Alfriend and A. C. Wheeler.

Season tickets priced at \$6 are being sold at 214 Abernethy Hall and Ledbetter-Pickard.

## Cobb Broken Into

Police reported signs of an illegal entry Wednesday night of the post office located in the basement of Cobb dormitory.

According to the reports, a rear window of the post office had been broken, and two other windows had been tampered with.

Postmaster Cheek of the Chapel Hill Post Office has called Federal investigators, including a fingerprint expert, to try to determine whether or not mail theft was the reason for the damage.

## For IDC Organization

# Increase Of 700 Poses Headaches

By WAYNE KING

An increase of over 700 students in UNC's dormitories gives the IDC added headaches as well as a potential never before realized in IDC history, according to Swag Grimsley, IDC President.

At present, about one-half of UNC's enrollment lives in dormitories. This fact, Grimsley told IDC members Wednesday night, makes the IDC one of the largest representative organs on the campus. However, it also gives to the IDC added responsibility in regard to noise problems and study conditions, in view of the additional students now present in what were formerly two-man rooms.

A tightening of disciplinary action on the part of the IDC Court will be one means of reducing the noise level, it was revealed. An early crackdown on those found to be disrupting quiet hours was also advocated.

It was pointed out that this year a new dorm advisory program has been installed. Under this system a resident adviser is in control of the advisory program in the dormitory. IDC members were asked to cooperate to the fullest extent with these advisors, but were reminded that the IDC remains the autonomous governing body in the dormitory.

Bill Williams, Chairman of the Outstanding Dorm Committee announced that at present prizes for Outstanding Dorm are \$100 for first place and \$50 each for second and third places.

In other business, two motions were passed to sponsor combo parties, one to be held the evening of the Wake Forest game and one to be held September 30, co-sponsored by the Women's Honor Council.

If these are found to be successful, plans call for similar functions at regular intervals throughout the year.

Due to the resignation of IDC Court Chairman Larry Stacey, an election was held to fill the vacancy. Jim Gaudin, Clerk of the Court was chosen, with Dave Setzer being elected to fill the vacancy left by Gaudin. John Mitchner and Bruce Welch were elected as members of the court to complete the required number of nine members, including Chairman and Clerk.

# 1,400 Begin Rush Sunday; IFC Urges Invitation Pick-Up

## UNC Student Union Plea In 2nd Place Bids Will Be Distributed At Memorial Hall Thursday

Fraternity rushees must pick up invitations in front of Gerrard Hall today between the hours of 9 and 2 p.m., IFC Rush Chairman Charles Clement announced yesterday.

The 1960 Rush week officially begins at 2:30 Sunday and will continue until Friday, Sept. 30 at noon when strict silence ends.

Bids will be distributed at Memorial Hall on Thursday, Sept. 29 from 8 a.m. until 2 p.m. and those wishing to pledge may pick up their bids then.

Clement said that approximately 1,400 boys will be going through rush week which is a somewhat larger group than in the past.

On Sunday and Monday the rushees must visit all of the houses from whom they received an invitation, said Clement, pointing out that those who do not visit each house that invited them will be prohibited from pledging if their name is turned in.

He urged the fraternities to co-operate with the IFC by submitting a list of those boys who did not visit their house if they were sent an invitation.

He also emphasized the new system of notifying rushees that they have been dropped.

## ID Needed

How to get into Kenan Stadium for a football game? Bring ID card or its equivalent and Athletic Admission Card to Student Gates to the right of the Bell Tower. There the Athletic Admission Card will be punched and a ticket designating a certain seat is received. (ID card should be placed in back of Athletic Admission Card holder in such a way as to prevent puncture.)

## Law Admission Tests Conducted 4 Times By Testing Service

Students desiring admission to the UNC School of Law are required to take the Law School Admission Test given in Manning Hall on the mornings of Nov. 12, 1960, Feb. 18, April 15, and August 5, 1961.

Sample questions and information concerning the test are given in a Bulletin of Information, which can be obtained at the University Testing Service, 019 Peabody Hall.

The Bulletin, which contains an application for the test, should be obtained four to six weeks in advance of the desired testing date. After filling out the application form and enclosing a \$10 fee, applicants should mail the forms to Law School Admission Test, Educational Testing Service, 20 Nassau St., Princeton, N. J.

Completed applications must be received at least two weeks before the desired testing date in order to allow ETS time to complete the necessary testing arrangements for each candidate.

A candidate must make application for admission to each law school of his choice and should inquire whether it requires him to take the Law School Admission Test.

Since many law schools select their freshman classes in the spring preceding their entrance to the school, candidates for admission to next year's classes are advised ordinarily to take either the November or the February test if possible.

During 1959-60 over 19,000 applicants took this test, and their scores were sent to over 100 law schools.

The admission test, prepared and administered by Educational Testing Service, features objective questions measuring verbal aptitudes and reasoning ability, rather than acquired information. It cannot be "crammed" for.

## Will Politics Affect Religion?

By LOUIS CASSELS

Nearly everyone seems to be talking about the impact of religion on the U.S. presidential campaign.

Let's look at the other side of the coin for a change.

What effect will the campaign have on religion?

Some church leaders fear that it may set back, by many years, the most hopeful religious development of our time.

That development is the emergence among Catholics and Protestants of a strong desire for Christian unity.

The growth in Protestant-Catholic amity has so far been much more evident in Europe than in the United States. But the quest for reconciliation is also under way in this country, and it has made more progress than is generally realized during the past two years.

Now comes a presidential campaign in which some people seem determined to revive ancient antagonisms, and to fan into flame the embers of suspicion and distrust which the ecumenical movement has tried so hard to douse.

This new obstacle is profoundly discouraging to churchmen on both sides of the reformation divide who are trying to substitute brotherhood for bigotry in Catholic-Protestant relations.

Missionaries in other lands, and clergymen in America, have realized for a long time that Christianity is suffering severely from the scandal of its own disunity. Some people are leaving their church, and many others are refusing to join, because they are disillusioned and disgusted with the cold war among Christians.
