Phil Smith Back As UP Chairman; Succeeds Curtis

Phil Smith has again taken over as chairman of the University Party. Don Curtis, the acting chairman of the UP for the summer, is not in school this semester.

Smith announced his intended resignation in favor of Curtis May 14. According to the by-laws of the party, Smith's resignation was unofficial because it was never made in an open meeting before the convention. It was only a public announcement of intention, Smith said.

The temporary appointment of Curtis would have expired this fall. Since Curtis will not be back in school this semester, Smith has announced his intention of remaining in his position as chairman of the party.

Smith's intended resignation was prompted by the "need to continue party policy through the summer," according to a statement he issued last spring. "It is senseless," he said then, "for me to set up an organization I won't be working with."

He appointed Don Curtis as party chairman until the fall elections with the understanding that Curtis would take over the regular duties of chairman at that time. Curtis was Inman Allen's campaign manager in last spring's elections.

JAPANESE POLITICIANS—Visiting UNC for a 24 hour period are five Japanese women politicians on a tour of the United States. Three are members of the Japanese Diet. Pictured with them is Mrs. Charles Tillett of Charlotte, a U. S. representative to the United Nations Committee on the Status of Women.

GOP Candidate To Speak Here Tuesday Night Young Democrats Plan Drive Soon

Republican Sixth District Congressional candidate Blackwell Robinson will speak to the Young Republicans Club Tuesday night at its first meeting of the semester, President Buddy Broome said yesterday. Robinson will speak at 7:30 in the Law School Courtroom.

The Young Democrats Club will also hold its first meeting Tuesday night at 7:30 in Gerrard Hall.

The public is invited to attend both meetings.

The main business at the YDC meeting will be plans for the state convention in Greensboro Oct. 11-13. Gov. Sanford and Congressman Horace Kornegay are expected to speak at the Greensboro meeting.

The YDC plans to set up tables in Lenoir Hall Monday and Tuesday in a drive for new members. President George Kornegay said yesterday. Other officers of the club are Millie Richardson, vice-president and Fred Rice, treasurer.

Broome said the YRC also plans to have Congressman Charles Jones speak here later this fall. Jones is now the state's only Republican Congressman.

Other officers in the YRC are Carmen Lucas, first vice-president, Win Sargeant, second vice-president, and Mack Armstrong, secretary-treasurer.

Pete Mullis, 47, Dies Of Heart Condition; Was Cage Great Here

Clyde Edward "Pete" Mullis, 47, died at 5 a.m. yesterday in the North Carolina Memorial Hospital of heart failure.

An Associate Professor in the University's Department of Physical Education, Mullis had been an outstanding basketball player in his undergraduate days at UNC.

A native of Monroe, Mullis attended Central High School in Charlotte where he compiled an excellent record in athletics. He came to the University in 1934 and for three years, starred on the varsity basketball teams known as the White Phantoms. Mullis received his B. A. degree in 1938 and his masters degree two years later.

During World War II, from 1943-46, Mullis served as a consultant for the United States Air Force in its physical training program for troops in Europe.

Dr. Oliver K. Cornwell, chairman of the Department of Physical Education expressed great admiration for Mullis.

"Pete was a sophomore at the University when I came here in 1935 and he had been with the department ever since. He was a fine basketball player and excellent teacher but his greatest

strength was as an instructor in our swimming classes for children. The University has lost a fine man."

Graveside services will be conducted at Old Chapel Hill Cemetery Thursday at 2 p.m. The Rev. Thomas P. Thrasher and the Rev. Jacob A. Viverette, both of the

Chapel of the Cross, will officiate.

Mullis is survived by his former wife, Carolina R. Mullis; three daughters, Julia Bryce Mullis, 19, Eleanor Lenore Mullis, 18, and Deane Garnett Mullis, 15; and a brother, John G. Mullis of Atlanta, Ga.

Co-Op, Bus Service Plans Presented At SP Meeting

A plan for a student co-op that would not violate the Umstead Act was presented to a Student Party meeting by two students Monday night.

The plan proposed by Bill Bates and Tally Eddington, both students in the Medical School, calls for the establishment of a student-run corporation to operate the co-op as a private business off the University campus.

As long as the co-op is operated as a private business it is not in conflict with the Umstead Act, which prohibits State supported institutions from competing with free enterprise.

Another proposal called for the establishment of a small loan service which would make loans of \$10 available to students for two week periods at a flat interest rate of 20 cents. A similar plan is reportedly being used by the University of Chicago.

The SP also discussed starting a permanent bus service to Ehringhaus and Craig dormitories and possible plans for a comprehensive study of student opinions of the University and its future.

Initial capital of \$20,000 would be needed by the students starting the corporation, Bates said,

before they could qualify under State law to sell stock in themselves as a corporation. After that, a starting capital of about \$100,000 would be needed before the co-op could go into action.

The idea for the co-op came from a company formed by Bates and Eddington to sell student discount cards in Chapel Hill.

The company has been using Kemp's as an office since the Umstead Act prevents it from operating on the campus. The cards sell for \$5 each. They are good for a discount of 10 per cent on most items in the 10 participating businesses.

Cardboard Sets Friday Meeting To Plan Season

The UNC Cardboard will meet Friday night to make plans for the fifteenth season of the group that is now the second largest cheering section of its kind in the country. The meeting will be held at 7 in Roland Parker I in Graham Memorial.

Two Exhibits Opening Here In Art Halls

There will be art exhibits in Chapel Hill this week at the Ackland Art Museum, the Morehead Planetarium, and at "Paintings Upstairs" located at 113 West Franklin Street.

On exhibit at the Ackland Art Museum beginning Friday will be paintings by faculty artists from various colleges and universities, sponsored by the American Federation of Artists.

The paintings of a well known British artist, Geoffrey Jenkinson, are currently on exhibit at the Morehead Planetarium. Having had a painting hung in the Royal Academy at the age of 21, Jenkinson's paintings are mostly of the modern metropolitan scene.

At "Paintings Upstairs" paintings and sculpture will be on exhibit from 10 to 12:30 this Saturday.

Paintings on exhibit are in contemporary art and were selected for exhibition from 150 paintings by Dr. Joseph Sloan of the UNC Art Department. Chapel Hill artists featured are Lynn Deal, Irene Reichart, Barbara Fowler and Betty Bell.

Challenges Authority

Barnett Refuses To Change Stand

JACKSON, Miss. (UPI)—Gov. Ross Barnett persisted in his open defiance of all federal authority Tuesday by again refusing to enroll Negro James Meredith in the University of Mississippi.

Barnett's actions Tuesday constituted one of the most serious challenges to federal authority since the civil war and apparently made him liable for arrest.

Meredith arrived at 6:33 p.m. EDT at the state office building where Barnett was waiting for him.

Meredith was escorted into the building by several federal marshals before a crowd of more than 1,000.

The crowd booed and there were shouts of "Go home nigger." The Negro student was then taken to the 10th floor where the office of the state college board is located.

A cheer went up from the crowd when word was passed that the governor denied Meredith admission.

Gov. Barnett met Meredith and U. S. attorney John Doar and the U. S. marshals at the door. He declined to accept the federal summons and read to Meredith and the others a proclamation "finally rejecting your Meredith's admission to the University of Mississippi."

The proclamation referred to

King Promises Campaign At Alabama U.

BIRMINGHAM, Ala. (UPI)—Rev. Martin Luther King Jr. said Tuesday a "vigorous campaign" will be started this year to enroll Negro students in the University of Alabama and Auburn University.

The integration leader made the announcement shortly after praising the Kennedy administration for insisting that Negro James Meredith be admitted to the University of Mississippi.

"In the past other integration leaders and I have been critical of what we considered a lack of forcefulness by the federal government in prompting civil rights," King said.

"But the action in the Meredith case has been the Kennedy administration's firmest stand to date in enforcing integration. From the beginning," he said, "the government made it crystal clear that Meredith would go to the university."

Search Is On For New York 'Fix' Suspect

RALEIGH (UPI)—Despite an intensive search by New York City and North Carolina police officials, the whereabouts of a New York City native wanted in connection with the basketball bribes trials here remained unknown as the trial date nears.

Wanted in North Carolina is Bobby Kraw, described as in his middle 20s and balding, for trial in Wake Superior Court Oct. 15.

Kraw was indicted on two counts of bribing basketball players, two counts of conspiring to bribe and two counts of conspiring to offer a bribe. Sixteen other men were charged under similar indictments.

Kraw allegedly offered bribes to basketball players Terry Litchfield and Anton Muehbaer, both of N. C. State College, on two different instances according to Solicitor Lester Chalmers.

Chalmers said two other indicted men—Frank Cordone and Morris Hogison—may not make the Oct. 15 trial date. He said they were in Pennsylvania and that extradition proceedings may not be completed by Oct. 15.

Rescue Ship Catches Fire

LONDON (UPI)—The British Broadcast Corporation Tuesday night said it received a report that the Swiss freighter Colerina, carrying 44 survivors from the ditched Flying Tiger airliner, had caught fire. First reports indicated two persons were badly burned.

The BBC said helicopters were already on the way to the 7,040-ton freighter which is headed toward Antwerp, Belgium, at an estimated speed of 14 knots. There was no immediate explanation of how the fire broke out.

The BBC quoted the British Air Ministry for its report. But an air ministry spokesman in London said he could not confirm the report which he said apparently came from a ministry source in Scotland.
