

Larry Tarleton

DTH SPORTS EDITOR

Carolina's head scout Emmett Cheek stood up at Jim Hickey's weekly press luncheon yesterday and said, "I hope they aren't as good as we think they are."

The "they" is Wake Forest, the Tar Heels' opponent this week, and the early-season surprise of the Atlantic Coast Conference.

When Bill Tate left Illinois to take the head coaching job at Wake Forest last spring, no one was envious of him. After all, he was leaving a secure job as assistant coach of the Rose Bowl Champions to become coach at a school which had the worst record in the nation for two years. The Deacons had won only one of twenty games under Billy Hildebrand in '62 and '63.

Tate has already proven his coaching ability by turning a rag-tag bunch of losers into a winning football team. The Deacons rolled up 69 points in their first two games as they crushed Virginia and Virginia Tech.

The Deacons opened with a new formation against Virginia and caught the Cavaliers off guard. "We thought they just caught Virginia by surprise," reasoned Cheek. "But then, they ran the same formation against Tech and they still weren't stopped."

Piccolo Leads Wake Offense

Before the season opener, the Wake offense was supposed to consist of Brian Piccolo, period. Piccolo, a 5-11, 198-pound bruiser from Ft. Lauderdale, was the only player on the team who had ever scored a touchdown in varsity competition.

Well, Piccolo hasn't been a disappointment, in fact, he has been nothing short of sensational. In two games he has rushed for 249 yards for a 5.1 average. On top of all this he has romped over for five touchdowns.

But Piccolo has been far from the whole Wake offense. One of Tate's first moves was to install John Mackovic as his starting quarterback. Mackovic had been a starter as a sophomore, but got into Hildebrand's doghouse last year, and rode the bench while the over-rated Karl Sweetan was directing the Deacons to nine defeats.

This year Mackovic started the season by slipping through for an 87-yard touchdown run against Virginia, and thus far, has gained 150 yards rushing and 169 yards passing.

The big surprise in the VPI game was co-captain Wayne Welborn. Welborn scored three times against the Gobblers and ran his rushing total to 138 for the season.

Add kicker Eddie McKinney, halfback Joe Carazo and end Dick Camerson to this group and Tate has come up with an exciting offense.

But the biggest contribution Tate has made to Wake Forest is a winning spirit. As Cheek said, "The thing that impresses me most is the way they go after you. Their personnel is not real large, but their spirit is great."

If Tate doesn't win another football game all year, I think he deserves serious consideration as Coach of the Year.

One thing is sure, the Tar Heels better get "up" for this game, because the Deacons would really like to pull another upset.

Phillies Must Snap Slump

PHILADELPHIA MANAGER GENE MAUCH still thinks his Phillies are going to snap out of their slump and win the National League pennant. Well, Gene you better think of something fast. The Phillies have only four games to go and trail the Cincinnati Reds by 1 1/2 games.

Two of the Phillies' games are with the second-place Cardinals and two with the Reds so they still have an excellent chance of catching up. All they have to do is win all four and they're home free.

After leading the league for much of the season, the Phillies have gone into a mysterious late-season slump which has now reached eight straight losses (possibly nine by the time you read this) while the Reds and Cardinals have put together nine and six-game winning streaks.

Personally, I'd like to see the Cardinals take all the marbles, especially since there have been rumors that Johnny Keane would be fired at the end of the season. However, it would be a nice tribute to a gentleman and great manager if the Reds could hang on for red Hutchinson.

Everett Wins Opener, 35-12

By BILL LEE
DTH Sports Writer

Intramural tag football got under way with a bang Monday as 24 teams vied for opening day victories. The Blue Division team of each Residence Hall were the opponents.

In the highest scoring game of the day, Everett topped Graham Hall 35-12. Left end Biddle was high scorer with two touchdowns and an extra point. The winners also used two safeties to aid them in the victory.

Med School II shut out Victory Village I 20-0, with Joe Craver, Dennis Wachs, and ex-Davidson

cager, Bill Jarmen getting touchdowns. The doctors used 15 plays in a solid defense to hold the Village scoreless.

The defending all-campus and Residence Hall Champions, Alexander, prove to be big again this year as they over-ran Winston 22-6. Bud Cahoon topped the scoring for the winners with seven points, and Joe Vance, Noel Liles, and Bob Brooks added a touchdown apiece.

Old East crushed the grad Law students of Carr Hall 22-0 as lanky right guard Tom Smith found himself open in the end zone for three touchdowns.

In an inter-dorm clash, Craig B white-washed Craig C 28-0. Bill Moore led the victors with seven points, and Sperm Yeargan, Fred Hicks, and Tom Keef fer chipped in with TD's.

Old West topped Battle-Vance-Pettigrew 19-7 behind seven points by Kern Everett and touchdowns by John Williams and Bill Weems. Brad Matson scored the only TD for the losers.

In an Ehringhaus conflict, the

"A" team 'opped the Stud "B" 6-2, overcoming a 2-0 halftime deficit. The only touchdown of the game was scored by Desi Fowler.

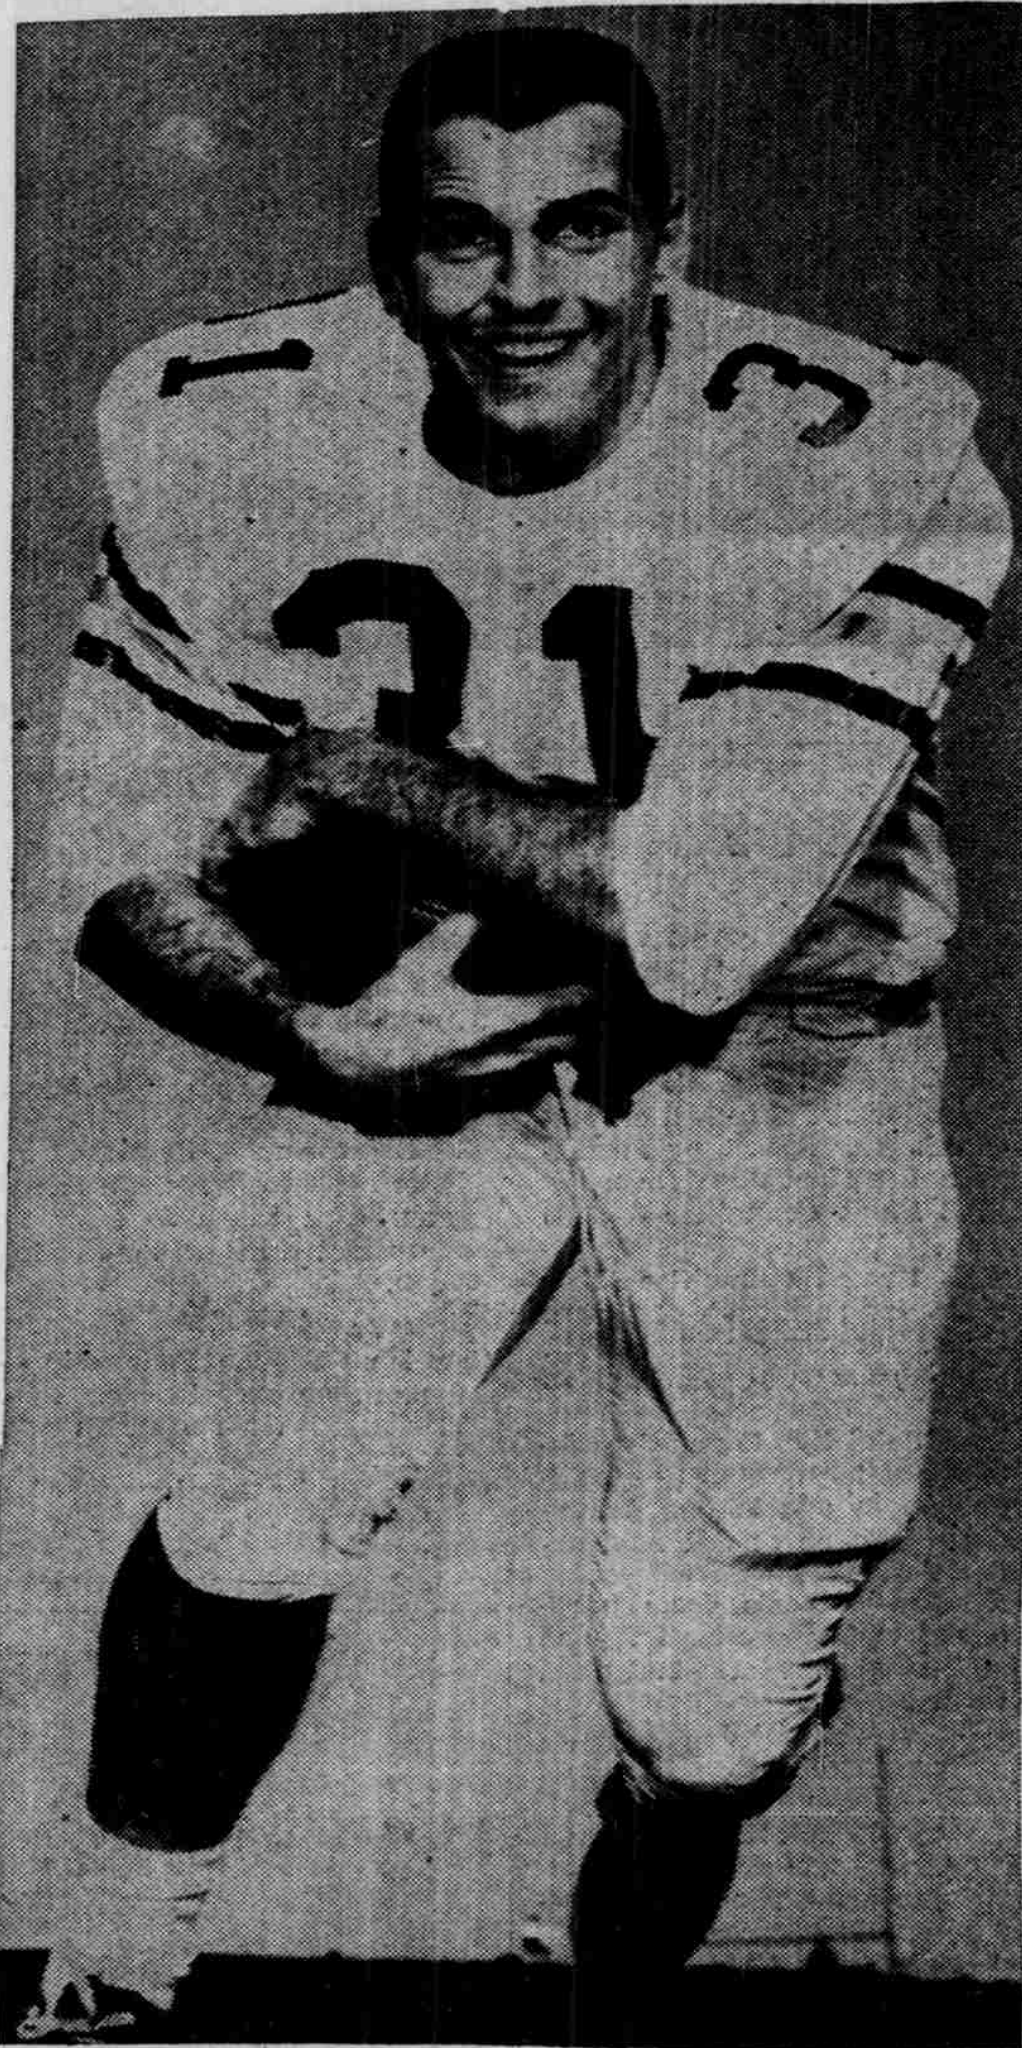

Ehringhaus D stopped the Ehringhaus C team 10-0 in another defensive battle with Doug Helms chalking up the only TD.

In the closest battle of the day, Teague beat Parker 7-6. Teague gained the victory on Hence Pittman's touchdown but had to hold on as Parker rallied in the second half on Robinson's TD. The extra point attempt was no good.

Mangum topped Grimes 21-4 with Nathan Ray leading the scoring. Mangum led at the half 8-2.

Ruffin conquered Manly 15-4 as Charles Crenshaw and Tysinger scored touchdowns. Manly got their points on safeties by Max Van Pelt.

In Monday's remaining game, Aycock beat Lewis 19-7 with Hunt, Smith, and Gold contributing TD's for the winners. Early grabbed the only six-pointer for Lewis.

BRIAN PICCOLO . . . WAKE PILE-DRIVER

Richy Zarro Elected

RICHY ZARRO

Richard Zarro, president of the University of North Carolina Monogram Club and football star, will serve as State Youth Chairman for the 1964 STOP ARTHRITIS campaign according to campaign chairman Charles (Choo-Choo) Justice of Asheville. The STOP ARTHRITIS campaign will be conducted in November.

As youth chairman, Richy will seek the help of college and high school clubs and organizations in conducting such campaign events as tag days, road blocks, and car washes.

In heading the STOP ARTHRITIS campaign, Zarro and Justice will emphasize a little known fact about arthritis—that it strikes a large percentage of athletes. Jerry Walsh, 1964 Handicapped American of the Year, was one of the nation's most promising baseball players when stricken by arthritis.

HS&M Highland Tweed Sport Coat. There's no mistaking the Scottish accent of this bonnie sport coat. Pure wool, loomed in the bold and brawny way you like. Heather-light on your shoulders. Fall-favored colors and patterns. Tailored by HS&M to endure—like the Highlands it's named for.

TROUSERED BY CORBIN

the man who put natural shoulders on trousers

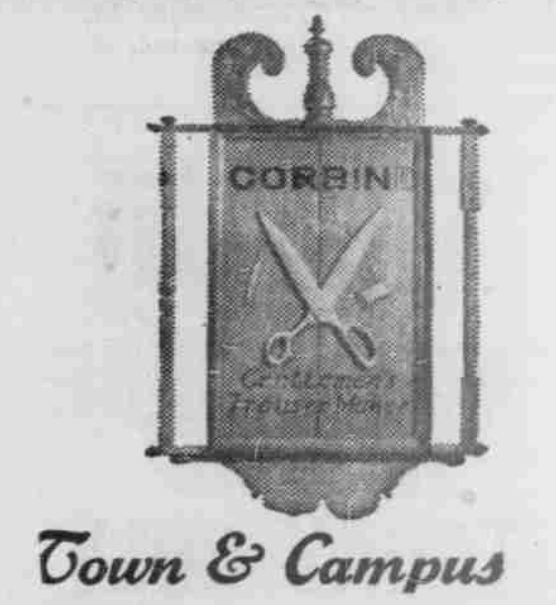

Have you looked at your trousers lately?

Are they correct? Are they neatly narrow in the leg — or too narrow (or too wide)? Do they hang properly or do they drag on the floor? Do they come up too high or do they rest securely on your waist? Do your trousers enhance your appearance?

Corbin trousers do more than simply clothe

A change of pace is always welcome! Some of us travel, others like to use specific recreational facilities. Many of us prefer to just take it easy over the weekend.

Corbin makes trousers for the man who chooses his clothes with care. They look good and wear well.

Reds Keep Winning Despite Weak Bats

NEW YORK (AP)—The Cincinnati Reds, making a strong run for the National League pennant with a nine-game winning streak that has carried them to the top, are doing it with only one .300 hitter and a pitching staff that doesn't figure to produce a 20-game winner.

Frank Robinson is the team's only .300 batsman. He's at .304 which places him no higher than 11th in the circuit's batting race. The slugging left fielder also leads the club in home runs with 29 and runs-batted-in, 94, both totals well below the league's pace-setters.

Only one other Reds' regular is hitting higher than .280, catcher Johnny Edwards at .283. He's followed by first baseman Deron Johnson .279, second baseman Pete Rose .272, center fielder Vada Pinson .267, right fielder Marty Keough .262, shortstop Leo Cardenas .258, Steve Boros .257

and Chico Ruiz .235. Boros and Ruiz have been sharing third base.

Second string catcher Don Pavletich is hitting .256, reserve outfielders Terry Harper and Mel Queen are at .248 and .202, respectively, and Gordie Coleman, utility first baseman, has a .245 mark.

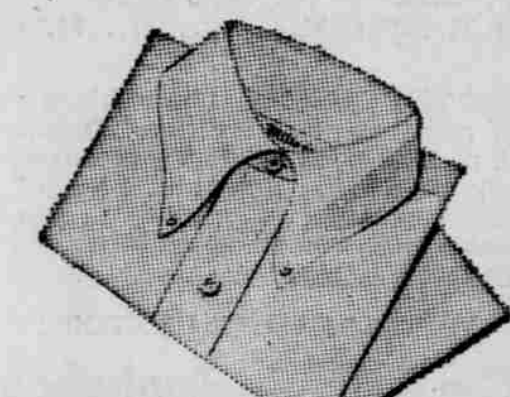

The leading winner among the pitchers is lefty Jim O'Toole, whose victory over the New York Mets in Sunday's opener moved the Reds ahead of Philadelphia.

O'Toole's record is 17-7. Roberto Clemente of Pittsburgh virtually has clinched the championship. He dropped one point to .343 in last week's action, but holds a 16-point lead over runner-up Hank Aaron and Rico Carty of Milwaukee. Carty rushed up to deadlock his teammate, gaining eight points to .328 with 10 hits in 21 attempts.

*T.L.C. Is The Hidden Secret in Milton's Fabulous M-2

"Tender Loving Care!"

1. Perfect roll collar.
 2. True single needle tailoring.
 3. Twenty stitches to the inch.
 4. Non-breakable buttons that will not yellow.
 5. Tapered body and chest.
 6. Taller more flattering collar.
 7. Double pleat on barrel cuff.
 8. Buttons sewed in with lock stitch.
 9. 330 weight in the white combed Greenwood oxford.
 10. Eleven inch tapered sleeve on all M-2 half sleeves.
 11. Die cut for perfect sizing and shaping on collars and bands. (The die cutting insures the painstaking uniformity of fit and protects against the sloppy bulge commonly referred to as the "arch flair")
 12. Die cut, hand turned and then pressed on blade especial cut for this purpose.
 13. M-2 is completely hand-pressed.
 14. Every shirt is triple inspected.
 15. Extra stitching at collar point to insure sharp point.
 16. Made by our own shirtmaker in model Singer plant.
- All these important steps are accomplished at \$5.95 for white combed Greenwoood oxfords and \$6.50 for solid colors and our fascinating multitude of candy stripes at \$6.95.
