Three Stars for Your Christmas

The Face of North Carolina

by Bruce Roberts, with text by Dick Gorrell. Here's a book we've all needed for years, and at the intimate we're enthused about it. It's a big book of top-notch pictures of all North Carolina—the new and the old, the mountains, the Piedmont and the coast, buildings, land and people. We think that the minute you see it, you'll know you've always wanted it—for yourself and for your friends. It's a beauty! \$12.50

The War in the Air

A pictorial history of World War II Air Forces in combat, by Gene Gurney. Here's a gift that will be the hit of the day with the men folks. 348 pages of pictures of planes and combat in the air. \$7.50

The Story Behind

The Painting Seventy-one masterpieces in rich, faithful color (plus 68 more in black and white) make this a distinguished book. What makes it unique is that for each painting there is the story of the human drama that went into its production. \$14.95
