

UNC Band Membership Is Open

The UNC bands are now open for membership. Anyone interested in joining should see Dr. Herbert Fred, director of bands, at 110 Hill Hall Annex.

The entire band program consists of four separate groups: the marching band, pep band, variety concert band and the symphonic wind ensemble. Membership in any band is open to both men and women.

To further entice band membership, one hour credit per semester is given for participation.

Members of the marching band are exempt from physical education during the season.

Regular rehearsals are held Tuesday, Thursday and Friday afternoons at 4:30.

Uniforms and equipment are issued free to all members. Instruments such as drums, tubas and French horns are provided to qualified players.

The marching band will also travel to College Park, Maryland, for the October 12th football game.
