Dormitory **Spotlight:** Manly

Active dorms seem to have at least one thing in common-full participation of residents. A typical active dorm is Manly, and ly is a result of their organization.

Led by intramural manager Carl Swann, Manly is first in intramurals. Ninth last year, the dorm's teams swept the football and volleyball crowns and presently hold a wide lead in the standings.

The increased social fee has made an expanded social program possible, and a beer and pizza party was held before Christmas. The success of last year's beach party has resulted in an annual affair, and it is to be held in late April. Manly was dorm president John Schultz. Van Lear, the dorm paper was published three times last semester, and resident will have a page
