2 Suspended For Cheating On Quizzes

The Men's Council delivered two sentences of definite suspension and two lesser penalties in honor code proceedings Thursday night. A fifth case resulted in a not guilty verdict.

Cheating on hour quizzes resulted in the dismissals from school for a full semester. In the first case, a freshman pleaded guilty to having copied parts of a test. He was discovered by his teacher.

The second case involved a missing answer to a quiz question. A fellow student of the defendant distinctly remembered having completed the test in entirety, and a portion of his paper was seen by the teacher in the possession of the defendant during the quiz.

Plagiarism

A student who turned himself in for plagiarism was given a sentence of definite probation for a semester. He confessed to having paraphrased a theme in freshman English.

Another first year student admitted lying to a dormitory adviser concerning damage done to the hallway. Professing that he only intended to give his roommate a chance to confess, he turned himself in. The Council returned a sentence of official reprimand, a written reproof which is automatically removed from the permanent record after four and a half months. In this instance the Council commended the forthright attitude of this student.

Insufficient Evidence

The final case, involving some two hours consideration, concerned an alleged instance of cheating on a lab report. Having been turned in by a fellow student, the defendant admitted that the lab work was completed in an exceptionally short period of time. The professor stated that the results on the paper could possibly have been obtained by the methods in question. Due to insufficient evidence in the case, a verdict of not guilty was rendered.

AMA Leader Says Medical Aid Is Hoax

WASHINGTON (UPI)—Dr. Edward R. Annis, president-elect of the American Medical Association (AMA), Friday labelled President Kennedy's medicare plan a fraud and a hoax and said the public is against it.

The Miami physician told a conservative political action meeting sponsored by "Human Events," a Washington newsletter, that last year's battle over the issue was only the beginning of what probably would be an even more "brutal fight" this year.

Annis predicted the White House and some congressional leaders would use "arm twisting" tactics in efforts to enact the program. It would be financed through higher Social Security taxes on workers and employers.

Although Annis claimed that the majority of public opinion had turned against President Kennedy's proposal, he said:

"The zeal of administration planners to secure a greater concentration of power in Washington over the lives of citizens through medicare burns with undiminished fervor."

The proposal was narrowly defeated in the Senate last year and did not come to a vote in the House.

Annis urged members of Congress and others opposed to the administration plan not to compromise on basic principles.

Another speaker, Adm. Ben Moreell, chairman of Americans for Constitutional Action, said many Americans were willing to surrender "the solid substance of freedom for the illusory promise of security."

US Warns Allies; Stop Cuban Trade Or Lose Our Aid

WASHINGTON (UPI)—A number of free world nations have been warned they face the loss of U. S. aid if their ships continue to trade with Cuba, the State Department said Friday.

A department spokesman said the crackdown would be required under a provision of the foreign aid bill passed by Congress last session.

He declined to list the countries which have been warned but said the notifications have been served over the last two months.

Secretary of State Dean Rusk was questioned about the Cuban shipping situation when he briefed the Senate Foreign Affairs Committee at a closed door session Friday morning.

Committee Chairman J. William Fulbright, D-Ark., reported that Rusk seemed encouraged by the response of many nations to U. S. efforts to discourage shipping to the Fidel Castro regime. Rusk observed, however, that some of the vessels engaged in the Cuban trade are under long-term charters and get under firm control of their governments.

At the briefing, Rusk also made these points on Cuba:

"The United States is determined to protect the Western Hemisphere countries from any overt or subversive invasion by Castro forces. He declined to go into detail on this for newsmen.

"The administration is confident that all Soviet offensive weapons such as missiles and bombers have been withdrawn from Cuba despite contrary reports from some Castro refugees.

"The United States had made no commitment against a Cuban invasion.

He told the Cadets that as Officers they should avoid participating in partisan politics. Even though he admits that at times it is difficult to distinguish between the military role and political role, the Officer will jeopardize his professional integrity if he moves in to the realm of politics.

Citing recent Senate investigations on muzzling in the Armed Forces, Dawson said one point above all others stood out. "American Officers have been able to adopt themselves quite well and they realize that the principle of civilian domination was the most outstanding feature of the Armed Forces."

Possibly Within Next 5 Weeks More Nuclear Test Ban Talks Hinted

WASHINGTON (UPI)—The United States and Russia may hold a new "across-the-table" meeting on nuclear test ban efforts sometime in the next five weeks, officials said Friday.

This was reported as Secretary of State Dean Rusk told reporters there still was hope for progress in reaching agreement with the Russians on nuclear testing and disarmament. His remarks came after he briefed the Senate Foreign Affairs Committee.

Officials stressed that nothing definite has been set yet on a nuclear conference. They said a report that Russia has made a "new overture" to the United States was an "overstatement."

But they acknowledged there has been speculation about the possibility of a change in the Russian position on international inspection under a nuclear treaty.

The presence here this week of Soviet Deputy Foreign Minister Vasily V. Kuznetsov gave credence to the reports. Kuznetsov, who has met with President Kennedy and Rusk, conferred Friday with U. S. disarmament chief William C. Foster and Defense Secretary Robert S. McNamara.

Although a U. S. spokesman said no business was transacted in the Rusk-Kuznetsov talk, it is known that the Soviet official has discussed disarmament during the three-day visit.

U. S. officials stressed that no new proposals have been received from the Kremlin. But there was belief that recent comments by Soviet diplomats may foreshadow a new Russian treaty move in the comparative lull that has come in the wake of the Cuba crisis.

Mrs. Heard To Make Final Appearance With Quartet

The North Carolina String Quartet will play a special concert Sunday evening at 8 in Hill Music Hall, at which time Jean Heard will make her last appearance with the Quartet after an association of more than twelve years.

The program will include Beethoven's Quartet in A Minor, Opus 132, Walter Piston's Quartet No. 1, and Brahms' Quartet in A Minor, Opus 51, No. 2.

Members of the North Carolina String Quartet are violinists, Edgar Alden and Jean Heard, violist Dorothy Alden, and cellist Mary Gray Clarke. Mr. Alden is also concertmaster and associate conductor of the University Symphony and professor of music theory and musicology at UNC. Mrs. Alden, a graduate of Oberlin Conservatory, is director of the Chapel Hill Youth Orchestra, and Miss Clarke is an instructor in harmony at UNC.

Jean Heard, second violinist of the quartet, studied with Ottokar Cadek at the University of Alabama and with Mischa Mischakoff at the Juilliard School of Music in New York. Sunday's concert marks her last regular appearance in Chapel Hill as a member of the quartet, as she will leave shortly for Nashville, Tennessee with her husband, Alexander Heard, Dean of the Graduate School at UNC, who assumes his post as chancellor of Vanderbilt University on February 1st.

In the twelve years that the North Carolina String Quartet has been playing together they have built up an extensive repertoire, including more than forty complete quartets that have been heard in public performance. They have appeared in many localities throughout the Southeast. Last October their Florida tour took them to Sarasota, St. Petersburg, and Florida State University at Tallahassee. They will return this week from a tour in Virginia, playing for audiences at Newport News, Norfolk, and also in Raleigh.

Admission to the concert is free and open to the public.

Meredith Charged By UM Chancellor

OXFORD, Miss. — (UPI) — The chancellor of the University of Mississippi charged Friday that Negro James H. Meredith caused the current campus unrest himself by complaining about conditions at the school.

"We were getting along quietly before the press conference," said Dr. J. D. Williams. "The press conference sparked the whole thing."

Williams referred to a press conference Meredith held last Monday to announce that unless "definite and positive changes" were made at the school, he might quit next semester.

Since his announcement there have been nightly demonstrations on the campus.

Williams was also critical of the stand Atty. Gen. Robert Kennedy took on Meredith's announcements.

Williams said the university had worked closely with the Justice Department in maintaining "proper conditions" at "Ole Miss" since Sept. 30, when Meredith's entry onto the campus sparked 14 hours of bloody rioting.

The chancellor said he thus was "surprised" by Kennedy's public plea asking the state and university officials to make the "changes" Meredith felt were needed.

Hypnotist Is Featured On Spring Slate

A hypnotist, Dr. John Kolisch and the U. S. Army Men's Chorus will begin the wide variety of programs offered by Graham Memorial next semester. The Gerry Mulligan Quartet, the Minneapolis Symphony and Henry L. Scott, piano humorist, are also scheduled for February.

Kolisch, who will appear on February 8, is a lecturer-demonstrator, hypno-consultant, and a noted authority in the art of hypnotism. One of the most interesting features of his program is audience participation in practical demonstrations of hypnosis, self-hypnosis, mass-hypnosis, post hypnotic suggestion, feats of memory and other astounding experiments.

Following Kolisch on February 9, is the U. S. Army Men's Chorus of 52 members. This group is rated with the best and incidentally, has a waiting list of prospective members around 1,000.

Appearing on February 12 and 17 will be Henry L. Scott and the Minneapolis Symphony, respectively. Scott is the originator of concert humor and "hilarious virtuoso" of the piano.

The Gerry Mulligan Quartet is a noted jazz group whose leader is an outstanding baritone saxophonist and jazz innovator. He started a new trend—the pianolose quartet—consisting of his baritone saxophone, a trumpet, bass and drums. He will appear February 27.

The new York Musica, Rey de la Torre, guitarist, and Lester Platt and Earl Scruggs will be here in March. Platt and Scruggs, who appeared here last year, have returned by popular request.

The G.M. Spring Weekend, starting Friday April 28, will headline the Four Preps. On Saturday afternoon, April 27, there will be a long concert with the Duke Ambassadors and the Harlequins. After the concert there will be five combo parties also sponsored by G.M.

Love Me Or Leave Me Is Free Flick Today

Doris Day, James Cagney, and Cameron Mitchell are the stars of the G.M. Free Flick for tonight, "Love Me or Leave Me," in cinema-masque and color, is the story of Ruth Etting, torch singer of the 20's and early 30's, whose gangster husband created a headline scandal. A crippled Chicago racketeer discovers a talented dime-a-dance hostess, pushes her into the bigtime, marries her and turns savage when he is unable to complete his domination. Showings will be at 7:30 and 9:30 in Carroll Hall and I.D. cards are required.

The grand jury is investigating the government's charges against former Maj. Gen. Edwin Walker and 10 others arrested in connection with the rioting.

The 11 men face a number of charges, including rebellion, insurrection, conspiracy to oppose the authority of the United States, conspiracy to impede federal officers and interfering with federal officers in the performance of their duties.

Berlin Wall Blocks Set Up By Guards

BERLIN (UPI) — Communist border guards have brought up rolling road blocks to prevent refugees from smashing through the wooden barriers guarding the approaches to West Berlin, travelers reported Friday.

West Berlin police were told the guards had mounted heavy, 30-foot long wooden beams on rollers at the Babelsberg Autobahn checkpoint and at the entrance to the Berlin-Hamburg Autobahn. They can be rolled out quickly to block speeding cars.

Meredith Charged By UM Chancellor

OXFORD, Miss. — (UPI) — The chancellor of the University of Mississippi charged Friday that Negro James H. Meredith caused the current campus unrest himself by complaining about conditions at the school.

"We were getting along quietly before the press conference," said Dr. J. D. Williams. "The press conference sparked the whole thing."

Williams referred to a press conference Meredith held last Monday to announce that unless "definite and positive changes" were made at the school, he might quit next semester.

Since his announcement there have been nightly demonstrations on the campus.

Williams was also critical of the stand Atty. Gen. Robert Kennedy took on Meredith's announcements.

Williams said the university had worked closely with the Justice Department in maintaining "proper conditions" at "Ole Miss" since Sept. 30, when Meredith's entry onto the campus sparked 14 hours of bloody rioting.

The chancellor said he thus was "surprised" by Kennedy's public plea asking the state and university officials to make the "changes" Meredith felt were needed.

"I doubt that Mr. Kennedy's statement helped us," Williams said.

The rowdiest of the recent demonstrations occurred Thursday night when about 400 students gathered in and around the school cafeteria where Meredith was having dinner.

Williams met with Justice Department officials Friday afternoon to discuss the matter. He said the names of some of the demonstrators had been taken but there had been no disciplinary action. "This will be considered later," he said.

"If we find somebody who is definitely responsible for creating difficulties which disrupt the campus, we would expel him," said Williams.

In the town of Oxford itself, a federal grand jury probing the Sept. 30 rioting continued to take testimony Friday, with no indication of how long the probe would last.

The grand jury, of 21 men and two women, returned a partial report Thursday, but it was learned Friday that none of the 55 indictments concerned the riots which killed two and left hundreds injured.

The grand jury is investigating the government's charges against former Maj. Gen. Edwin Walker and 10 others arrested in connection with the rioting.

Legislature Passes 'Bad Check' Bill

By JOEL BULKLEY
Student Legislature finally gave its unanimous approval Thursday night to both the controversial "bad check" bill and a bill supplementing the Yackety-Yack budget by \$851,600.

Also receiving SL approval were bills revising student membership on the Graham Memorial Board of Directors; amending the election laws; and a resolution requesting the WRC, IDC and IFC to submit their by-laws to the Rules Committee of SL for investigation and approval.

The bad check bill, introduced by Ford Rowan, establishes an offense against the student body for flagrantly and repeatedly issuing checks which are returned not honored by the bank, when the bank is not in error. Any student who fails to reimburse the person who cashed the check for the full amount of the check, within 30 days after notification by the Student Credit Commission (SCC), stands in violation of the honor code.

The SCC will request regular notification from the merchants and banks in Chapel Hill and the University administration of persons who have cashed "bad" checks. If the check goes unresolved after 30 days, the SCC will refer such instances of bad checks to the Attorney General for investigation and appropriate action. The student involved is then subject to the jurisdiction of the proper judicial branch of student government involved.

The bill was originally introduced in the November 8th session of the

Reorganization of Orientation Groups Is Urged

A bill to reorganize the Campus Orientation Committee was among the bills and resolutions introduced at the conclusion of Thursday night's SL session.

Bob Spearman (UP-SP), author of the bill, cited the inadequacy of the present bill, and the fact that the chairman of the orientation committee is selected so late as reasons for this new bill. It states that the orientation committee will be composed of a chairman, and 22 representative students. The chairman must be a rising senior and must be appointed by the President of the Student Body by December 10th of each year and then must be approved by SL.

Athletic Scheduling

Also introduced was a resolution which urges improvement in future Carolina athletic schedules. The bill was introduced by Ford Rowan for Chuck Wrye. It resolves that Student Legislature urge that major athletic events with Big Four opponents not be scheduled during vacations. It also added that SL should go on record as supporting our athletic teams in their efforts.

A bill to appropriating \$25 to the Class of 1966 for initial operating and publicity expenses was also entered by Spearman.

Rowan also introduced a resolution calling for the use of the Monogram Club building as a dormitory social room.

Sexy Teacher May Lose Job

PARIS (UPI)—The mathematics teacher crossed her shapely legs, tossed her black hair and said "I'm furious" if the beauty and sex appeal that won her the title of Miss France means she's losing her job.

But Miss France, hitherto known as Miss Fabris to the 12 and 14-year-olds in the algebra and geometry classes, has had her face and figure: 35½-23½-36 featured in the newspapers.

last assembly and had been revised three times, by the Judicial Committee and SL, before being passed by a 34-0 vote Thursday.

Yack Bill
For the second time this year, SL approved a \$951,600 supplement, from the General Surplus, to the Yack. It was introduced by Jean Yoder (UP) for the Yack. After it passed the first time, Student Body President, Inman Allen vetoed it for a technicality—it did not state where the money was to come from, Louis Legum, Editor of the Yack, spoke in the behalf and said that two errors had been made in the net income of Yack. He said attempts had been made, to lessen their debt by cutting down the number of books to be printed and by charging admission to their beauty contest and thus took in \$810, but they are still in the red.

A bill, introduced by John Mcmillan (UP) and Johnsvne Massenburg (UP), changing student membership on the Graham Memorial Board of Directors from one male student and two presidential appointees to one male student, one presidential appointee and one SL appointee was passed.

The Elections Laws were amended in a bill written by Charles Cooper (SP). The additions state that examination of candidates for a school election will begin no later than three weeks prior to the date of the elections, and also that final decisions concerning provisions of this bill will be made by the Constitutional Council except when

SG Well Off Financially, Says Criswell

Bill Criswell, treasurer of the Student Body told the Legislature on Thursday night that Student Government finances were very solid.

In his report, Criswell said that the Student Government budget for the academic year (1962-63) is \$157,000.00, an estimated figure based on projected income from student fees. Of that money \$154,294.66 was appropriated by the Legislature last spring to be spent this year. The unappropriated balance then stood at \$2,705.34.

Of the appropriated budget, the Student Government is obligated to spend or has spent so far a total of \$153,920.72. Checks have been written for \$96,246.17 of this amount, leaving a balance of \$57,674.55. Of this amount the Legislature has spent \$4,544.50, leaving a balance of \$40,203.05 in General Surplus. The General Surplus Fund serves as a "buffer" fund and as a source of credit for the Student Government Fund.

From the unappropriated balance of this year's budget carried over from last spring, the Legislature has appropriated \$1,477.84 this fall, leaving \$1,238.70 in unappropriated funds at the present time.

Campus Briefs GM To Be Open Til 3 For Study

UNC-DUKE TICKETS

Student, faculty and employee tickets for the UNC-Duke basketball game of Saturday, Feb. 3, will be available on a first-come, first-serve basis. They may be picked up at Woolen Gymnasium starting Monday, Jan. 21.

FALL SEMESTER PASS CARDS

Must be presented, both to obtain the tickets and to get into the game. On the basis of information furnished by the Admissions Office, a few tickets will be held out for new students registering on Jan. 29.

NSA COMMITTEE

The NSA Committee will meet Tuesday at 5 p.m. in the Grant Room to discuss the Spring Human Relations Conference. Meeting will be short, but important.

GOLD STAR AWARD

This week's winner of the Gold Star Award for meritorious service rendered to the student body is Roger "Sharp Girls Will be Present" Davis.

PUBLIC HEALTH SCHOOL SEMINAR

Dr. Horace Hamilton, professor

in the Department of Sociology and Anthropology at N. C. State College, will speak to the UNC School of Public Health's student-faculty seminar Monday.

Dr. Hamilton's topic is "Economics of Health," and is sponsored by the Department of Biostatistics. The talk will begin at 3 p.m. in the auditorium of the new School of Public Health building.

G.M. HOURS

Beginning Sunday, January 20, Graham Memorial will be open each night preceding exams until 3 A.M. for students wishing to study. Students are reminded that Graham Memorial has vending machines for coffee, candy, sandwiches, and soft drinks.

WESLEY FOUNDATION

The Wesley Foundation will meet Sunday night at 6:30 in the basement of the University Methodist Church.

LIBRARY SCHEDULE

The following is the L. R. Wilson Library schedule for the post-examination period, January 29 to February 4: Tuesday, Jan. 29, 7-4

a.m. to 5 p.m.; Wednesday, Jan. 30, thru Friday, Feb. 1, 9 a.m. to 5 p.m.; Saturday, Feb. 2, 9 a.m. to 1 p.m.; Sunday, Feb. 3, closed; Monday, Feb. 4, resume regular schedule.

The regular schedule will be observed during the examination period.

ART HISTORY LECTURE

J. Richard Judson, professor of art history at Smith College, will give a lecture Monday at 8 p.m. in room 115 of the Ackland Art Center. His subject will be "The Vargos Painting Trends of the 18th Century in the Netherlands and the Transition into the 17th Century."

WORK-TRAVEL ABROAD

Information about various work-travel-study programs in Europe, Asia, Africa, and South America is now available. Those interested should see Harry DeLung in the Student Government Offices.

ALPHA GAMMA DELTA PLEDGE DINNER

The Alpha Gamma Delta Pledge class is having a dinner at the Alpha-Gam house Sunday. There

PHILOLOGICAL CLUB

The Philological Club will meet Tuesday at 7:45 p.m. in the Faculty Lounge in Morehead Planetarium. Walter W. Arndt of the Department of Germanic Languages will present a paper entitled "The Foreigner in Russian Literature."

PHYSICS COLLOQUIUM

The planet Jupiter is the subject of a Physics Colloquium to be held Wednesday at 4:30 p.m. in room 265 Phillips Hall. Dr. Colin H. Barrow of Florida State University will speak on "Decimeter - Wave Studies of the Planet Jupiter."

EDUCATION SENIOR

You are required to take National Teacher Examinations. Bulletins of information complete with applications may be obtained from the University Testing Service, Room 019, Peabody Hall. Applications must be mailed by January 15th to avoid late fees. In case of doubt, come to room 101 Peabody Hall.

EXCHANGE SCHOLARSHIPS

Applications forms for two exchange scholarships to be awarded for study in 1963-64 at the University in Goettingen, Germany, are now available. They may be obtained at GM or at the YMCA. The deadline for returning these forms is Feb. 15.
