

# Pre-Season Prospect List Is Named

CHICAGO—Three members of last year's first-team All-America spearhead the pre-season list of prospects for the 1961 team to be selected by the American Football Coaches Association.

Fullback Bob Ferguson of Ohio State, halfback Ernie Davis of Syracuse, and guard Joe Romig of Colorado were leaders in the early balloting by 2,000 college coaches, it was announced by Jack Curtice, Stanford University head coach and AFCA president.

Eastman Kodak Company will sponsor the 1961 All-America and present Kodak Awards honoring the Coach of the Year from a major and a small college for the second consecutive year.

The 1961 squad of the original and oldest All-America, started in 1889 by Walter Camp, will be based on careful evaluation of each player's complete season

performance, including the slow-motion analysis of many game movies. The widespread exchange of game movies will give every coach maximum opportunity to select the outstanding players in all areas.

Curtice stressed that these pre-season selections were determined by practice and previous game performances and that, in previous seasons, many All-America players have not been listed in the early balloting.

Coaches will nominate again in mid-season and end-of-the-season polls. The final ballot will be reviewed by the All-America Board of Coaches.

Preliminary list of All-America nominees are:

## Chi-Psi Beta Game Tops Murals Play

By John Montague

Tight defenses and impotent offenses marked the opening day of the 1961 Fraternity Blue tag football season. Seven shutouts were registered out of the nine games played, and no team tallied more than 20 points. The Chi Psi-Beta skirmish ended in a scoreless tie, the Chi Psi's winning in overtime by pushing the ball into Beta territory and keeping it there. Other low-scoring games saw Sigma Nu edge past Sigma Chi, 6-0 on Skip Dunn's second half td; KA blank ZBT, 6-0 with J. Stonestret scoring; and DU nosing out TEP by the same score.

Theta Chi, spurred by Cronin Byrd's leaping catch of a td pass, went on to blank the Pi Lams, 20-0. D. T. Marshburn and L. M. Draper also tallied for the winners, and Butch Barneau booted two PAT's. Kappa Sig white-washed the Phi Gams by an identical score, with Pete Farriod scoring twice, Dave Fletcher once, and Blake Young and Jim Mooring adding the extra points. In the third 20-0 game of the day, ATO shutout Pi Kappa Phi. Seymour, Simpson and Wilker scored td's with

Clark and Lewellyn making the point-after's.

Simi Mintz intercepted a pass on the PiKA 10-yard line and threw to Bob Rearden in the end zone to put the Phi Delt's in front to stay, as last year's runners-up downed PiKA, 20-7. The PiKA's had taken a 7-6 lead minutes earlier on an 85-yard pass play with Jimmy Adams throwing and Jackie Lohr receiving. Bill Craig made the go-ahead PAT. Riley Pleasants scored the Phi Delt's first td and Tob Cummings tallied late in the games, to Phi Kappa Sig on Monday of reach for the PIKAs. Dick Vinroot and Kent Campbell made the Phi Delt extra points.

SAE, trailing 2-0 at the half, bounced back to down Kappa Psi, 14-2. A 70-yard pass play from Dan Batten to Brooks Reed to Stuart Saunders in the end zone turned the tide early in the second half. John Brabson also notched a td and Jim Pisman scored both

### Three Buttons A Button-Down Shirt Do Not Make

There are many details that go into a smart button-down shirt. 1. It should be simple needle construction—hidden stitching on the shoulder seams. A double needle shirt has a ridge on the shoulder and larger stitches throughout the shirt. 2. In keeping with the accent on trimness it should have a proper taper for a custom look. 3. It should have an arched flair so it has an automatic roll. 4. The fabric should be a fine mercerized combed yarn. Milton's accomplished all this starting at \$5.00, the absolutely lowest starting price for a quality shirt.
