Cool Prof Flips His Lid.

Dr. Elwood Z. Rockbottom, a professor of English who's known for his red-hot lectures and sizzling quizzes, yesterday lost his marbles and went coo-coo during his English 517 class. He tossed abandon to the winds and began watering flowers while his class tittered in shocked amazement. In the photo above Drs. Clifford Lyons, George Harper and Lyman Cotton stare at his actions with looks that could only be described as surprised.
