out the country. She came to the Dean of Women's Office as Personnel Adviser, and in 1958 became Assistant Dean of Women.

Adams and Barber

Misses Nancy Ann Adams and Elizabeth Anne Barber have been appointed Assistants to the Dean of Women, announced Mrs. DeBerry, Tuesday.

Mrs. DeBerry stated that she felt "extremely pleased to have these two outstanding young women as staff members" of the Office of the Dean of Women.

Miss Adams is an alumna of the University, receiving her BA degree in English in 1959. During her years as a member of the student body she was tapped into Valkyries, highest honorary organization for women, and was awarded the Algernon Sydney Sullivan Award for unselfish service.

Upon graduation Miss Adams taught in the English Department of Hermitage High School in Richmond, Virginia, where she also sponsored the school paper. In 1960-61 she worked with the Mental Health Society of Greater Miami.

Miss Adams, who joined the staff on August 5, assumes the vacancy created by the resignation of Miss Isabelle MacLeod. Miss MacLeod will be teaching in the Estes Hill School in Chapel Hill.

Johns Hopkins

Miss Barber is a graduate of Florida State University, where she was elected to Phi Beta Kappa. She received an MA degree in history from Johns Hopkins University in 1954.

From 1955 to 1958 Miss Barber was a member of the faculty of Coral Gables High School. She has travel in Europe, North Africa, and the Near East. For two years she taught with the U. S. Army, Europe, at Augsburg American High School in Augsburg, Germany. During the past year she has served as a graduate counselor in an undergraduate woman's dormitory while working toward a Ph.D. degree in history at UNC.

Miss Barber will replace Miss Carolyn Johnson who is to attend the Graduate School of Drew University. She will assume her new responsibilities on September 5.

receiving any formal education.

"Teenage Club"

The only organized recreational activity for the teenagers of Prince Edwards County is the "Teenage Club" in which 78 Negro students hold membership. The club functions primarily as a social organization and sponsors trips such as the visit to UNC. The Chapel Hill visit was the only trip taken by the older members of the club, but the younger members have taken trips to Lynchburg, Richmond, Norfolk, Va. and Washington, D. C.

Mrs. Baker said all further actions on education for the Negro students will depend on the courts,

and there are not enough funds available to continue the program of placing Negro students in other schools. If the courts reopen the Prince Edward County schools, she said, the Negro students will return to the county schools unless they are in the 11th or 12th grades and wish to complete their education in their present schools.

AMERICA

I think the true discovery of America is before us. I think the true fulfillment of our spirit, of our people, of our mighty and immortal land, is yet to come. I think I speak for most men living when I say that our America is here, is now, and beckons on before us and that this great assurance is not our living hope, but our dream to be accomplished.—Thomas Wolfe

Integration

Theater integration is purportedly imminent in the Chapel Hill movie houses. The Carolina, through the reticent actions of district manager W. J. Enloe and local manager E. Carrington Smith, if all goes well, should be technically integrated before the end of this session of summer school. The Varsity will supposedly follow suit shortly afterwards.

The question which will have to be answered by the "test period" of integration before the Fall semester begins will be: Is integration commercially practical?, and if so, How far should the integration be carried?

In other words, do more Negroes attend than whites stay away under integration; and if so, should only Negro UNC student be allowed in the theaters, or ALL negroes? We hope the answers will be positive and complete, in favor of integration.—Editor
